Instructions:

1. Students - Please refer to the host institution's web page and handbook in order to choose your subject selection for your semester abroad. You must have the subjects you nominate approved by your Faculty before returning to the Bond International Office. You should note subjects at your host institution are subject to change. You should therefore choose additional subjects in the event that original nominations are not on offer when you arrive at your host institution.
2. Faculty Advisors - Please sign your approval in the appropriate column below, and ensure the student has chosen at least six subjects for approval. If the student is seeking unspecified credit please write "Faculty Elective" ie. FSD elective or FOB elective OR "General Elective" in the Bond University column.
