Semester Exchange Program Restrictions

Bond University degrees that are not eligible for semester exchange:

Faculty of Health Sciences & Medicine	• Medical program • All other Health, Biomedical and Sports Sciences degrees
Bond Business School	• Bachelor of Actuarial Science (Honours) • Bachelor of Actuarial Science (3 Year Program) with Finance and Data Analytics majors • Graduate Diploma in Business
Faculty of Law	• Bachelor of Laws (Climate Law double major) • Bachelor of Laws (Legal Innovation and Technology double major) • Graduate Diploma in Legal Practice • Master of Laws on Enterprise Governance • Master of Laws in Australian Law and Practice
Faculty of Society & Design	• All degrees in Architecture • All degrees in Construction, Property and Planning • Bachelor of Psychological Science (Honours)

Students enrolled in the degrees below **may still be eligible for the Semester Exchange Program**. These are reviewed **case by case** because the degree structure, subject sequencing, or limited elective choices can make it more difficult to find suitable subjects at a host university. Please discuss with Exchange Office at your first semester to prepare ahead.
