STAND OUT
FROM THE CROWD

2020 INTERNATIONAL GUIDE
There are a lot of universities in the world, and it is your time to decide which one is right for you to achieve your ambitions, both as an individual and as a professional.

Do you want to follow the crowd and be the same as everyone else?

Or do you want to stand out. Be your own person. Ready to take the lead and make a real difference in the world?

At Bond University, we believe that this is not just about having a degree: it’s about having an international outlook, global connections, the independence and people skills that come from moving outside your comfort zone and experiencing other cultures.

Australia is one of the world’s safest destinations for international students and Bond’s home town – the Gold Coast – welcomes 32,000 overseas students each year from more than 130 countries.

Bond University is uniquely designed to support these students through every aspect of their overseas study experience. With less than 5,000 students on campus and one of the lowest student:teacher ratios in Australia, we offer a highly personalised learning environment of small classes and face-to-face teaching where our lecturers know their students by name and our students all know each other.

We have a dedicated International Student Support Team offering guidance, counselling and connections with academic tutors, English language programs, mentoring and buddy / friendship programs. We also have an active student association that organises events, on-campus clubs, sporting teams and social nights.

I can guarantee that you won’t get lost in the crowd at Bond. Yes – you’ll have to work hard and study hard, but you’ll also meet lots of new people, build a worldwide network of friends and business contacts, and learn so much more about yourself and what you are capable of.

We look forward to welcoming you to Bond University and sharing ‘our’ Australia with you as part of a study experience that will quite literally change your life.

Professor Tim Brailsford
Vice Chancellor and President
Indian Bachelor of Construction Management and Quantity Surveying Alumnus, Harsh Shukla, was part of the University Student Ambassador Program, a large network of active volunteers who are rewarded for their contribution to the University community.
On 23 April, 1987, Bond University was given its University status by an Act of the State of Queensland’s Parliament.

Modelled on the traditions of the world’s best educational institutions to provide an educational experience of the highest international standards, the University continues to be recognised both in Australia and internationally as a leading not-for-profit university, where 100% of tuition fees are reinvested in ensuring our students have access to world-class facilities and learning resources, and learn under the guidance of expert academics.

Bond University is recognised as an accredited Australian university by the Tertiary Education Quality and Standards Agency (TEQSA). Bond’s programs for international students are registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

3 FULL SEMESTERS PER YEAR
Finish your degree faster with semesters commencing in January, May and September.

10:1 STUDENT: TEACHER RATIO
Lowest in Australia
Bond University is located on the Gold Coast – Australia’s sixth largest city. International students choose Bond University not only for our quality education, but for the warm climate and the unique mix of natural attractions and sightseeing opportunities right on our doorstep.

- Take a surfing lesson at Burleigh Heads Beach
- Hike up Mount Warning and catch the sunrise at the top
- Take a day trip to Byron Bay, Springbrook or Brisbane
- Eat like the locals at Miami Marketta or The Collective Palm Beach
- Get up close and personal with some local furry friends at Currumbin Wildlife Sanctuary
- Shop till you drop at Pacific Fair, Harbour Town or Robina Town Centre
- Finish up a week of study by heading out to party at Surfers Paradise and Broadbeach
- Go to one of the Coast’s many music and arts festivals
- Get an adrenaline rush at one of the Gold Coast’s theme parks
- Attend a Gold Coast Titans rugby league or Gold Coast SUNS AFL home game

POPULATION OF MORE THAN 500,000 PEOPLE

AVERAGE TEMPERATURE: 15C - 25C

300 DAYS OF SUNSHINE A YEAR

57KM OF COASTLINE
Bond Institute of Health & Sport
(located a short 8 minute drive from campus)

Programs and research based at the Institute:
• Exercise and Sports Science
• Nutrition and Dietetics
• Occupational Therapy
• Physiotherapy
ACCELERATED PROGRAMS
Bond’s teaching calendar is based on three semesters per year, rather than the usual two. Our programs start earlier in the year, with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree or an undergraduate and postgraduate degree in less time than it would take to complete a single degree at another university.

Our semester start dates are in January, May and September to give you more flexibility about when you start your degree.

MORE INTENSIVE, PERSONALISED CLASSES
There is a big difference between being one of 25 students in a class and a face in a crowd of up to 500.

Bond’s student: teacher ratio is one of the lowest in the country and our lecturers’ doors are always open. This means you’ll get more personalised, hands-on advice and support with your studies.

BOND’S UNIQUE CORE CURRICULUM FOR UNDERGRADUATE STUDENTS
At Bond University, we recognise that people have many careers throughout their lives where they require the soft skills to problem solve and apply their education to a variety of occupations. As a result, in every undergraduate degree (including our Higher Education Diplomas), we have embedded our three Bond Core subjects plus our professional development and community engagement program, Beyond Bond.

This Core Curriculum teaches skills that are highly valued in contemporary organisations and will be essential to your personal and professional life in any current or future profession, regardless of discipline.

Bond’s Core subjects are:
- Critical Thinking and Communication
- Leadership and Team Dynamics
- Ethical Thought and Action

bonds.edu.au/core-curriculum

BEYOND BOND
Beyond Bond ensures every undergraduate student develops key employability and interpersonal skills through your choice of internships, volunteering, participation in global competitions and a broad range of extracurricular professional activities - all available from your first semester.

Administered by the Career Development Centre, this free program is personalised and tailored to your specific interests and career goals, presenting a life-learning experience like no other.

Beyond Bond is a core requirement of all Bond’s undergraduate degrees, forging the vital link between our students and key contacts in their chosen professions.

bonds.edu.au/beyond-bond

Graduate sooner. Achieve your goals faster.
“Studying overseas was a challenging step for me to take. However, the amount of support I have received, not only from the teachers and professors, but also from other services that Bond University offers is outstanding.

With the multiple opportunities Bond provides to gain valuable work experience including Beyond Bond, I am confident that I will achieve my future career goals.

This, in combination with a beautiful campus, professional educators and amazing peers, has made Bond University the ideal place for me to start my professional journey.”

HELENE NORMAN
Bachelor of Business Law
Sweden
The future will demand a totally new way of thinking: The old 9-to-5 employment model is already breaking down; technology has decentralised the workplace; small ideas have the potential to spark big businesses.

ENTREPRENEURSHIP AND INNOVATION

At Bond, we've engineered our programs to focus on developing adaptive, tech-savvy and future-focused graduates with a strong entrepreneurial streak.

You can major in Entrepreneurship and Innovation, create your own business enterprise, and bring entrepreneurial attitudes to any field you choose to study.

We’ll introduce you to industry leaders, CEOs, venture capitalists and start-up innovators.

And you’ll have the chance to develop, pitch and create your own concepts through internal and international initiatives like Bond Business Accelerator, Transformer, Gold Coast Demo Day, The World’s Challenge Challenge and Pitch@Palace.

TRANSFORMER PROGRAM

This free co-curricular program brings students together from all Faculties and disciplines to collaborate on a project of their own choosing or contribute to one of the many other ongoing projects. Whether you’re interested in social welfare, environmental issues, community health or developing new technologies, Transformer will show you how to apply entrepreneurial thinking to creative problem solving.

Working in teams of students who each bring different knowledge, perspectives and ideas, you’ll have access to industry experts, mentors, academic coaches, workshops and a cutting edge 24/7 co-working space.

Bond University Alumna and Pitch@Palace Finalist, Alisha Geary pitches her luxury activewear business, Faebella, to His Royal Highness, the Duke of York, Prince Andrew and an audience of high profile investors, entrepreneurs, influencers and business leaders.
LEARN BY DOING

You can’t learn everything you need to know about life from a textbook. That’s why a large part of your time at Bond involves putting theory into practice and building life experience.

LEARN FROM INDUSTRY LEADERS
Our academics don’t just teach. They consult to major companies, liaise with global governments, present at international conferences and work on ground-breaking research. You’ll learn from their real-life case studies and the industry leaders they bring to campus as guest lecturers and mentors.

EXPERIENCE THE REAL WORLD
At Bond University, we break down the barriers between the classroom and the real world, giving our students access to practical experience, current workplace knowledge and industry contacts through internships, clinical placements, study tours, projects, global competitions and more.

- Our Business students learn from entrepreneurs and start-ups in Silicon Valley;
- Our Law students argue mooting cases in Hong Kong, Beijing, Canada and Queensland’s own Supreme Court;
- Our Sports Science students work with elite athletes and professional teams from all over the world; and
- Our interns travel to amazing global cities such as Washington DC, Paris, London and New York.

GET READY FOR THE WORKFORCE
As a small university, our Career Development Centre works with every student to arrange relevant internships, employer placements, work experience and industry projects – not just towards the end of your degree, but from day one.

INTERNATIONAL EXCHANGE
Bond has international exchange agreements with more than 80 leading universities worldwide. Expand your global horizons and increase your employment prospects by studying, living and working in another country.

TOOLS OF THE TRADE
From our film and television studios to the Macquarie Trading Room, we have the very latest tools and technologies all here on one campus. And our small, personalised classes mean that everyone gets the chance to use them.

- More Bloomberg terminal access than any other university in Australia;
- One of the largest film and television production facilities in South-East Queensland;
- Paperless e-courtrooms;
- High altitude sport and exercise training rooms;
- Digital fabrication labs;
- Clinical skills rooms; and
- 3D printers, robots, simulators and more.

