LEARNING & TEACHING WEEK 28SEPT - 02OCT

Director’s Welcome

I invite you to the annual Bond University Learning & Teaching Week 2015 hosted by Bond University Office of Learning and Teaching (OLT).

Learning & Teaching Week 2015 is a wonderful opportunity for you to participate in a vast array of workshops aimed at developing practical and innovative approaches to successful teaching and learning taking place within Bond University.

Learn from your peers, hear stories of experience in implementing new teaching strategies, share ideas on teaching innovation and technology and learn more about creative approaches to blended learning, coursework assessment and student feedback.

Sign up for as many sessions as you like - it is an opportunity to network and share experiences with colleagues and academic staff.

I encourage you to participate in this wonderful opportunity for collegial exchange, recognition of excellence in learning and teaching practice, and sharing knowledge on research and emerging pedagogies in learning and teaching.
