A global campus for citizens of the world.

Living and studying in another country will be one of the most unforgettable experiences in your life.

You'll meet new people, build a global professional network, embrace a different culture and maybe learn a new language. But it is a big decision to make - which is why Bond University is uniquely designed to support our international students through every stage of the overseas study experience.

With less than 5,000 students on campus and one of the lowest student: teacher ratios in Australia, you'll immediately see the benefits of our personalised learning environment, where lecturers know their students by name and understand their individual needs.

Our international cohort represents up to 50% of our student body and come from more than 80 countries worldwide.

Collectively, they bring a unique global perspective to the learning experience, ensuring that our new students are welcomed as a member of Bond's extended family.

We look forward to sharing ‘our’ Australia with you as we help you bring your ambition to life.

Professor Tim Brailsford
Vice Chancellor and President

Canadian Juris Doctor student, Anita Kissi is actively involved in the Bond University Student Ambassador Program, a large network of active volunteers who are rewarded for their contribution to the University community.
On 23 April, 1987, Bond University was given its University status by an Act of the State of Queensland’s Parliament.

Modelled on the traditions of the world’s best educational institutions to provide an educational experience of the highest international standards, the University continues to be recognised both in Australia and internationally as a leading not-for-profit university, where 100% of tuition fees are reinvested in ensuring our students have access to world-class facilities and learning resources, and learn under the guidance of expert academics.

Bond University is recognised as an accredited Australian university by the Tertiary Education Quality and Standards Agency (TEQSA). Bond’s courses for international students are registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

Why Bond?

Because we do things differently.

For the past 13 years, Bond has received the highest possible ranking for Student Experience in the independent Australian Students Satisfaction Survey.

In other words, the people who know best - our students - say that Bond is the greatest university in Australia.

1. **SMALL CLASS SIZES**
   Our students talk about our small class sizes, and the extra help they get from lecturers who know them by name.

2. **ACCELERATED DEGREES**
   They talk about our three-semester timetable, and the benefits of finishing their degree a year or more ahead of their peers at other universities.

3. **GREAT ACCESS**
   They talk about having access to amazing facilities, greater engagement with industry, meeting people from all over the world, and being part of a global alumni network. But most of all, they talk about the richly rewarding experience of being mentored and supported every step of the way and being presented with life-changing opportunities.

GRADUATE SOONER. ACHIEVE YOUR GOALS FASTER
Bond's teaching calendar is based on three semesters per year, rather than the usual two. Our programs start earlier in the year, with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree or an undergraduate and postgraduate degree in less time than it would take to complete a single degree at another university.

Our semester start dates are in January, May and September to give you more flexibility about when you start your degree.

MORE INTENSIVE, PERSONALISED CLASSES
There is a big difference between being one of 25 students in a class and a face in a crowd of up to 500.

Bond's student: teacher ratio is one of the lowest in the country and our lecturers' doors are always open. This means you'll get more personalised, hands-on advice and support with your studies.
At Bond University, we recognise that people have many careers throughout their lives where they require the soft skills to problem solve and apply their education to a variety of occupations. As a result, in every undergraduate degree (including our Higher Education Diplomas), we have embedded our three Bond Core subjects plus our professional development and community engagement program, Beyond Bond.

This Core Curriculum teaches skills that are highly valued in contemporary organisations and will be essential to your personal and professional life in any current or future profession, regardless of discipline.

Bond's Core subjects are:
- Critical Thinking and Communication
- Leadership and Team Dynamics
- Ethical Thought and Action

Beyond Bond ensures every undergraduate student develops key employability and interpersonal skills through your choice of internships, volunteering, participation in global competitions and a broad range of extracurricular professional activities - all available from your first semester.

Administered by the Career Development Centre, this free program is personalised and tailored to your specific interests and career goals, presenting a life-learning experience like no other.

Beyond Bond is a core requirement of all Bond's undergraduate degrees, forging the vital link between our students and key contacts in their chosen professions.

JAMAL RAHIM

Master of Project Management (Professional)
India

“I would strongly recommend studying at Bond, especially for international students. The low student to teacher ratio ensures every student gets special attention and help from the Professors. As Bond has many international students, the staff are aware of the diverse methods of learning and provide guidance so that each student is able to understand the content. Bond also provides several workshops where international students can get additional support.”