START YOUR CAREER NOW - WORK WHILE YOU STUDY
Your Australian Student Visa allows you to work up to 40 hours per fortnight. Bond’s Career Development Centre may be able to help you find part-time work in your chosen field or industry while you’re studying at university.
Our team of experienced specialists are available on campus at any time to help you with everything from subject enrolment, tutoring and study support through to personal security and counselling.

ACADEMIC SUPPORT
Our academics and Faculty support staff know their students by name. Their open-door policy makes it easy to ask for help at any time.

ACADEMIC AND ENGLISH LANGUAGE SUPPORT
The Student Learning Support team offers personalised help, with free one-on-one consultation sessions that students can book up to once per week for help with assignments and workshops in academic writing, time management, oral presentations, exam preparation and much more. Please note that this service is provided to General English and English for Academic Purposes students already from their teachers.

IT / TECH SUPPORT
The IT Service Desk knows everything about our technology and computer systems, from Wi-Fi and mobile access through to audio-visual and conferencing equipment.

MENTORING
Our alumni and industry connections are ready, willing and available to provide personal guidance and valuable career advice.

CAREER PREPARATION
Connect with the Career Development Centre from day one to access free workshops and one-on-one careers guidance. Their qualified Employment Services Specialists will also facilitate your industry internships and placements.

24 / 7 SECURITY
Your safety is our number-one priority, and our Security team are available on campus 24 / 7. You can drop by their office or give them a call if you ever need assistance.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)
BUSA gives students a voice on campus by providing advocacy and support. It is also a vital information hub, connecting you to social networks, clubs, associations and co-curricular activities. For more information, visit busa.com.au

HEALTH AND WELLBEING
Our on-campus Medical Clinic is staffed full-time by a doctor and a nurse. We also offer free confidential counselling from our qualified psychologist and specialised support for students with a disability.

CULTURAL DIVERSITY
Bond University provides a caring, inclusive and respectful environment with support, social networks and clubs for students of different races, religions and cultural backgrounds, including LGBTIQ+ and First Nations students.

RESPECT. NOW. ALWAYS
Bond University and the Bond University Student Association (BUSA) are jointly committed to a healthy culture of respect and responsibility that provides for a safe and supportive campus for everyone.

DEDICATED INTERNATIONAL STUDENT SUPPORT
Bond has a strong contingent of international students, coming from over 90 countries. Our specialist International Student Team can help you manage any issues relating to Student Visas, Overseas Student Health Cover (OSHC), English language tutoring and personal counselling.
FRANCISCO BRIGNONE
Master of Sport Management
Argentina

“The highlight of my time at Bond so far has been the wide range of people I have met from countries all around the world and the exposure to different languages and cultures.

Also, the small class size allows better access to the lecturers to learn from their experience and the industry opportunities provide the chance to gain experience during our studies.

As a result of these opportunities, I recently completed an internship with the U20 Australia Rugby Team as part of the Oceania Championship which will help me to know how I want to progress my career in sports management.”
Life as a student at Bond is a richly rewarding experience leading to genuine friendships and professional connections.

GLOBAL COHORT
Our campus is home to a truly diverse mix of students from all corners of the globe who will challenge and inspire you by opening your eyes to a world of new perspectives. They’re highly motivated to succeed, they’re actively engaged in campus life and they’ll ensure you never feel lost or alone.

ORIENTATION
Bond offers a dedicated orientation session for all new international students to help you find out more about studying and living in Australia and meet other new students from around the world before classes start. Our experienced staff and current students will be on hand to provide important information about studying at Bond, what to expect in your first semester, student associations to be involved in, as well as answer any of your questions. You can also join campus tours and a wide variety of social activities to get to know the campus and local area.

CLUBS AND SOCIETIES
Bond University is renowned for its friendly vibe and active social life, which centres on the huge variety of campus clubs, societies and student events.

They range from academic societies such as the Journalism Students’ Association and Law Students’ Association through to community welfare, sporting, professional, political and special interest groups.

Our international students can connect with friends from home at on-campus cultural organisations such as the Pacific Islanders Student Association, the Chinese Students’ Association, the Canadian Law Students’ Association and more; while religious clubs support our Christian, Jewish and Muslim students (a prayer room is located on campus).

EVENTS ON CAMPUS
There’s always something happening on campus, starting with our welcome ‘Jingerri’ barbeque held each semester by the Student Society for Indigenous Awareness. There is also Wednesday by the Water - a weekly free barbeque lunch on the banks of Lake Orr.

Other groups hold film nights, fundraisers and social get-togethers, and, in honour of our diverse global cohort, various clubs organise special celebrations to coincide with international and multicultural festivals, including the Super Bowl, Canada Day, Chinese New Year and our Global Food Festival.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)
Student activities are organised under the umbrella of BUSA which also serves as the student representative body on academic and administrative issues.

All students pay a Student Activities Membership (SAM) fee each semester which covers the cost of their membership to all University clubs and societies, and access to all facilities and classes at the Bond University Sports Centre.

RELIGION
Australia is a multicultural society where you are free to practise your religion. Most of the world’s religions are represented on the Gold Coast, and you will find many places of worship near campus. As a Bond student, you will be supported in your faith through a number of religious clubs and societies, as well as a multifaith prayer room. All food outlets on campus serve halal and vegetarian food options.

FOOD
Between our small classes and active social life, you’ll know almost everyone on campus by the end of your first semester. And you’ll find plenty of places to catch up with your new friends for coffee, lunch or a night out without having to leave the campus:

- Lakeside Bar and Restaurant - A collective dining experience with food from every corner of the globe
- Bond Express - Our on-campus convenience store, also serving snacks and beverages
- Papyrus Café - For hot and cold drinks, light meals and snacks
- Don’s Tavern - Our fully licensed bar and social hub of the University
- University Club - Gourmet a la carte fine dining overlooking Lake Orr
- Coffee Cart at Palm Court - For a quick caffeine or sugar fix
- Kinetic Café - At the Bond Institute of Health & Sport
- Pulse Café - For hot and cold drinks, light meals and snacks

Just outside the campus, you will find even more options for eating and socialising at Varsity Lakes Market Square, which has coffee shops, restaurants, a pub and a supermarket.

SPORT AND FITNESS
Bond offers a variety of opportunities to get involved in sports. See page 17 for more information about our Sports Centre, sports facilities, sports clubs and more.
SPORT IS IN OUR DNA

Sport and education are entwined at Bond University. We have a proud sporting tradition and we provide opportunities for students to participate at a social, competitive or professional level.

BOND UNIVERSITY SPORTS CENTRE
The University’s multi-million dollar Sports Centre incorporates a state-of-the-art gymnasium, TRX Suspension Training Studio, boxing circuit training room, Olympic-size swimming pool and a regular timetable of group exercise classes.

The campus also features extensive outdoor sporting facilities for cricket, tennis, rugby and AFL, as well as indoor basketball, netball, futsal, badminton, volleyball and squash courts.

SPORT CLUBS
Joining a sporting club is a great way to meet new friends and Bond has more than 20 to choose from.

Competing under the Bond Bull Sharks banner you’ll have the opportunity to compete in the Australian University Games, the Northern University Games and the Australian University Championships.

HIGH PERFORMANCE SPORTS
Bond has key performance sports including swimming, rugby, rugby sevens, AFL, triathlon and netball, offering world-class coaching, facilities and partnerships to ensure we compete at the highest level both domestically and internationally.

ELITE SPORT PROGRAM
Bond University is a member of the Australian Sport Commission’s Elite Athlete Friendly University (EAFU) Program, which provides flexible study loads and requirements for athletes at the very top of their sport. Athletes competing at a state, national or international level in their chosen sport are invited to apply to the Bond Elite Sport Program.

SPORTS RESEARCH
The Bond Institute of Health and Sport is a world-class teaching and training centre which regularly hosts international athletes and professional teams.

Specialist training and preparation facilities include the strength and conditioning gymnasium, lap pool and temperature contrast pools, the oxygen-reduced altitude training room and the sports science laboratories.

The Institute is also used extensively by students studying exercise and sports science, physiotherapy, occupational therapy, and nutrition and dietetics.

Bond University’s Sports Centre, featuring a world-class gym, state-of-the-art Aquatic Centre, group exercise facilities, and more.
OTHER COSTS

When considering the costs associated with your studies, keep in mind that Bond’s accelerated schedule means you’ll finish your degree sooner and be out in the workforce up to a year earlier than if you went to another university. This time saving also represents a substantial reduction in accommodation and living costs, plus a full year of extra earnings.

Other costs you will need to budget for include:
- Tuition fees
- Visa application fees
- Overseas Student Health Cover (OSHC)
- Student Activities Membership (SAM) Fee
- Flights
- Cost of living
- Other personal and study-related expenses

*Prices are based on a 14 week semester and can vary depending on budget and lifestyle.

**Dining plan is compulsory for those living on campus. Minimum $2,000 per semester.
ACCOMMODATION

Bond is located in a landscaped residential neighbourhood with a wide range of on-campus and off-campus accommodation available for our students within easy walking distance of all University study and recreational facilities.

