UNIVERSITY**

INVITATION TO ATTEND

2017 Bond University Abedian School of Architecture

Lecture Series #2

'Five Agendas for Contemporary Danish Architecture'

with Boris Jensen & Kristoff Weiss, Denmark

Please join us at the Abedian School of Architecture for the second [Architecture Lecture Series of 2017](#),
'Five Agendas for Contemporary Danish Architecture' hosted by Boris Jensen & Kristoff Weiss,
Denmark.

The talk will present a broad range of exemplary Danish architecture, framed by five agendas: 'Exit Utopia',
'Designing Life', 'Pro Community', 'Beyond Luxury' and 'Claiming Space', which address the most essential
issues of contemporary humanistic and socially committed Danish architecture, each from a specific thematic
perspective.

DATE

Thursday, 9 March

TIME

6PM - 8PM

VENUE

Abedian School of Architecture, Bond University

PARKING

PG4

ABOUT OUR GUEST SPEAKERS

BORIS BRORMAN JENSEN

Boris Brorman Jensen is an independent researcher, consultant and practising architect. He studied at the Aarhus School of Architecture and Buffalo State and holds a PhD from Aalborg University. He has also been affiliated with several international architecture schools and universities, including the University of Sydney, Chulalongkorn University in Bangkok and the Harvard Graduate School of Design.

Boris Brorman Jensen is active on several counsels, boards and committees. He has published and exhibited a large number of research projects on globalisation, urban development and architectural theory. He has also been involved in several award-winning urban design and planning projects with various collaborative partners.

KRISTOFFER LINDHARDT WEISS

Kristoffer Lindhardt Weiss holds a degree in philosophy. Throughout his career, he has worked with architecture and urban development as a partner at architectural firm EFFEKT (2003-2007), as a lecturer at the Royal Danish Academy of Fine Arts, School of Architecture, as an exhibitor and as an architecture critic for Danish newspapers Dagbladet Information and Weekendavisen. Kristoffer Lindhardt Weiss is also a partner at the consultancy firm Wallner Weiss.

As a writer, Kristoffer Lindhardt Weiss contributes to a large number of Danish and international magazines and publications. In 2012, he published the book *The New Wave in Danish Architecture* on developments in Danish architecture over the past ten years, focusing on the breakthrough of a new generation of architectural firms. As a partner at EFFEKT, he worked on the 2006 project that won the Golden Lion for the Danish contribution to the Architecture Biennale in Venice: Co-evolution.