The future will demand a totally new way of thinking: The old 9-to-5 employment model is already breaking down; technology has decentralised the workplace; small ideas have the potential to spark big businesses.

**Entrepreneurship and Innovation**

At Bond, we’ve engineered our programs to focus on developing adaptive, tech-savvy and future-focused graduates with a strong entrepreneurial streak.

You can major in Entrepreneurship and Innovation, create your own business enterprise, and bring entrepreneurial attitudes to whatever field you choose to study.

We’ll introduce you to industry leaders, CEOs, venture capitalists and start-up innovators.

And you’ll have the chance to develop, pitch and create your own concepts through internal and international initiatives like Bond Business Accelerator, Transformer, Gold Coast Demo Day, The World’s Challenge Challenge and Pitch@Palace.

**Transformer Program**

This free co-curricular program brings students together from all Faculties and disciplines to collaborate on a project of their own choosing or contribute to one of the many other ongoing projects. Whether you’re interested in social welfare, environmental issues, community health or developing new technologies, Transformer will show you how to apply entrepreneurial thinking to creative problem solving.

Working in teams of students who each bring different knowledge, perspectives and ideas, you’ll have access to industry experts, mentors, academic coaches, workshops and a cutting edge 24/7 co-working space.

Bond University Alumna and Pitch@Palace Finalist, Alisha Geary pitches her luxury activewear business, Faebella, to His Royal Highness, the Duke of York, Prince Andrew and an audience of high profile investors, entrepreneurs, influencers and business leaders.
You can’t learn everything you need to know about life from a textbook. That’s why a large part of your time at Bond involves putting theory into practice and building life experience.

LEARN FROM INDUSTRY LEADERS
Our academics don’t just teach. They consult to major companies, liaise with global governments, present at international conferences and work on ground-breaking research. You’ll learn from their real-life case studies and the industry leaders they bring to campus as guest lecturers and mentors.

EXPERIENCE THE REAL WORLD
At Bond University, we break down the barriers between the classroom and the real world, giving our students access to practical experience, current workplace knowledge and industry contacts through internships, clinical placements, study tours, projects, global competitions and more.
- Our Business students learn from entrepreneurs and start-ups in Silicon Valley;
- Our Law students argue mooting cases in Hong Kong, Beijing, Canada and Queensland’s own Supreme Court;
- Our Sports Science students work with elite athletes and professional teams from all over the world; and
- Our interns travel to amazing global cities such as Washington DC, Paris, London and New York.

GET READY FOR THE WORKFORCE
As a small university, our Career Development Centre works with every student to arrange relevant internships, employer placements, work experience and industry projects – not just towards the end of your degree, but from day one.

INTERNATIONAL EXCHANGE
Bond has international exchange agreements with more than 80 leading universities worldwide. Expand your global horizons and increase your employment prospects by studying, living and working in another country.

TOOLS OF THE TRADE
From our film and television studios to the Macquarie Trading Room, we have the very latest tools and technologies all here on one campus. And our small, personalised classes mean that everyone gets the chance to use them.
- More Bloomberg terminal access than any other university in Australia;
- One of the largest film and television production facilities in South-East Queensland;
- Paperless e-courtrooms;
- High altitude sport and exercise training rooms;
- Digital fabrication labs;
- Clinical skills rooms; and
- 3D printers, robots, simulators and more.

START YOUR CAREER NOW – WORK WHILE YOU STUDY
Your Australian Student Visa allows you to work up to 40 hours per fortnight. Bond’s Career Development Centre may be able to help you find part-time work in your chosen field or industry while you’re studying at university.
Life as a student at Bond is a richly rewarding experience leading to genuine friendships and professional connections.

Our campus is home to a truly diverse mix of students from all corners of the globe who will challenge and inspire you by opening your eyes to a world of new perspectives. They’re highly motivated to succeed, they’re actively engaged in campus life and they’ll ensure you never feel lost or alone.