ON-CAMPUS
On-campus housing offers your choice of air-conditioned single or shared rooms. Residents benefit from one-on-one academic and personal support from the live-in team of Senior Resident Fellows, Resident Student Fellows and Tutor Fellows.

MEAL PLANS
For students living on campus, it is compulsory to have a dining plan. These flexible prepaid plans can be used to purchase meals on campus at Lakeside Bar and Restaurant, Papyrus Café, Don’s Tavern, Coffee Cart at Palm Court, Bond Express, Pulse Café and the University Club.

APPLYING FOR ON-CAMPUS ACCOMMODATION
Our on-campus rooms are in high demand, so we recommend you complete your application as soon as the accommodation booking period opens.

To view rooms online: bond.edu.au/accommodation

HOMESTAY
Homestay accommodation offers students a fully supported living experience with a local host family. Bond University’s homestay program is professionally managed by the Australian Homestay Network.

homestaynetwork.org

OFF-CAMPUS
There is a wide range of rental accommodation surrounding the University if you would like to live off campus. Options include houses or apartments on a single or shared basis with weekly rent varying, depending on size, location and the number of bedrooms. You will also need to budget for a security deposit (bond), food, electricity, telephone, internet and cleaning.

Nearby off-campus accommodation options:
varsitytowers.com.au
therereserve.com.au
thecape.net.au
chancellorlakeside.com.au
centralparkapartments.com.au
brooklynapartments.com.au

SHARE ACCOMMODATION
Students regularly advertise for flatmates in a variety of units, townhouses and larger homes located in suburbs adjacent to the campus (Varsity Lakes, Robina) and further afield.

Popular website:
flatmates.com.au

COUPLE AND FAMILY ACCOMMODATION
There is a variety of rental accommodation available across the Gold Coast, ranging from beachside apartments to suburban family homes near schools, business precincts and retail centres.

Popular websites:
realestate.com.au
domain.com.au
One of the key ways Bond University identifies future leaders is through our scholarship program.

BOND UNIVERSITY SCHOLARSHIPS AND BURSARIES
Bond offers a number of part tuition scholarships and bursaries to international students for undergraduate, postgraduate and research degrees. Applicants will need to demonstrate outstanding academic ability, strong leadership skills and community engagement.

For selection criteria, conditions and application closing dates, visit bond.edu.au/scholarships

AUSTRALIAN GOVERNMENT SCHOLARSHIPS
The Australian government funds scholarships for next-generation leaders from around the world to undertake study and research in Australia. Some of the key scholarships include:

• Australia Awards Scholarships - provides opportunities for citizens of developing countries in Asia, the Pacific, the Middle East and Africa to study full-time in Australia at undergraduate or postgraduate level.
• Endeavour Awards and Fellowships - internationally competitive, merit-based scholarships that support citizens of the Asia-Pacific, the Middle East, Europe and the Americas to undertake study, research and professional development programs in Australia.

For more information on eligibility and application closing dates, visit bond.edu.au/student-opportunity-fund

HELP FROM HOME
Many countries offer their citizens scholarships, grants or some form of student loans for overseas study. For the most up-to-date advice, go to your country’s government website.

Postgraduate and research funding may also be available through your home university, your employer or professional organisations in your country or region.

For more information on Financial Aid for international students, visit bond.edu.au/financing-your-studies

CHARMAINE CHONG
International Scholarship Recipient
Bachelor of International Relations / Bachelor of Laws
Malaysia

“My experience at Bond has been amazing. Being able to finish my combined degree up to a year ahead of the rest and the high quality teaching and learning environments have driven me to come to Bond.

The small classes here have allowed me to engage more with other students and have better relationships with my lecturers. The staff are incredibly kind and helpful which helped me to adjust into a whole new environment very quickly.”
CAREER DEVELOPMENT

Whether you want to change the world, change your community or change your life, the journey to your future starts on campus at the Career Development Centre (CDC).

From your first weeks at University, our team of qualified Employment Services Specialists can help you develop your career goals or guide you through the career change process. They offer a range of workshops, seminars and networking functions, and will work with you one-on-one to identify career opportunities, write applications and resumes, make connections with key employers and recruitment agencies, and prepare for interviews.

You’ll find job listings in 24 countries worldwide on the online careers and employment portal, which can put you in contact with graduate recruitment representatives in your field. They also host Bond’s annual Job and Internship Fair.

The CDC also serves as the vital link between students and our industry partners to manage internships and placements that offer practical experience and potential career contacts with leading Australian and international employers.

Ongoing career support is available to all Bond students even after they graduate, providing you with life-long advice and guidance, as well as access to the online careers portal.

For more information about the CDC please visit bond.edu.au/cdc.

GLOBAL ALUMNI

As a Bond graduate, you will become a member of a worldwide alumni network, providing you with contacts, support and friendship wherever you may go.

On campus, you’ll benefit from the global perspectives and experience they bring to the classrooms, discussions and group assignments. You’ll also form lifelong friendships and empowering relationships with people from all over the world.

These connections are maintained and developed long after you graduate through Bond’s active Alumni Association.

Our Alumni also play an active role on campus:
• Offering our students exclusive work experience opportunities, internships and clinical placements;
• Sharing their wealth of life and career experience as regular guest speakers and lecturers;
• Partnering with individual students through our Alumni Mentor Program; and
• Contributing to the University’s Ambition Fund.

With more than 25,000 graduates now living and working in over 130 countries, you’ll find Bond Alumni Committees active in every corner of the globe, willing to offer help, friendship and professional connections.
WHAT CAN I STUDY?

Bond University provides options for all levels of tertiary study - from English language and academic preparation programs through to bachelor, master and doctorate degrees.

ENGLISH LANGUAGE AND ACADEMIC PATHWAYS

Bond University College (see page 72)

Foundation Program: 2 semesters (8 months)
Higher Education Diplomas: 2 semesters (8 months)
English for Academic Purposes
General English

UNDERGRADUATE PROGRAMS

Bachelor: 6 - 8 semesters (2 - 3 years)
Bachelor with Honours: Additional 2 - 3 semesters (1 year) of coursework, seminars and supervised research

POSTGRADUATE COURSEWORK PROGRAMS

Master: 2 - 6 semesters (8 months - 2 years)
Master (Professional): 4 semesters plus 20 week professional portfolio (92 weeks)
Graduate Diploma: 2 semesters (8 months)
Graduate Certificate: 1 semester (4 months)

HIGHER DEGREES BY RESEARCH (HDR)

Doctor of Philosophy (PhD): Maximum 12 semesters (4 years)
Master of Philosophy (MPhil): Maximum 6 semesters (2 years)
UNDERGRADUATE PROGRAMS
BACHELOR DEGREE
Admission to a bachelor degree is usually based on high school academic results and English language criteria. See page 69 for country-specific entry requirements.

PATHWAY OPTIONS
If you don’t meet the academic entry requirements for your chosen bachelor degree, you could study the Bond University College Foundation Program or a Higher Education Diploma at Bond University College as a pathway first. See page 72 for further details.

POSTGRADUATE PROGRAMS
Admission to postgraduate coursework degrees generally requires a bachelor degree from a recognised university, however in some cases, extensive career experience in a relevant industry may meet the entry criteria.

HIGHER DEGREES BY RESEARCH (HDR)
Admission to HDR programs generally requires a bachelor degree with Class I or Class II Honours, a postgraduate qualification incorporating a significant research component, or a record of significant research experience deemed to be of a comparable standard to a bachelor degree with Class I or Class II Honours. See page 65 for further details.

ENGLISH LANGUAGE ENTRY REQUIREMENTS
Bond University has specific English language entry requirements for each of our programs. See page 66 for further details.

CREDIT TRANSFER
You may be able to transfer subject credits into your chosen Bond degree for previous tertiary studies in a relevant or related field. You can apply for a credit transfer using the Bond University application form by including certified copies of transcripts from your previous studies, detailed course outlines and subject descriptions. For more information, visit bond.edu.au/credit.

GRADUATE SOONER WITH OUR THREE SEMESTER SYSTEM
Bond’s teaching calendar is based on three semesters per year, rather than the usual two. Our programs start earlier in the year, with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree or an undergraduate and postgraduate degree in less time than it would take to complete a single degree at another university.

Our semester start dates are in January, May and September to give you more flexibility about when you start your degree.

STUDY SCHEDULE
International students must commit to a full-time study load as a requirement of their Australian Student Visa. A full-time study load is the equivalent of four subjects per semester or 40 credit points.

YOUR OPTIONS EXPLAINED

The John & Alison Kearney Main Library houses over 240,000 ebooks, 120,000 physical items and 75,000 electronic and print journals.
UNIVERSITY OF BRISBANE

For career progression and professional development in the fields of health, medicine, occupational therapy, nutrition and physiotherapy.

Master of Healthcare Innovations  64
Medical Program^  61
Master of Nutrition and Dietetic Practice  62
Master of Occupational Therapy  63
Master of Science by Research (Health Sciences)  64
Graduate Diploma in Healthcare Innovations  64
Graduate Diploma in Nutrition  62
Graduate Certificate in Health System  64
Graduate Certificate in Nutrition  62
Doctor of Physiotherapy  63
Doctor of Philosophy  65

^Please note that direct entry into the Bond Medical Program is currently not available for international students.

