

OFF CAMPUS ACCOMMODATION

Bond University is the only university campus on the Gold Coast that is located at the junction of two residential suburbs, Robina and Varsity Lakes, right in the geographic heart of the Gold Coast.

For students wanting to live nearby, this means there is a wide range of rental accommodation available within walking distance.

If you'd prefer to be closer to the surf, sun and sand, two major city bus routes stop at the campus, providing easy access to the Gold Coast's famous beachside suburbs.

Or you can take advantage of our free, 24-hour parking on campus and drive to the University from anywhere in the city.