ORIENTATION
Bond offers a dedicated orientation session for all new international students to help you find out more about studying and living in Australia and meet other new students from around the world before classes start. Our experienced staff and current students will be on hand to provide important information about studying at Bond, what to expect in your first semester; student associations to be involved in, as well as answer any of your questions. You can also join campus tours and a wide variety of social activities to get to know the campus and local area.

CLUBS AND SOCIETIES
Bond University is renowned for its friendly vibe and active social life, which centres on the huge variety of campus clubs, societies and student events.

They range from academic societies such as the Journalism Students’ Association and Law Students’ Association through to community welfare, sporting, professional, political and special interest groups.

Our international students can connect with friends from home at on-campus cultural organisations such as the Pacific Islanders Student Association, the Chinese Students’ Association, the Canadian Law Students’ Association and more; while religious clubs support our Christian, Jewish and Muslim students (a prayer room is located on campus).

EVENTS ON CAMPUS
There’s always something happening on campus, starting with our welcome ‘Jingerri’ barbeque held each semester by the Student Society for Indigenous Awareness. There is also Wednesday by the Water - a weekly free barbeque lunch on the banks of Lake Orr.

Other groups hold film nights, fundraisers and social get-togethers, and, in honour of our diverse global cohort, various clubs organise special celebrations to coincide with international and multicultural festivals, including the Super Bowl, Canada Day, Chinese New Year and our Global Food Festival.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)
Student activities are organised under the umbrella of BUSA which also serves as the student representative body on academic and administrative issues.

All students pay a Student Activities Membership (SAM) fee each semester which covers the cost of their membership to all University clubs and societies, and access to all facilities and classes at the Bond University Sports Centre.

SPORT AND FITNESS
Bond offers a variety of opportunities to get involved in sports. See page 16 for more information about our sports centre, sports facilities, sports clubs and more.
Between our small classes and active social life, you’ll know almost everyone on campus by the end of your first semester. And you’ll find plenty of places to catch up with your new friends for coffee, lunch or a night out without having to leave the campus:

- Lakeside Bar and Restaurant - A collective dining experience with food from every corner of the globe
- Bond Express - Our on-campus convenience store, also serving snacks and beverages
- Papyrus Café - For hot and cold drinks, light meals and snacks
- Don’s Tavern - Our fully licensed bar and social hub of the University
- University Club - Gourmet a la carte fine dining overlooking Lake Orr
- Coffee Cart at Palm Court - For a quick caffeine or sugar fix
- Kinetic Café - At the Bond Institute of Health & Sport

Just outside the campus, you will find even more options for eating and socialising at Varsity Lakes Market Square, which has coffee shops, restaurants, a pub and a supermarket.

Religion

Australia is a multicultural society where you are free to practise your religion. Most of the world’s religions are represented on the Gold Coast, and you will find many places of worship near the campus. As a Bond student, you will be supported in your faith through a number of religious clubs and societies, as well as a multifaith prayer room. All food outlets on campus serve halal and vegetarian food options.

“Bond is a unique private university which provides you with a very rewarding student experience. One of the highlights of my time at Bond has been the social life and being involved in multiple student clubs on campus.

I have been involved in both the Bond University Chinese Students’ Association and Bond English Enthusiasts Society, which I have served both as President for a term.”
Sport is in our DNA

Sport and education are entwined at Bond University. We have a proud sporting tradition and we provide opportunities for students to participate at a social, competitive or professional level.

BOND UNIVERSITY SPORTS CENTRE
The University's multi-million dollar Sports Centre incorporates a state-of-the-art gymnasium, TRX Suspension Training Studio, boxing circuit training room, Olympic-sized swimming pool and a regular timetable of group exercise classes.

The campus also features extensive outdoor sporting facilities for cricket, tennis, rugby and Aussie Rules, as well as indoor basketball, netball, futsal, badminton, volleyball and squash courts.

SPORT CLUBS
Joining a sporting club is a great way to meet new friends and Bond has more than 20 to choose from.

They compete socially and seriously under the Bond Bull Sharks banner with the opportunity to compete in the Australian University Games, the Northern University Games and the Australian University Championships.

For information on Bond’s Sport clubs and programs visit sport.bond.edu.au.