There are a number of pathways available to international students to join the Medical Program, including successful completion of the Bachelor of Biomedical Science (in the Pre-Health Professional major), the Master of Occupational Therapy, the Doctor of Physiotherapy or the Master of Nutrition and Dietetic Practice. Upon completion of one of these degrees, and meeting the minimum required GPA, students will be eligible to be considered for selection to enter Year 2 of the Medical Program.

For career progression and professional development in the fields of business law, corporate and commercial law, dispute resolution, international trade law, law and philosophy.

Juris Doctor  56
Master of Laws  56
Master of Legal Administration  56
Master of Laws (By Research)  57
Graduate Diploma In Legal Practice  57
Doctor of Legal Science (Research)  57
Doctor of Philosophy  65

For career progression in a range of research related disciplines.

Masters of Arts (By Research)  57
Master of Laws (By Research)  57
Master of Philosophy  64
Master of Science by Research (Health Sciences)  65
Doctor of Legal Science (Research)  64
Doctor of Philosophy  65

Bond University offers a range of combined degrees. Combined degrees in other combinations are available, please contact the respective program coordinator.

Master of Architecture / Master of Project Management
Master of Business Administration / Master of Accounting
Master of Business Administration / Master of Finance
Master of Business Administration / Master of Project Management
Master of Communication / Master of Project Management
Master of Construction Practice / Master of Project Management
Master of Criminology / Master of Project Management
Master of International Relations / Master of Project Management
Master of Sport Management / Master of Project Management
Master of Sustainable Environments and Planning / Master of Project Management
Master of Valuation and Property Development / Master of Project Management

*Program also available online.

*Please note that direct entry into the Bond Medical Program is currently not available for international students.
Accreditation benefits our students by producing graduates who are ready for the workforce. See bond.edu.au/fsd for a full list of Bond’s accreditations.

**GLOBAL ENDORSEMENTS**

At the forefront of sustainability

Our Sustainability Building was the first building in Australia to achieve a 6 Star Green Star - Education PILOT Certified Rating for design by the Green Building Council of Australia.

**RESEARCH INTENSIVE**

The Faculty of Society & Design houses the Interdisciplinary Centre for the Artificial Mind (iCAM) and the Centre for Comparative Construction Research.

**Annual Abedian School of Architecture Spring Show - Architecture Student Exhibition.**
INDUSTRY LINKS
The Faculty has developed industry partnerships with leading organisations including:

- AECOM
- Amnesty International
- Austrade
- Australian Good Food Guide
- Australian Institute of Building Surveyors
- Australian Institute of International Affairs
- Australian Institute of Project Management
- Australian Institute of Quantity Surveyors
- Australian Property Institute
- Channel 7 Australia
- Channel 10 Australia
- General Electric
- Gold Coast Bulletin
- Lend Lease
- Royal Institute of Chartered Surveyors
- Soheil Abedian
- Smart Erickson
- Sunland Group
- Washington Internship Institute

FILM AND TELEVISION STUDIOS
Students have access to state-of-the-art film facilities and equipment, such as the Sony F65 camera, 35mm and 16mm camera kits, all with Zeiss prime lenses, and high-end Panasonic Cine-HD cameras. There are over 40 editing stations, with Avid Media Composer and Final Cut Pro, Pro-Tools LE and 5.1 HD audio mixing suites, and a fully equipped three-camera digital television studio.

LEVEL UP LAB AND DEVELOPMENT STUDIO
The Level Up Lab is a creative space that is fitted out with state-of-the-art equipment including the latest PC and gaming consoles, virtual reality technologies and an extensive library of game titles. The Development Studio is a cutting-edge teaching space with the latest development software and technology, such as 3D printing, VR / AR and hi-spec PCs.

PSYCHOLOGY CLINIC
A first-class teaching and research facility, the Bond University Psychology Clinic is a private University teaching clinic offering mental health services to the Gold Coast community. Student psychologists working in the Clinic have completed at least four years of full-time equivalent university training in psychology and undertake their internships under the supervision of highly qualified academic staff.

ABEDIAN SCHOOL OF ARCHITECTURE
The Abedian School of Architecture is an award-winning, design-driven professional school, characterised by an international outlook and motivated by the goal of graduating architects capable of shifting the direction of future practice. All students get their own desk and 24 / 7 access to the building, as well as being taught in small, hands-on classes through a collaborative design studio environment.
## UNDERGRADUATE DEGREES

### Architectural Studies

<table>
<thead>
<tr>
<th>Bachelor of Architectural Studies</th>
<th>IELTS</th>

<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>CRICOS Course Code 072544E</td>
<td>6.5 (6.0)</td>
<td>Jan</td>
<td>6 semesters (2 years)</td>
<td>$120,240 ($20,040 per semester)</td>
</tr>
</tbody>
</table>

**PROGRAM DESCRIPTION**
- Designed to create emerging architectural professionals with fundamental competencies in design ability, problem solving, technical skill, and theoretical frameworks, that give graduates the capability to address complex problems of the built and natural environment in the 21st century and beyond.
- Successful completion of this program will enable you to progress to Bond’s Master of Architecture (CRICOS 078184J), which can lead to becoming a Registered Architect.

**CAREER OUTCOMES**
- This program prepares you with theoretical and practical experience relating to design, problem solving, construction and communication that can be applied to a wide range of careers.
- Many graduates establish careers in design studios, virtual environment design (e.g. gaming, cinema and animation), web and graphic design, fashion, advertising, industrial design, arts management and visual arts.

### Construction Management and Quantity Surveying

<table>
<thead>
<tr>
<th>Bachelor of Construction Management and Quantity Surveying</th>
<th>IELTS</th>
<th>Starting</th>
<th>Duration</th>
<th>Fee*</th>

</thead>
<tbody>
<tr>
<td>CRICOS Course Code 078183K</td>
<td>6.5 (6.0)</td>
<td>Jan May Sep</td>
<td>6 semesters (2 years)</td>
<td>$120,240 ($20,040 per semester)</td>
</tr>
</tbody>
</table>

**PROGRAM DESCRIPTION**
- This degree covers a comprehensive range of subjects in the field of construction management and quantity surveying, focusing on the management and delivery of complex construction projects.
- The program addresses a range of topics including construction techniques, contract administration, finance, planning processes, plant and equipment, and risks.
- Contains a strong sustainability theme that equips you with distinctive skills that are highly sought after in the built environment sector.

**PROFESSIONAL RECOGNITION**
- Upon successful completion of this program, you will be internationally recognised by the Chartered Institute of Building (CIOB), the Australian Institute of Quantity Surveyors (AIQS), and meets the educational requirement set by the Queensland Building and Construction Commission (QBCC) for the granting of an Open Builders License.

**CAREER OUTCOMES**
- Construction management
- Contract administration
- Site management
- Facilities management
- Building services
- Quantity surveying
- Property development
- Project management
- Cost management
- General management
- Skills applicable to civil engineering sector

**PATHWAYS**
- The Diploma of Built Environment provides a pathway to the Bachelor of Construction Management and Quantity Surveying for those who do not meet the entry requirements (refer to page 68)

---

*Fees per semester are based on an average calculation of 2020 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)**
CHENGDONG LIN  
Bachelor of Construction Management and Quantity Surveying  
China  

“Bond is a unique private university which provides you with a very rewarding student experience.  

It has been very valuable to learn from lecturers who are leaders in the industry and the assignments are practical and relate to the real world.  

I was able to apply this practical knowledge while gaining work experience with a local quantity surveying company during my studies.”
### Undergraduate Degrees

**Communication**

<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
</table>
| Bachelor of Communication  
CRICOS Course Code 063062J | 6.5** | Jan May Sep | 6 semesters (2 years) | $120,240 ($20,040 per semester) |

**Bachelor of Communication (Business)**  
CRICOS Course Code 063063G

| IELTS | Jan May Sep | 6 semesters (2 years) | $120,240 ($20,040 per semester) |

**Program Description**
- The ideal mix of theory and practice, combining foundational studies in communication and media with focused studies in professional disciplines including journalism and public relations.
- Pursue focused areas of study in the fields of corporate communication, media and advertising.

**BUSINESS PROGRAM**
- The Bachelor of Communication (Business) will provide you with the knowledge and skills to work in marketing, advertising, organisational behaviour and communication.
- Explore the communication and business industry while tailoring your studies to your relevant career ambitions.

**MAJORS**
You will complete six subjects from one of the following specialist areas:
- Advertising
- Communication
- Corporate Communication
- Digital Design

**Creative Arts**

<table>
<thead>
<tr>
<th>Degree</th>
<th>IELTS</th>
<th>Starting</th>
<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
</table>
| Bachelor of Creative Arts  
CRICOS Course Code 092144M | 6.5** | Jan Sep | 6 semesters (2 years) | $120,240 ($20,040 per semester) |

**Program Description**
- Creative industries are a core part of the global emerging services economy, and this innovative program tailors its offerings to students’ unique ambitions and interests.
- Choose from over 40 specialist major options, including Social Media, Advertising, Language, Criminology, International Relations, and Entrepreneurship and Innovation, to name a few.

