

# ★ YOUR JOURNEY TO SUCCESS ★

**SO, YOU'RE READY TO START A SCHOLARSHIP APPLICATION?** Below you will find a few tips to help you on your journey. Further information on our scholarship program can be found at [www.bond.edu.au/scholarships](http://www.bond.edu.au/scholarships) or email [scholarships@bond.edu.au](mailto:scholarships@bond.edu.au).

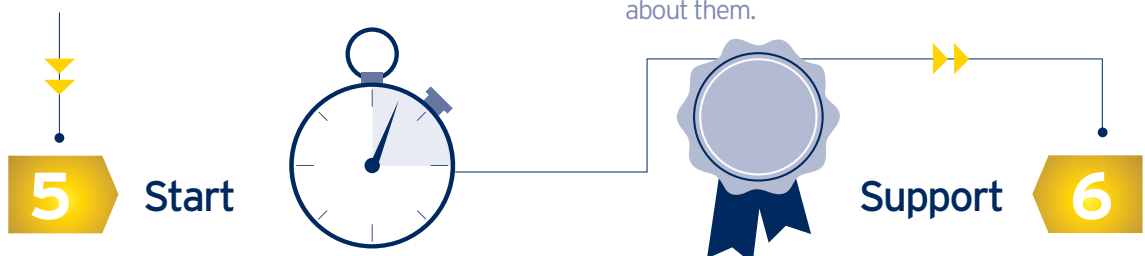

Review our website and check which scholarships you are eligible to apply for. We encourage you to apply for as many scholarships as you believe you are eligible for.

It's important that you speak to your parents and school about your application. Let them know you are applying and ask them if they agree with your scholarship choices.

If you are applying for one of our sponsored scholarships such as our Bartercard Scholarship, make sure you go online and do some research. Remember, the sponsors will read your application so be sure to impress them!

At Bond, we look beyond academic grades. We look for all-round students who demonstrate leadership skills and involvement in community and extracurricular activities. Get involved in activities outside of the classroom and tell us about them.

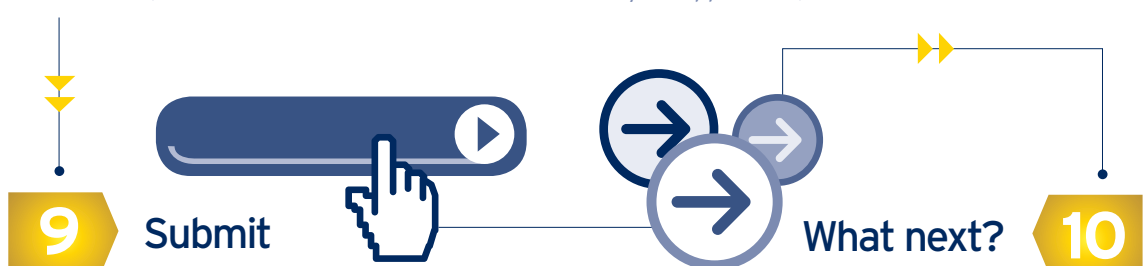

We suggest you get started as soon as possible. Starting an application is simple. You can save your work and come back to it at anytime. Explore the application form and check what is required by the application closing date.

It's important to provide us with specific documents to support your application. You will be asked to provide your Year 11 and 12 school reports, a summary of achievements, a personal statement and details of a referee from your school. You can attach these documents as soon as they are available to you.

Make sure you proof read your application. Check your spelling and grammar and ensure you have attached everything that is required. Once you have submitted you cannot make any amendments, so take the time to check it over.

Check your email regularly. We will be sending you reminders and information via email throughout the application process. We are here to help so if you have questions with regards to your application, contact us!

Once you are ready, please ensure you fully submit your application. Applications close midnight July 31. All applications must be fully submitted by this date, no late applications will be considered. You will be sent a confirmation email once you have successfully submitted your application.

Take a deep breath... the hard work is done. Once the deadline has passed, we will send all submitted applicants an email with information on the next steps and key dates - make sure you put these in your diary. We will keep you updated on the progress of your application so be sure to keep an eye on your email.