HIGH PERFORMANCE SPORTS
There are a number of key performance sports in which Bond offers world-class coaching and facilities. These sports include swimming, rugby union including women’s Rugby 7’s, Aussie Rules and netball. With each of these sports, we have established high level partnerships and strategies to ensure we compete at the highest level both domestically and internationally.

BOND ELITE SPORT PROGRAM
Bond University is a member of the Australian Sport Commission’s Elite Athlete Friendly University (EAFU) Program, which provides flexible study loads and requirements for athletes at the very top of their sport. Athletes competing at a state, national or international level in their chosen sport are invited to apply to the Bond Elite Sport Program.

For details on Bond’s Elite Sport Program please visit sport.bond.edu.au/programs/elite-sport-program

SPORTS RESEARCH
The Bond Institute of Health & Sport is a world-class teaching and training centre which regularly hosts international athletes and professional teams.

Specialist training and preparation facilities include the strength and conditioning gymnasium, lap pool and temperature contrast pools, the oxygen-reduced altitude training room and the sports science laboratories.

The Institute is also used extensively by students studying exercise and sports science, physiotherapy, occupational therapy, nutrition and dietetics.
Spectators watch Bond’s rugby union team play from the Fabian Fay Clubhouse.
Bond is located in a landscaped residential neighbourhood with a wide range of on-campus and off-campus accommodation available for our students within easy walking distance of all University study and recreational facilities.

**ON-CAMPUS**

On-campus housing offers your choice of air-conditioned single or shared rooms. In addition to the one-on-one academic and personal support available from the live-in team of Senior Resident Fellows, Resident Student Fellows and Tutor Fellows, resident students enjoy a great social life as they mix with classmates at mealtimes and in study sessions, and there's always someone around to talk to in the shared common areas.

Please note that General English and English for Academic Purposes students are not permitted to reside in on-campus accommodation.

**MEAL PLANS**

For students living on campus, it is compulsory to have a dining plan. These flexible prepaid plans can be used to purchase meals on campus at Lakeside Bar and Restaurant, Papyrus Café, Don’s Tavern, Coffee Cart, Bond Xpress and the University Club.

**APPLYING FOR ON-CAMPUS ACCOMMODATION**

Our on-campus rooms are in high demand, so we recommend you complete your application as soon as the accommodation booking period opens. To view rooms online and complete your application, visit bond.edu.au/accommodation

**HOMESTAY**

Homestay accommodation offers students a fully supported living experience with a local host family. Bond University's homestay program is professionally managed by the Australian Homestay Network - homestaynetwork.org

---

**OFF-CAMPUS**

There is a wide range of rental accommodation surrounding the University if you would like to live off campus. Options include houses or apartments on a single or shared basis with weekly rent varying, depending on size, location and the number of bedrooms. You will also need to budget for a security deposit (bond), food, electricity, telephone, internet and cleaning.

Nearby off-campus accommodation options:

- h2oapartments.com.au
- liveinbrooklyn.com.au
- thechancellor.com.au
- universityplace.net.au

**SHARE ACCOMMODATION**

Students regularly advertise for flatmates in a variety of units, townhouses and larger homes located in suburbs adjacent to the campus (Varsity Lakes, Robina) and further afield – see flatmates.com.au/bond

**COUPLE AND FAMILY ACCOMMODATION**

There is a variety of rental accommodation available across the Gold Coast, ranging from beachside apartments to suburban family homes near schools, business precincts and retail centres.

OTHER COSTS

When considering the costs associated with your studies, keep in mind that Bond’s accelerated schedule means you’ll finish your degree sooner and be out in the workforce up to a year earlier than if you went to another university. This time saving also represents a substantial reduction in accommodation and living costs, plus a full year of extra earnings.

Other costs you will need to budget for include:
- Tuition fees
- Visa application fees
- Overseas Student Health Cover (OSHC)
- Student Activities Membership (SAM) Fee
- Flights
- Cost of living
- Other personal and study-related expenses

*Prices are approximate and can vary depending on budget and lifestyle.
This is an investment in your future – one of the biggest and most impactful you will ever make – and, as with any investment, it’s important to understand the distinction between ‘cost’ and ‘value’. Employers constantly tell us that a student’s degree is just one element that they consider. The applicants who can really add value to their business are those who offer the total package – life experience, international exchange, industry experience, extracurricular participation, global perspective, leadership qualities and community engagement.