**MAJORS**
This program contains three major studies:
- A compulsory major in Creative Writing
- A choice of major in a creative discipline
- A choice of major from either humanities or business

**Film and Television**

<table>
<thead>
<tr>
<th>Degree</th>
<th>IELTS</th>

</table>
| Bachelor of Film and Television  
CRICOS Course Code 063066E | 6.5** | Jan May Sep | 6 semesters (2 years) | $120,240 ($20,040 per semester) |

**Bachelor of Film and Television (3 Year Program)**  
CRICOS Course Code 077 410A

| IELTS | Jan Sep | 6 semesters (3 years) | $120,240 ($20,040 per semester) |

**Program Description**
- A heavily hands-on and project-based degree.
- Balances creative practice theory with practical production experience.
- Focused on the key creative areas of directing, producing, screenwriting, cinematography, editing, sound and production design.
- You will gain skills in traditional and emerging production technologies, develop cinema aesthetics, critical faculties, and receive insight into the commercial and industrial aspects of international film and television industry.

**3 Year Program**
- For international students who wish to study via a two semester model where you will study in January and September semesters.

**CAREER OUTCOMES**
- Cinematographer
- Director
- Editor
- Producer
- Production Designer
- Screenwriter
- Sound Designer
- Video Content Producer

**Film and Television Facilities**
You will work on at least nine film projects over the course of your degree. You will have complete access to all 24/7 Film and Television facilities. These come equipped with Hollywood and industry standard state-of-the-art filming technology, with over 40 Mac editing suites, recording studio, digital television studio, audio mixing suites, control room and production suites.

**IELTS Score Details**
- *IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)

<td>6.5 (6.0)</td>
<td>Jan May Sep</td>
<td>6 semesters (2 years)</td>
<td>$120,240 ($20,040 per semester)</td>
</tr>
</tbody>
</table>

**PROGRAM DESCRIPTION**
- Covers a comprehensive range of subjects within the property development and management industry, including construction practices, feasibility studies, finance, investment and valuation, property markets, sustainable development and urban development.
- Opportunity to learn in Bond’s Sustainable Development Building.
- Provides an opportunity to specialise in Property Valuation.

**CAREER OUTCOMES**
- Property valuation
- Property development
- Project management
- Investment
- Finance
- Asset and facilities management

**PATHWAYS**
- The Diploma of Built Environment provides pathways to the Bachelor of Property for those who do not meet the entry requirements (refer to page 68)

### Psychological Science

<table>
<thead>
<tr>
<th>Bachelor of Psychological Science</th>
<th>IELTS</th>
<th>Starting</th>
<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>CRICOS Course Code 063047E</td>
<td>7.0 (6.5)</td>
<td>Jan May Sep</td>
<td>6 semesters (2 years)</td>
<td>$120,240 ($20,040 per semester)</td>
</tr>
</tbody>
</table>

**PROGRAM DESCRIPTION**
- Provides you with a scientific understanding of normal psychological processes such as perception, memory, learning, motivation, psychobiology, personality, emotion, developmental psychology and social relationships, as well as training in abnormal psychology.

**HONOURS**
- An Honours program is available for this degree. Applicants are assessed on merit and must have achieved a minimum GPA of 2.5 / 4.0 for all second and third level psychology subjects in their undergraduate studies.

**COMBINED DEGREE OPTION**
- Bachelor of Psychological Science / Bachelor of Laws (CRICOS 093921M)

**RECOMMENDED STUDY PATHWAYS**
The recommended pathways to becoming a registered Clinical Psychologist are:
- Bachelor of Psychological Science > Bachelor of Psychological Science (Honours) > Master of Psychology (Clinical)
- Bachelor of Psychological Science > Graduate Diploma of Psychological Science > Master of Psychology (Clinical)
- Bachelor of Psychological Science > Bachelor of Psychological Science (Honours) > Master of Professional Psychology
- Bachelor of Psychological Science > Graduate Diploma of Psychological Science > Master of Professional Psychology

**CAREER OUTCOMES**
- Counselling
- Human Resources
- Further studies in psychology leading to careers as a registered psychologist.

### Social Science

<table>
<thead>
<tr>
<th>Bachelor of Social Science</th>
<th>IELTS</th>
<th>Starting</th>

**PROGRAM DESCRIPTION**
- The program aims to prepare prospective teachers of English as a Second Language for their future career and to assist current TESOL teachers in extending their professional knowledge.
- Subject content covers theoretical aspects of language, language teaching, language acquisition and the practical applications of these in language teaching.
- You will complete at least 100 hours of a theoretical component and a minimum of six hours supervised classroom teaching.

**GRADUATE CERTIFICATE**
- Provides the basis for language teaching methodology and its practical applications.

**ONLINE DELIVERY**
- This program is also available online to international students living outside Australia (not available to international student visa holders present in Australia).

**ENTRY REQUIREMENTS**
- Completion of an Australian Qualifications Framework Level 7 Bachelor degree or equivalent in education, language, linguistics, applied linguistics or language related disciplines at an approved institution; or
- Recognised qualification in teacher education; or hold an undergraduate degree, plus a certification in TESOL or a minimum five years' experience in teaching English.
- The Graduate Certificate in TESOL requires an undergraduate degree from an approved institution.
*Online programs are not available to international students who intend to apply for a student visa.

PROGRAM DESCRIPTION
• Developed in collaboration with industry to meet the demands of government and industry.
• Digital micro-credentials for each of the eight introductory modules form the foundation for advanced studies and practical experience leading to successful completion of this Master's program.
• Highly practical and interactive learning, with studio-based capstone project to reinforce assimilation of knowledge, and convert it to practical application.
• Delivered in intensive mode and has the objective of preparing industry professionals to serve as BIM/Lean/IPD managers.

GRADUATE DIPLOMA
• The Graduate Diploma equips you with the knowledge to contribute effectively to the management of the design and delivery of modern construction and infrastructure projects.
• Delivered through a combination of eight micro-credentials, each addressing specific learning opportunities important to industry, two additional taught subjects, and a two subject (equivalent) practical capstone project conducted in a studio environment to reinforce learning. The two additional subjects address utilising BIM to ensure effective continuous process improvement during both design and Lean Construction project phases.

ENTRY REQUIREMENTS
• An Australian Qualifications Framework Level 7 Bachelor degree or equivalent in a related field to the proposed degree.

CAREER OUTCOMES
• Bond’s suite of postgraduate programs in Building Information Modelling (BIM) and Integrated Project Delivery (IPD) has been designed to prepare you to serve the immediate and long-term needs of government and industry as they continue to develop infrastructure and construction projects for the benefit of community.
• Some possible job titles / opportunities include BIM Manager, Project BIM Manager, 3D BIM Consultant, BIM Coordinator, BIM Team Leader, IPD Program Manager, CAD / BIM Specialist, BIM Design Office Manager.

Building Surveying

</table>

PROGRAM DESCRIPTION
• This program covers a comprehensive range of subjects in the field of construction practice, focusing on the management and delivery of complex construction projects.
• Contains a strong sustainability theme which equips you with distinctive skills that are highly sought after in the built environment industry.

PROFESSIONAL PROGRAM
• The Master of Construction Practice (Professional) follows the same structure as Master of Construction Practice with an additional 20 week Professional Portfolio.

COMBINED PROGRAMS
• Master of Construction Practice / Master of Project Management (CRICOS 086028K)

GRADUATE DIPLOMA
• The Graduate Diploma comprises of eight subjects and teaches students from varied backgrounds how to manage building projects – from physical execution to financial analysis and funding.
• Upon completion of the Graduate Diploma, students may choose to complete an additional four subjects to gain a Masters qualification

GRADUATE CERTIFICATE
• The Graduate Certificate is comprised of four subjects and teaches students from varied backgrounds how to manage building projects – from physical execution to financial analysis and funding.

ENTRY REQUIREMENTS
• An Australian Qualifications Framework Level 7 Bachelor degree from an approved institution or equivalent qualification and / or relevant professional experience deemed equivalent by the Executive Dean.

CAREER OUTCOMES
• Building and Construction Management
• Contract Administration
• Site Management
• Facilities Management
• Building Services
• Quantity Surveying
• Property Development
• Project Management
• Cost Management
• General Management

Gain professional recognition by some of Australia’s leading professional bodies.
Learn via intensive mode delivery.
Learn in the University’s Sustainable Development Building Precinct promoting sustainable practices of tomorrow.

UTHRA VENKATESH
Master of Communication (Professional) Alumna
India

“I absolutely love the learning environments at Bond including the library, Balnaves Multimedia Learning Centre, the studio and computer labs.

The lecturers were so helpful, approachable and supportive throughout my studies. The industry connections and exposure to industry experts was definitely a highlight of my experience at Bond.”

</tr>
</tbody>
</table>

PROGRAM DESCRIPTION
- An innovative, forward-looking program that is attuned to the dynamics of the globalising world and its multiple diplomatic channels.
- You will gain a solid grounding in contemporary, theoretical and cultural issues.

PROFESSIONAL PROGRAM
- This program follows the same structure as the Master of International Relations with an additional 20-week Professional Portfolio.

