

Honorary Adjunct Title Criteria and Medical Program Matrix

The following matrix guides the decision making with respect to level and term of appointment and the route for recommendation and approval:

| Bond Classification | Public Sector Descriptor | Bond Title Criteria | Medical Program Title Criteria |
|--|--------------------------|--|---|
| <p>Teaching Fellow (2 years or 3 years if Bond graduate: Recommended by Medical Program Executive to Executive Dean)</p> | Assistant Lecturer | A Teaching Fellow is expected to contribute to the teaching effort of the Faculty and University, particularly at undergraduate and graduate certificate and diploma levels and to carry out activities to develop their scholarly and professional expertise relevant to their discipline or profession. | <p>PGY1-Y3 An Adjunct Teaching Fellow will be a graduate from a medical program with up to three years' clinical experience who holds general but does not hold specialist registration with the Australian Medical Board.</p> <p>The Medical Program may also offer an honorary appointment to Professionals who are not medically qualified but who have graduated recently with a degree in a relevant field. This would include Nursing and other Allied Health Professionals who often contribute significantly to the student experience at Bond.</p> |
| <p>Senior Teaching Fellow (2 years or 3 years if Bond graduate: Recommended by Medical Program Executive to Executive Dean)</p> | Assistant Lecturer | A Senior Teaching Fellow is expected to make a significant contribution to the teaching effort of the Faculty and University, particularly at undergraduate and graduate diploma levels and to engage in activities that develop the scholarly and professional expertise that they bring to their teaching. | <p>PGY4 up to Consultant An Adjunct Senior Teaching Fellow will be a graduate from a medical program with more than three years' clinical experience who holds general but does not hold specialist registration with the Australian Medical Board.</p> <p>The Medical Program may also offer an honorary appointment to Professionals who are not medically qualified but who hold a degree in a relevant field and have less than seven years' postgraduate experience. This would include Nursing and other Allied Health Professionals who often contribute significantly to the student experience at Bond.</p> |