Bond can offer all this by investing 100 per cent of your tuition fees into providing a five-star educational experience, state-of-the-art facilities and a truly personalised student framework.

When considering the costs associated with your studies, keep in mind that Bond’s accelerated schedule means you’ll finish your degree sooner and be out in the workforce up to a year earlier than if you went to another university. - Endeavour Awards and Fellowships - internationally competitive, merit-based scholarships that support citizens of the Asia-Pacific, the Middle East, Europe and the Americas to undertake study, research and professional development programs in Australia.

HELP FROM HOME

Many countries offer their citizens scholarships, grants or some form of student loans for overseas study. For the most up-to-date advice, go to your country’s government website.

Postgraduate and research funding may also be available through your home university, your employer or professional organisations in your country or region.

For more information on Financial Aid for international students, visit bond.edu.au/financing-your-studies
Our team of experienced specialists are available on campus at any time to help you with everything from subject enrolment, tutoring and study support through to personal security and counselling.

ACADEMIC SUPPORT
Our academics and Faculty support staff know their students by name. Their open-door policy makes it easy to ask for help at any time.

ACADEMIC AND ENGLISH LANGUAGE SUPPORT
The Student Learning Support team offers personalised help, with free one-on-one consultation sessions that students can book up to once per week for help with assignments, and workshops in academic writing, time management, oral presentations, exam preparation and much more. Please note that this service is provided to General English and English for Academic Purposes students already from their teachers.

IT / TECH SUPPORT
The IT Service Desk knows everything about our technology and computer systems, from Wi-Fi and mobile access through to audio-visual and conferencing equipment.

MENTORING
Our alumni and industry connections are ready, willing and available to provide personal guidance and valuable career advice.

CAREER PREPARATION
Connect with the Career Development Centre from day one to access free workshops and one-on-one careers guidance. Their qualified Employment Services Specialists will also facilitate your industry internships and placements.

24 / 7 SECURITY
Your safety is our number-one priority, and our Security team are available on campus 24 / 7. You can drop by their office or give them a call if you ever need assistance.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)
BUSA gives students a voice on campus by providing advocacy and support. It is also a vital information hub, connecting you to social networks, clubs, associations and co-curricular activities. For more information, visit busa.com.au

HEALTH AND WELLBEING
Our on-campus Medical Clinic is staffed full-time by a doctor and a nurse. We also offer free confidential counselling from our qualified psychologist and specialised support for students with a disability.

CULTURAL DIVERSITY
Bond University provides a caring, inclusive and respectful environment with support, social networks and clubs for students of different races, religions and cultural backgrounds, including LGBTIQ and First Nations students.

RESPECT. NOW. ALWAYS
Bond University and the Bond University Student Association (BUSA) are jointly committed to a healthy culture of respect and responsibility that provides for a safe and supportive campus for everyone.

DEDICATED INTERNATIONAL STUDENT SUPPORT
Bond has a strong contingent of international students, coming from over 80 countries. Our specialist International Student Team can help you manage any issues relating to Student Visas, Overseas Student Health Cover (OSHC), English language tutoring and personal counselling.
Alan has been an adjunct and full-time Professor at Bond for eight years, teaching subjects related to his experience in property, construction, project management, and psychology and counselling.

“I endeavour to never lose sight of the Bond teaching philosophy. At Bond, it’s a cultural value among teaching staff to equip our students to be the best they can be in the workplace for a career that’s nothing short of spectacular.

When you teach in such a beautiful combination of built and natural environments, and working with bright young minds who will shape our businesses, our industries and our world in the future, it’s a privilege.”
Whether you want to change the world, change your community or change your life, the journey to your future starts on campus at the Career Development Centre (CDC).

From your first weeks at University, our team of qualified Employment Services Specialists can help you develop your career goals or guide you through the career change process. They offer a range of workshops, seminars and networking functions, and will work with you one-on-one to identify career opportunities, write applications and resumes, make connections with key employers and recruitment agencies, and prepare for interviews.