COMBINED PROGRAMS
- Master of International Relations / Master of Project Management (CRICOS 088317G)

ENTRY REQUIREMENTS
- Completion of an Australian Qualifications Framework Level 7 Bachelor degree from an approved institution in either international relations, political science, political studies, global studies, humanities / arts, law or business studies. Graduates from other disciplines may be considered.
MANUELA FRANCESCHINI
Master of International Relations | Alumna Brazil

“I am passionate about geopolitics, diplomacy, cultural differences: these have always been under my scope. Those are topics I really enjoy reading and learning about, so that’s why I chose International Relations. It ended up perfectly matching with my position as Foreign Correspondent as I report on politics, economics, sports and culture in Australia, New Zealand and South-East Asia.”
## Psychological Science

### Graduate Diploma of Psychological Science

<table>
<thead>
<tr>
<th>IELTS</th>
<th>Starting</th>
<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>7.0 (6.5)</td>
<td>Jan May</td>
<td>2 semesters (8 months)</td>
<td>$37,240 ($18,620 per semester)</td>
</tr>
</tbody>
</table>

**Program Description**
- You will undertake advanced training in a range of methodological (research methods, psychometrics, statistics) and applied areas, and develop competence in conducting research.
- On completion of this course, you may apply for provisional registration as a psychologist providing you enrol in further postgraduate studies or undertake two years’ supervised training.

**Entry Requirements**
- Completion of an accredited three-year sequence of study in psychology in Australia, or equivalent.
- Assessed on academic merit and must have achieved a minimum GPA of 2.0 / 4.0 on the Bond University four-point scale for all second year psychology subjects in their undergraduate studies.

**Recommended Study Pathways**
The recommended pathways to becoming a registered Clinical Psychologist are:
- Bachelor of Psychological Science > Bachelor of Psychological Science (Honours) > Master of Psychology (Clinical) or Master of Professional Psychology
- Bachelor of Psychological Science > Graduate Diploma of Psychological Science > Master of Psychology (Clinical) or Master of Professional Psychology

## Psychology (Clinical)

### Master of Psychology (Clinical)

<table>
<thead>
<tr>
<th>IELTS</th>
<th>Starting</th>
<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>7.0 (7.0)</td>
<td>May</td>
<td>6 semesters (2 years)</td>
<td>$87,000 ($14,500 per semester)</td>
</tr>
</tbody>
</table>

**Program Description**
- Provides advanced education in the professional practice of psychology.
- Training is based on a scientist-practitioner model and is designed to prepare you with the knowledge and applied skills required by a registered practising psychologist in the area of clinical psychology.
- The program integrates coursework, research and practical placement experience.
- You will complete a series of placement experiences under the supervision of highly qualified and experienced supervisors, and apply best practice models to a professional standard.

**Entry Requirements**
- Students who have obtained their qualifications outside Australia must have their qualifications assessed prior to applying for this program and prior to applying for registration with the Psychology Board of Australia. The Australian Psychological Society (APS) provides this assessment service for the Board and the assessment assists the Board in determining if the student’s qualifications are equivalent to an ‘approved qualification’. However, it is important to note the final decision on equivalence rests with the Board. For more information on equivalency assessments please visit the Australian Psychological Society’s website.

**Career Outcomes**
- Upon graduation, you will be eligible to apply for full registration as a Psychologist, full membership of the APS, and associate membership of the APS College of Clinical Psychologists.

## Professional Psychology

### Master of Professional Psychology

<table>
<thead>
<tr>
<th>IELTS</th>
<th>Starting</th>
<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>7.0 (7.0)</td>
<td>May</td>
<td>2 semesters (8 months)</td>
<td>$45,040 ($22,520 per semester)</td>
</tr>
</tbody>
</table>

**Program Description**
- The Master of Professional Psychology will provide selected psychology graduates with a fifth year of professional training in psychology.
- Incorporates both coursework and supervised training and practice with the aim to provide students with a thorough grounding in professional practice to meet the accreditation standards set by APAC.

**Entry Requirements**
- Completion of an Australian Psychology Accreditation Council (APAC) accredited 4 year sequence of study in psychology (e.g., Bachelor of Psychological Science (Honours); Graduate Diploma of Psychological Science or equivalent) within the last 10 years
- Achieved a minimum upper second class Honours (H2B), or equivalent.
- Eligible for provisional registration as a psychologist.
- Referee Reports and interview
- Students who have obtained their qualifications outside Australia must have their qualifications assessed prior to applying for this program and prior to applying for registration with the Psychology Board of Australia.

**Career Outcomes**
- On graduation, you will be eligible to apply for full registration as a Psychologist, full membership of the APS, and associate membership of the APS College of Clinical Psychologists.

- Valuation
- Strategy
- Portfolio management
- Finance
- Investment
- Development
- Project management

Research

<table>
<thead>
<tr>
<th>Program</th>
<th>IELTS</th>
<th>Starting</th>
<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>Master of Arts (by Research)</td>
<td>7.0</td>
<td>Jan-May</td>
<td>6 semesters (2 years)</td>
<td>$38,410 per annum</td>
</tr>
</tbody>
</table>

PROGRAM DESCRIPTION
- Students in the Master of Arts (by Research) can research in an area of interest within the Faculty of Society & Design.
- Students are supervised by Academics with specialist knowledge in an array of areas.

ENTRY REQUIREMENTS
- The minimum requirement for admission to the Masters of Arts (by Research) program is a four-year (i.e. eight semester) Honours degree (First Class, 2A, 2B) or a qualification or combination of qualifications deemed to be equivalent to the above by the HDR Committee.
- Prior to formal application, intending applicants need to give consideration to the specific research topic they wish to investigate.

- This should be determined in consultation with a member of the academic staff of the Faculty to see whether the Faculty can provide the appropriate supervision.

CAREER OUTCOMES
- Provides students with the necessary research skills for academic careers in the university or research sector, or professional employment.
DR BADEN U’RENEase Professor of Entrepreneurship

Baden draws upon his industry and startup knowledge to deliver a practical and relevant educational experience to his students. He previously worked at NAB and QIC Private Equity and is a co-founder of two innovative businesses: one in ag-tech and the other in veterinary services.

TEACHING SUBJECTS
- Creating and Growing a Business
- Entrepreneurship and Innovation
- Business Model Generation

TEACHING AWARDS
- Australian Award for University Teaching (2008, 2016)
- Vice Chancellor’s Award for Outstanding Contribution to Student Learning (2016)
- Faculty Award for External Engagement (2014)

BEST THING ABOUT BOND
The day that Richard Branson arrived in his helicopter: we hosted him in an informal Q&A session with a packed theatre of wide-eyed Bondies, and he left with one of our entrepreneurship students bound for a music festival.
INDUSTRY LINKS

The Bond Business School has established relationships with many local and international organisations, including:

- Accor
- ANZ
- ASX
- Austrade
- Bartercard
- Deloitte
- Disney
- EY
- Goldman Sachs
- Hilton
- InterContinental
- JBWere
- KPMG
- Macquarie Group
- Marriott
- Mercer
- PwC
- Quantum
- RACQ
- Suncorp Group
- Virgin
- Wyndham

CENTRE FOR ACTUARIAL AND FINANCIAL BIG DATA ANALYSIS

Working in the global arena, this world-recognised centre is a major drawcard for higher degree, academic and commercial research, giving our students access to internationally renowned scholars, authors and experts in the burgeoning field of big data.

TRANSFORMER SPACE

This free co-curricular program brings students together from all Faculties and disciplines to collaborate on a project of their own or contribute to one of the many other ongoing projects taking it from initial idea to execution. Whether you’re interested in social welfare, environmental issues, community health or developing new technologies, Transformer will show you how to apply entrepreneurial thinking to creative problem solving. Working in teams of students who each bring different knowledge, perspectives and ideas, you’ll have access to industry experts, mentors, academic coaches, workshops and a cutting edge 24 / 7 co-working space.

MACQUARIE TRADING ROOMS

In our two industry-standard trading rooms, you’ll have 24 / 7 access to live financial market data via 40 Bloomberg terminals. You’ll be executing deals, managing portfolios and trading securities in real time based on current market conditions.

COMMERCIALISATION CENTRE

Home of the Bond Business Accelerator, Pop Up Entrepreneur Series, Gold Coast Demo Day and the Silicon Valley Study Tours, this dynamic and energetic space is designed to encourage collaboration, networking and inspiration.

</table>

**Program Description**
- With more than 12 million visitors annually, there is no better place to study Hotel and Tourism Management than the Gold Coast: the tourism capital of Australia.
- Study asset, revenue and human resource management within hotel and tourism businesses.
- You will complete 400 hours of work experience in a hotel, tourism or event environment as part of the program with organisations such as Marriott, Accor, Hilton, InterContinental, Sheraton and Wyndham.

**Majors**
You can complete up to two majors, or one major and your choice of electives. Majors are chosen from:
- Entrepreneurship and Innovation
- International Business
- Management
- Marketing
- Marketing Communication

**Career Outcomes**
- Event Coordinator / Manager
- Marketing Coordinator / Manager
- Hotel Manager
- Sales Coordinator / Manager
- Revenue Coordinator / Manager
- Assistant Manager
- Research Coordinator
- Duty Manager

**Pathways**
- The Diploma of International Hotel and Tourism Management provides a pathway to the Bachelor of International Hotel and Tourism for those who do not meet the entry requirements (refer to page 69).

