

## FREQUENTLY ASKED QUESTIONS (FAQs)

### 1. What do I do if the student I am supervising is involved in a clinical incident?

If there is an incident involving a student during their clinical placement, please complete the '[Critical Incident Form](#)' and return it to Rebecca Terry, Academic Coordinator of Clinical Education at [rterry@bond.edu.au](mailto:rterry@bond.edu.au). If any internal incident forms are needed to be completed by you or the student, the University will also require a copy.

The Clinical Education support team would like to assist the student to reflect on the incident and identify any risk management strategies needing to be put in place. Please contact either your designated Clinical Support person or Rebecca and we would welcome the chance to discuss it with you over the phone or in person.