You’ll find job listings in 24 countries worldwide on the online careers and employment portal, which can put you in contact with graduate recruitment representatives in your field. They also host Bond’s annual Job and Internship Fair.

The CDC also serves as the vital link between students and our industry partners to manage internships and placements that offer practical experience and potential career contacts with leading Australian and international employers.

Ongoing career support is available to all Bond students even after they graduate, providing you with life-long advice and guidance, as well as access to the online careers portal.

For more information about the CDC please visit bond.edu.au/cdc.

As a Bond graduate, you will become a member of a worldwide alumni network, providing you with contacts, support and friendship wherever you may go.

On campus, you’ll benefit from the global perspectives and experience they bring to the classrooms, discussions and group assignments. You’ll also form lifelong friendships and empowering relationships with people from all over the world.

These connections are maintained and developed long after you graduate through Bond’s active Alumni Association.

With more than 25,000 graduates now living and working in over 130 countries, you’ll find Bond Alumni Committees active in every corner of the globe; willing to offer help, friendship and professional connections.

Our Alumni also play an active role in life on campus:
- Offering our students exclusive work experience opportunities, internships and clinical placements;
- Sharing their wealth of life and career experience as regular guest speakers and lecturers;
- Partnering with individual students through our Alumni Mentor Program; and
- Contributing to the University’s Ambition Fund.

“I absolutely love the learning environments at Bond including the library, Balnaves Multimedia Learning Centre, the studio and computer labs. The lecturers have been very helpful, approachable and supportive throughout my degree. The industry connections and exposure to industry experts has definitely been a highlight of my experience at Bond.”
Bond University provides options for all levels of tertiary study - from English language and academic preparation programs through to full bachelor, master and doctorate degrees.

**STUDY ABROAD PROGRAM**
Bond's Study Abroad Program gives you the opportunity to come to Bond for one or two semesters and study a wide range of subjects from our undergraduate and postgraduate degrees.

Our three semester structure gives you the flexibility to start in January, May or September, making it easy to fit a Study Abroad semester into your existing study schedule or in your summer break.

And, depending on the subjects you choose at Bond, your home university may credit your Study Abroad subjects towards your degree so you'll still finish in the same timeframe.

Visit bond.edu.au/study-abroad to see our Study Abroad and Exchange Guide for more information.

UNDERGRADUATE PROGRAMS

Bachelor Degree
Admission to a bachelor degree is usually based on high school academic results and English language criteria. See page 69 for country-specific entry requirements.

Pathway Options
If you don’t meet the academic entry requirements for your chosen bachelor degree, you could study the Bond University College Foundation Program or a Higher Education Diploma at Bond University College as a pathway first. See page 28 for further details.

POSTGRADUATE PROGRAMS
Admission to postgraduate coursework degrees generally requires a bachelor degree from a recognised university, however in some cases, extensive career experience in a relevant industry may meet the entry criteria.

HIGHER DEGREES BY RESEARCH (HDR)
Admission to HDR programs generally requires a bachelor degree with Class I or Class II Honours, a postgraduate qualification incorporating a significant research component, or a record of significant research experience deemed to be of a comparable standard to a bachelor degree with Class I or Class II Honours. See page 65 for further details.

ENGLISH LANGUAGE ENTRY REQUIREMENTS
Bond University has specific English language entry requirements for each of our programs. See page 66 for further details.

CREDIT TRANSFER
You may be able to transfer subject credits into your chosen Bond degree for previous tertiary studies in a relevant or related field. You can apply for a credit transfer using the Bond University application form by including certified copies of transcripts from your previous studies, detailed course outlines and subject descriptions. For more information, visit bond.edu.au/credit.

GRADUATE SOONER WITH OUR THREE SEMESTER SYSTEM
Bond’s teaching calendar is based on three semesters per year, rather than the usual two. Our programs start earlier in the year, with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree or an undergraduate and postgraduate degree in less time than it would take to complete a single degree at another university.

Our semester start dates are in January, May and September to give you more flexibility about when you start your degree.