**Sport Management**

<table>

<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>6.5</td>
<td>Jan Sep</td>
<td>6</td>
<td>$120,240</td>
</tr>
</tbody>
</table>

**Program Description**
- Become equipped with a strong foundation in contemporary business skills and unique areas of sport specific practices.
- Taught by leading experts in law, sport, business and public relations.
- Learn about professional sporting clubs, elite athlete development and management, media, marketing, tourism and event management.
- Significant practical industry experience and networking opportunities throughout the degree, culminating in an internship component where you can gain valuable insight into the global sporting industry.
- Access to elite athletes and sporting teams through Bond’s membership with the Australian Sport Commission’s Elite Athlete Friendly University Agreement.

**Career Outcomes**
- This program will prepare you for employment in a range of settings in the multi-faceted sport industry at local, national and international levels including roles related to:
  - Sporting bodies
  - Sports governance
  - Event management
  - Sports marketing
  - Working with sporting teams, clubs and players

**Pathways**
- The Diploma of Sport Management provides a pathway to the Bachelor of Sport Management for those who do not meet the entry requirements (refer to page 69).
### Accounting

<td>Jan, May, Sep</td>
<td>5 semesters (92 weeks)</td>
<td>$68,450 ($15,790 per semester x 4 + $5,290 professional semester)</td>
</tr>
</tbody>
</table>

**Program Description**
- Gain the knowledge and skills needed to work in the accounting profession.
- Designed for recent graduates and professionals in fields other than accounting, however accounting graduates may be eligible to enter the program with advanced standing.
- Gain a Bloomberg certification during your degree and unlock your potential for more job opportunities in the global market.
- Studying full time, you can complete a 12-subject Master's in just 12 months with Business School approval.

**Professional Program**
- The Master of Accounting (Professional) follows the same structure as the Master of Accounting with an additional 20-week Professional component in the final semester.

**Entry Requirements**
- An undergraduate degree in any discipline other than accounting; or
- A non-degree professional accounting qualification with at least five years’ work experience.
- Applicants with prior Accounting qualifications may be eligible for advanced standing.

**Combined Programs**
- Master of Accounting / Master of Business Administration (CRICOS 088913J)

**Career Outcomes**
- Graduates are eligible for employment in major accounting practices (public accounting or chartered accountants), corporations, the public sector and not-for-profit organisations.

### Actuarial Science

</tr>
</tbody>
</table>

**Program Description**
- This degree allows students with an undergraduate degree in a non-related field an opportunity to complete Part I with the Actuaries Institute.
- The program combines advanced mathematics, statistics, data analytics, actuarial risk theory, finance, economics and accounting subjects with large-scale, real-life commercial data analysis teaching you to interpret ‘big data’ numbers to create practical solutions for real world problems.
- Unparalleled access to Bond Business School’s two financial trading rooms and 40 Bloomberg data-sourcing terminals.

**Professional Program**
- The Master of Actuarial Science (Professional) follows the same structure as the Master of Actuarial Science with an additional 20-week Professional component in the final semester.

**Industry Recognition**
- Bond is the only university in Queensland, and one of only seven in Australia to offer the fully accredited program by the Actuaries Institute and has recognition agreements with the Society of Actuaries (worldwide).

**Specialisation Program**
- The Master of Actuarial Science (Specialisation) allows you to choose a specialisation to identify as an expert in a specific area of Actuarial Science (recommended specialisation is Big Data or Finance, however you also have the option to choose any Bond Business School specialisation):
  - Big Data
  - Digital Business
  - Finance
  - International Business
  - Marketing

**Entry Requirements**
- Completion of an Australian Qualifications Framework Level 7 Bachelor degree in a discipline other than actuarial science, and well developed mathematical abilities.
- Students who have successfully completed cognate programs may be eligible for advanced standing of up to 40 credit points towards the Master of Actuarial Science program.
## Postgraduate Degrees

<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

**PROGRAM DESCRIPTION**
- This degree allows students with an undergraduate degree in a non-related field an opportunity to complete Part 1 and Part 2 with the Actuaries Institute.
- Innovative and immersive program that combines advanced mathematics, statistics, data analytics, actuarial risk theory, finance, economics and accounting with large-scale, real-life commercial data analysis to develop techniques for the management of risk and business decision making.
- Contains a 20-week thesis component in the final semester.
- Unparalleled access to Bond Business School's two financial trading rooms and 40 Bloomberg data-sourcing terminals.
- Bond is the only university in Queensland to offer the fully accredited program by the Actuaries Institute.

**SPECIALISATION**
You will have the opportunity to undertake a four subject specialisation, plus one elective; or complete five electives. The recommended specialisation is Big Data, but also available are:
- Digital Business
- Finance
- International Business
- Marketing
- Tourism and Hotel Management

**INDUSTRY RECOGNITION**
- Bond is the only university in Queensland and one of only seven universities in Australia, to offer the fully accredited program by the Actuaries Institute.

</table>

**PROGRAM DESCRIPTION**
- Develop your planning, analytical and interpersonal skills to professionally advance your career prospects in business.
- Classes combine theoretical knowledge in Business with practical insights delivered through case studies, guest lectures and work integrated learning.
- You will have access to the Bond Business Commercialisation Centre and the Bond Business Accelerator, offering an array of tools, networking and mentoring opportunities and other resources to encourage and support you throughout your studies.
- Studying full time, you can complete a 12-subject Master's in just 12 months with Business School approval.

**SPECIALISATION**
You will complete one specialisation from the following list:
- Big Data
- Digital Business
- Finance
- International Business
- Marketing
- Tourism and Hotel Management

**PROFESSIONAL PROGRAM**
- The Master of Business (Professional) follows the same structure as the Master of Business with an additional 20-week Work Integrated Learning component.

**GRADUATE CERTIFICATE**
- The Graduate Certificate in Business allows students to choose any four subjects from the Master of Business.
- Upon completion students may wish to pursue a pathway into the Master of Business.

**ENTRY REQUIREMENTS**
- Completion of an Australian Qualifications Framework Level 7 Bachelor degree.

**CAREER OUTCOMES**
- Graduates of the Master of Business will have highly developed planning, analytical and interpersonal skills that will enable them to advance their career prospects in business.

Take advantage of the School's formal mentor program where you will be supported by academic staff, senior students and alumni.

Unparalleled access to Bond Business School's two financial trading rooms and 40 Bloomberg data-sourcing terminals.

*Fees per semester are based on an average calculation of 2020 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.
**Master of Business Administration (MBA)**

- CRICOS Course Code: 063120D
- IELTS: 6.5 (6.0)

Bond's MBA was rated #1 for student satisfaction according to Boss Rankings published by the Financial Review.
**POSTGRADUATE DEGREES**

### Global Leadership MBA

- **IELTS**: 6.5 (6.0)
- **Starting**: Jan
- **Duration**: 4 semesters (1 year 4 months)
- **Fee**: $2,880,000 YEN

**PROGRAM DESCRIPTION**
- This MBA is taught in partnership with Business Breakthrough University in Japan and is taught in English and Japanese.
- Specialises in the interaction between Asian economies, specifically Japan, and the rest of the world.
- Focuses on core frameworks for business decision making based in entrepreneurship and innovation, and in evidence-based strategy formulation.
- The program is taught online, however there are two compulsory one-week study tours to Bond University that students will need to undertake to graduate.

*English and Japanese pathways available.

**ENTRY REQUIREMENTS**
- Minimum three years’ management experience
- Quality undergraduate degree from a recognised institution

**PROGRAM DESCRIPTION**
- 76% of businesses are planning to increase investment in analytics capabilities over the next two years, and Australian data scientists who have completed postgraduate study are estimated to have an average annual income of $130,176 in 2021-22.*
- No prior experience in analytics or programming is required to study this program.
- Learn technical skills, including R and Python languages most commonly used in the development of data programming and then apply these skills to real-life scenarios in a way that will impact behaviour.
- Focus on the practical application, based on actual business problems in a range of industry sectors such as health, marketing and finance.
- Gain immediate access to the very latest technologies in the Centre for Actuarial and Financial Big Data Analytics.
- Studying full time, you can complete a 12-subject Master’s in just 12 months with Business School approval.

**PROFESSIONAL PROGRAM**
- The Master of Business Data Analytics (Professional) follows the same structure as the Master of Business Data Analytics, with an additional 20-week Professional Portfolio component.

**ENTRY REQUIREMENTS**
- An undergraduate degree or equivalent from a recognised institution in any business discipline.
- If previous bachelor degree is not related to business, we recommend you first complete the four-subject Graduate Certificate of Business which can then be credited into the full Master of Business Data Analytics.

**CAREER OUTCOMES**
- Graduates of the Master of Business Data Analytics will be skilled in making strategically sound recommendations and data-driven business decisions.

---

**STEVEN STERN**

Professor of Data Science
Custodian of the Duckworth-Lewis-Stern (DLS) system

“I don’t teach facts, I teach ideas. I’m not interested in my students regurgitating facts and theories about stats; I want them to understand the real reasons behind data analysis methods and understand how and when analytic techniques should, and more importantly shouldn’t, be used. Data analysis is the skill of the future. If you know how to understand and analyse data, there is no industry or career in the world you can’t be involved in somehow.”

