

FREQUENTLY ASKED QUESTIONS (FAQs)

9. There are a number of Bond University Academic Staff listed in the Clinical Education manual? What are their roles and who should I call first?

i) Clinical Support Liaison:

1st Year: Assistant Professor [Rebecca Terry](#)

2nd Year: Senior Teaching Fellow [Kirstin Macdonald](#)

Prior to the commencement of a clinical placement, you will be notified which university clinical support staff member will provide support to you and the student/s throughout the placement. Your clinical support staff member will be available at all times to assist with any of the following issues:

- ◆ Not adequate student performance – in any of the cognitive (knowledge), psychomotor (skill) and affective (feelings, attitude, emotions) domains.
- ◆ Assist with student learning difficulties, professional behaviour or interpersonal issues that may arise
- ◆ Assist educators with how to apply the Assessment of Physiotherapy Practice (APP) assessment tool
- ◆ Assist educators with providing formative mid unit feedback and APP, including recognising strengths and areas for improvement/ongoing development
- ◆ Assistance with developing strategies to improve student performance
- ◆ Processing of the final Assessment of Physiotherapy Practice (APP)
- ◆ Assist with APP Linkup access difficulties

Clinical Placement	Clinical Support Team

ii) Subject Coordinator of the Clinical Placement subject:

1st Year: Assistant Professor [Rebecca Terry](#)

2nd Year: Senior Teaching Fellow [Kirstin Macdonald](#)

If a student is ill and unable to attend placement, they are expected to telephone the Clinical Educator (i.e. speak to the educator directly or a person in authority) AND the Subject Coordinator of the clinical placement subject ([Kirstin Macdonald](#) 0414 996 694 or 5595 4485; [Rebecca Terry](#) 0414 785 208 or 07 5595 3524).

iii) Academic Coordinator of Clinical Education (ACCE) – Assistant Professor Michael Pahoff

Please contact Michael Pahoff (telephone 5595 2130, mobile 0417 630 575) if you have any significant concerns about the clinical placement (e.g. a student's fitness to practise).
