SELECTION CRITERIA
Faculty of Business
Assistant Professor of Accounting (Position Reference: #BUS1570)

We are seeking to appoint two Assistant Professors in Accounting, equivalent to Level B or Level C.

Applicants are required to demonstrate:

- PhD in accounting.
- Strong research training and skills.
- Strong or emerging publication record in any of the areas mentioned below.
- Evidence of excellence in teaching at both undergraduate and master’s level in accounting, including one or more specialised areas: financial accounting, company accounting, auditing, cost and management accounting, governance, and/or financial analysis and valuation.
- Commitment to delivering the highest quality teaching and learning experience for undergraduate and masters students in accounting, and willingness to innovate in teaching methods.
- Willingness to engage in departmental, faculty, and university service as well as curriculum development.
- High quality interpersonal and communication skills, and demonstrated commitment to teamwork and collegiality.
- Willingness to engage with the broader community, such as industry, professional associations, and/or schools.

The following attributes are highly regarded:

- Relevant industry experience and professional qualifications.
- Knowledge of blended learning and on-line delivery pedagogical tools and strategies.