STUDY SCHEDULE
International students must commit to a full-time study load as a requirement of their Australian Student Visa. A full-time study load is the equivalent of four subjects per semester or 40 credit points.
If you don’t meet the entry requirements for your chosen degree, Bond University offers a range of pathway programs to help you achieve the academic and English language requirements you need. Our pathway programs are delivered on campus by Bond University College where you will benefit from extra hours of face-to-face teaching in a small class, mentoring environment.

Bond University College is located in the heart of the Bond University campus. You will have access to all of the University resources and facilities and will be welcomed as a fully fledged member of the University community from the day you arrive.

**Academic Pathways**

**BOND UNIVERSITY COLLEGE FOUNDATION PROGRAM**

- **CRICOS Course Code**: 063151G
- **Duration**: 8 months (2 semesters)
- **Starting**: January, May, September

The Bond University College Foundation Program has been specifically designed for international students as a pathway into first year undergraduate study. You will learn the core skills necessary for academic success, delivered by experienced and supportive teachers in small, personalised classes. Successfully passing the Foundation Program will allow entry into most undergraduate programs, however, entry into the Bachelor of Laws requires a GPA of 70% or higher.

Subjects for the Foundation Program include:
- Academic Skills
- Introduction to Entrepreneurship and Innovation
- Foundation Mathematics 1
- Introduction to Multimedia
- World History and Politics
- Foundation English 1
- Foundation English 2
- Plus one of either Society and Culture, Introduction to Economics, Foundation Mathematics 2 or Elementary Maths

**PATHWAYS TO BOND UNIVERSITY**

**HIGHER EDUCATION DIPLOMAS**

- **Duration**: 8 months (2 semesters)
- **Starting**: January, May, September

Our diploma level studies provide a pathway for students who do not meet the academic or English language requirements for direct entry into their chosen bachelor degree, or who would prefer to start their university journey in a more supported environment. Successful completion of your diploma qualifies you for entry into a Bond bachelor degree, with varying credit.

- Diploma of Business (CRICOS 078663E)
- Diploma of Communication (CRICOS 078664D)
- Diploma of Criminology (CRICOS 078658B)
- Diploma of Health Sciences (CRICOS 093260K)
- Diploma of International Hotel and Tourism Management (CRICOS 088313M)
- Diploma of Legal Studies (CRICOS 080298C)
- Diploma of Sport Management (CRICOS 078901G)

*The average Bond University undergraduate degree is two years but may be longer in some areas of study.*
ENGLISH PATHWAYS TO FURTHER STUDY

**GENERAL ENGLISH (GE)**  
CRICOS Course Code 065668G  
**Duration:** 10 weeks per level  
**Starting:** Every 10 weeks (See website for preferred starting dates).  
Improve your skills in speaking, listening, reading and writing English for everyday use. Classes are available at six levels graded from Beginner to Advanced.

**ENGLISH FOR ACADEMIC PURPOSES (EAP)**  
CRICOS Course Code 066082C  
**Duration:** 14 weeks (1 semester) per level  
**Starting:** January, May, September  
Improve your academic English and study skills to meet the criteria for direct entry to selected programs. EAP is a full-time program incorporating three levels, with each level taking one semester (14 weeks) to complete. The College’s three-semesters-per-year schedule allows you to complete all three levels in one year. EAP can be combined with General English for students whose levels are below IELTS 5.0 before arrival and intend to continue their studies in an undergraduate or postgraduate degree.

**EAP Level 3**  
Distinction grade  
Equivalent to IELTS 7.0

Students who attain a grade of Distinction or higher in EAP 3 will be eligible for entry into University programs that have an entry requirement of IELTS 7.0 and no band less than 6.5. Due to specific accreditation requirements, the Medical Program®, Doctor of Physiotherapy, Master of Psychology (Clinical) and Master of Occupational Therapy require a formal English test.

**EAP Level 3**  
Pass grade  
Equivalent to IELTS 6.5

Students will be eligible for entry into programs that have an IELTS entry requirement of 6.5 with no band less than 6.0.

**EAP Level 2**  
Credit grade  
Equivalent to IELTS 6.0 with no band less than 6.0

Students will be eligible for entry into the Bachelor of Actuarial Science, Master of Finance or Master of Actuarial Science.

**EAP Level 2**  
Pass grade  
Equivalent to IELTS 6.0

Students will be eligible for entry into Bond University Higher Education Diplomas.

**EAP Level 1**  
Pass grade  
Equivalent to IELTS 5.5

Students will be eligible for entry into Bond University College Foundation Program.

**General English**  
(GE Level 1 - 6)  
Equivalent to IELTS 1.0 - 5.0

Students will be eligible for entry into Bond University College Foundation Program.

**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)**
In 2018, Bond’s Health Sciences and Medicine was rated 5 Stars for Education Experience by the Good Universities Guide.

Replicating a hospital ward, the Bond Virtual Hospital is the first of its kind and offers clinical teaching sessions with simulated patients, allowing students to learn vital skills in a real life setting.

The Faculty houses the Clem Jones Research Centre for Regenerative Medicine, the Centre for Urology Research and the Clinical Education and Research Centre (a collaboration with Queensland Health).
Bond University has state-of-the-art clinical skills rooms with purpose-built clinical facilities that reflect what is currently being used in clinical practice. They provide practical experience for students studying medicine, nutrition and dietetics, and physiotherapy programs. The largest clinical skills room is designed to simulate a hospital setting where students learn by computerised simulation, through patient actors and human patient simulators (fully interactive mannequins).

Bond University Medical, Physiotherapy, and Nutrition and Dietetics students get the opportunity to take overseas placements as part of their program in countries such as the Solomon Islands, Vietnam, Malaysia, Hong Kong, South Africa, India, USA, Sweden and New Zealand. The picture above is of our Solomon Islands medical experience.

The Bond Institute of Health & Sport is located just 4km away from the main Bond University campus, and houses students studying in Occupational Therapy, Nutrition and Dietetics, Sport and Exercise Science, and Physiotherapy programs. The Institute boasts a high performance gym, health and sport science laboratories, pool and temperature contrast pools, altitude room, clinical skills rooms, and dedicated Occupational Therapy and Physiotherapy teaching spaces. Conference and meeting facilities, a multimedia study centre and on-site cafe are also in the building.

English Language Requirements

All Bond degrees have specific English language entry requirements, which students can meet in a variety of ways.

If an applicant provides evidence that fits under more than one category, then the most recent evidence will be used for admission.

For updated information, please visit bond.edu.au/english-requirements.

APPROVED ENGLISH LANGUAGE TEST
The university accepts the following English language tests for entry into our programs:
- IELTS
- TOEFL iBT
- Cambridge English Advanced (CAE)
- Pearson Test of English Academic (PTE)

Please note that approved English language test results must have been achieved not more than 24 months before the applicant commences their degree. Specific English language test results for programs can be found on the following page.

SUCCESSFULLY COMPLETED EDUCATION IN ENGLISH
Applicants who are able to present evidence of successfully completed secondary education (equivalent to Australian Senior Certificate of Education) or greater that was taught and assessed in English in one of the countries listed below where English is the first language are not required to submit an English language test with their application:
- Australia
- Canada
- England
- New Zealand
- Northern Ireland
- Republic of Ireland
- Scotland
- Singapore
- South Africa
- United States of America
- Wales

STUDENTS FROM INTERNATIONAL SECONDARY SCHOOLS WHERE THE FULL MEDIUM OF INSTRUCTION IS ENGLISH
Applicants to undergraduate programs from overseas international secondary schools where the full medium of instruction is English (such as members listed at cois.org) will be required to submit a letter from the Principal certifying the medium of instruction unless evidence to that effect is located on the transcripts.

Please note: In the interests of ensuring students' academic competency, students admitted under any of the above, who are having academic difficulties due to English language, may be asked to undertake an English language test at the discretion of the faculty of enrolment.

BOND UNIVERSITY COLLEGE'S ENGLISH FOR ACADEMIC PURPOSES
An applicant may use Bond University College's English for Academic Purposes (EAP) to meet English language entry requirements for foundation, diploma and undergraduate and postgraduate degrees. For further information on the different EAP levels and pathways into the University, please see page 29.

These entry requirements are correct at time of printing and are subject to change.

For more information on English Language Requirements please visit, bond.edu.au/english-requirements.