*Fees per semester are based on an average calculation of 2020 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.*

### Industry Recognition
- Australian Securities & Investment Commission (RG146)
- Chartered Financial Analyst (CFA) Institute
- Financial Services Institute of Australia (FINSA)

### Entry Requirements
- An undergraduate degree from a recognised institution.
- Completion of a subject deemed equivalent to either Fundamentals of Finance or Managerial Finance.
- A personal interview may also be required.
- Students who have successfully completed related undergraduate programs may be eligible for advanced standing of up to 40 credit points (4 subjects).

### Combined Programs
- Master of Finance / Master of Business Administration (CRICOS 085653D)

### Career Outcomes
- The Master of Finance will prepare you for an executive career in finance, commercial banks, insurance sectors, property investment, superannuation funds, stockbrokers and corporate treasuries anywhere in the world.

### Specialisation
Complete four subjects from one of the following:
- Big Data
- Digital Business
- International Business
- Marketing
- Tourism and Hotel Management

### Entry Requirements
- An undergraduate degree from a recognised institution.
- Students who have successfully completed a related undergraduate program may be eligible for advanced standing of up to 40 credit points (4 subjects).

### Recommended Study Pathway
- Bachelor of Commerce > Master of Financial Management (2 years, 8 months)

### Career Outcomes
- The Master of Financial Management prepares you for a financial management role within a corporation, consulting firm, accounting firm or entrepreneurial venture within the commercial sector or private practice.

---

*Fees per semester are based on an average calculation of 2020 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.*
### PROGRAM DESCRIPTION
- This program focuses on high performance sport, business strategies, strategic sports marketing, event and facilities management, finance, law, governance and organisational leadership.
- Bond enjoys affiliations with numerous local, national and international sport organisations, such as the Australian Olympic Committee, Events Management Queensland, Australian Institute of Sport, Australian Sports Commission and World Rugby.
- Gain practical industry experience and network through the optional Sport Management Professional Preparation elective. This internship is separate to the 20-week Work Integrated Learning component of the Professional program below.
- Studying full time, you can complete a 12-subject Master’s in just 12 months with Business School approval.

### PROFESSIONAL PROGRAM
- The Master Sport Management (Professional) follows the same structure as the Master of Sport Management, with an additional 20-week Professional Learning component.

### GRADUATE DIPLOMA
- The Graduate Diploma provides a unique pathway to progress into the Master of Sport Management.

### GRADUATE CERTIFICATE
- For those already employed in sport, successful completion of the Graduate Certificate may build on your existing skills, education and training to enable your transition to the next career level.
- Successful completion also makes you eligible to enrol in the Graduate Diploma in Sport Management and subsequent Master of Sport Management.
- Subjects completed in the Graduate Certificate are credited to the Diploma.
National and international legal experts in a variety of fields contribute to the delivery of programs at the cutting edge of contemporary legal scholarship and practice.

WORLD-CLASS ACADEMICS

Students utilising the showcase e-courtroom which is fully equipped with electronic evidence management systems, video conferencing facilities, wireless networking and video streaming.

DISPUTE RESOLUTION CENTRE

The Faculty of Law’s Dispute Resolution Centre (DRC) is recognised as a leader in mediation excellence. The Centre brings together some of the country’s leading dispute resolution specialists whose training, teaching and research expertise places Bond at the forefront of current industry theory and practice.

LEGAL SKILLS PROGRAM

Bond’s innovative Integrated Skills and Professionalism Program ensures graduates have professional capabilities including legal ethics, professionalism, research, reasoning, writing and drafting.
MOOT COURTS
Bond’s showcase e-courtroom replicates the latest technology used in the courts of Australia. The courtroom is fully equipped with electronic evidence management systems, video conferencing facilities, wireless networking and video streaming. An additional medium-sized court and a smaller moot court are available for practice, preparation and presentations.

BOND LAW CLINICS
Bond students can gain practical work experience through the following clinics at Bond:
- Commercial Law Clinic (on campus)
- Community Law Clinic
- Criminal Law Clinic
- Immigration Law Clinic (on campus)
- Property Law Clinic
- Start Up Law Clinic

MOOT COMPETITIONS
From as early as your first semester of study, you will have the opportunity to become involved in a wide variety of skills competitions including client advocacy. Students are supported financially by the Faculty to participate in competitions. Some of the competitions that Bond participates in include the Jessup Moot, Vis East, ICC, and Kirby Contracts moooting competitions. Faculty-run competitions you can become involved in include*:
- Pro Justia Moot Competition
- Brian Orr Mooting Competition
- Wilson Moot Competition (Canada)
- CLSA Hockey Arbitration
- Witness Examination Competition
- Negotiation Competition
- Client Interview Competition
- Shark Tank with Kirby

*Competitions list may vary each year.

The #1 job title held by a Faculty of Law alumni is Lawyer, followed by Partner and Managing Director. Among the Top 10 employers are Clayton Utz, PwC, Minter Ellison, KPMG and Macquarie Group.

INDUSTRY RELATIONSHIPS
Bond University has dedicated staff who provide individual support to our students to find internships and later employment. We maintain industry relationships with leading local and national organisations, legal practices, government departments and community legal centres. These include:
- Ashurst
- Clayton Utz
- Cronin Litigation Lawyers
- Law Right
- Wyndham Vacation Resorts, Asia Pacific Pty Ltd
### UNDERGRADUATE DEGREES

#### Business Law

**PROGRAM DESCRIPTION**
- The LLB is designed to equip you for a career in the legal profession, corporate sector or government sector.
- Bond's unique Integrated Skills and Professionalism Program is embedded in the LLB and focuses on core legal skills essential to the practice of law, such as legal writing and drafting; oral communication and advocacy; legal ethics and professionalism; legal research and reasoning; and dispute resolution and collaboration.
- The program combines small class sizes, excellent teaching and the Integrated Skills and Professionalism Program to provide an exciting and challenging learning experience that prepares you practically for a legal career.
- You will have the opportunity to gain practical experience in either a voluntary capacity or through a law clinic placement, giving you an advantage when entering legal practice.
- Please note that this degree does not qualify you for admission as a legal practitioner. If you wish to practise law, you must complete a Bachelor of Laws or Juris Doctor.

**CAREER OUTCOMES**
- Careers in politics, business, banking and finance, teaching, public service, industrial relations and international relations. Unlike the Bachelor of Laws degree, Bachelor of Business Law is not designed to provide a qualification for the professional practise of law.

**COMBINED PROGRAMS**
- Bachelor of Actuarial Science / Bachelor of Laws (CRICOS 093910C)
- Bachelor of Arts / Bachelor of Laws (CRICOS 093912A)
- Bachelor of Biomedical Science / Bachelor of Laws (CRICOS 093918B)
- Bachelor of Business / Bachelor of Laws (CRICOS 093909G)
- Bachelor of Commerce / Bachelor of Laws (CRICOS 093908G)

**PATHWAYS**
- The Diploma of Legal Studies provides pathways to the Bachelor of Law for those who do not meet the entry requirements (refer to page 69).
LISA BONIN
Assistant Professor

“As a former litigator with a leading national law firm in Canada, I really appreciate Bond’s integrated practical skills curriculum. For our Canadian students, the focus on skills continues through into our Canadian courses and really prepares these students for their return to Canada.

We support our Canadian students in their transition back to Canada, providing information sessions and resources dedicated to the admissions process after graduation, as well as relevant work experience and clinical opportunities. Although we are half way around the world, our students can still feel connected to the Canadian legal system and profession.”
### Juris Doctor

</table>

**PROGRAM DESCRIPTION**
- The Master of Laws (LLM) provides maximum flexibility and choice with a wide range of specialist areas.
- For international students, the LLM provides a wide range of international law, comparative law, IP law, trade law and dispute resolution subjects to broaden and internationalise an undergraduate law qualification.
- Online study option for International Commercial Law and Dispute Resolution specialisation.

**SPECIALISATIONS**
You will have the option to specialise in one of the disciplines in the below list:
- Canadian Law and Practice
- Corporate and Commercial Law and Practice
- Dispute Resolution
- Family Dispute Resolution
- International Business and Finance Law
- International Commercial Law and Dispute Resolution (Online)

**ENTRY REQUIREMENTS**
- A professional law qualification (Bachelor of Laws, Juris Doctor, or equivalent).

### Legal Administration

<table>

<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>6.5</td>
<td>Jan May</td>
<td>3 semesters</td>
<td>$63,320 ($21,107 per semester)</td>
</tr>
</tbody>
</table>

**PROGRAM DESCRIPTION**
- The Master of Legal Administration offers students from a non-law background the opportunity to attain postgraduate qualifications in law.
- Students can choose a generalist degree or elect to specialise in a particular area of law, combined with up to four subjects from other disciplines.

**SPECIALISATIONS**
- Canadian Law and Practice
- Corporate and Commercial Law and Practice
- Dispute Resolution
- International Business and Finance Law
- An undergraduate program in any discipline at an approved Australian institution or equivalent.

**ENTRY REQUIREMENTS**
- An undergraduate program in any discipline at an approved Australian institution or equivalent.

**CAREER OUTCOMES**
- This degree does not qualify a graduate for admission as a legal practitioner; rather, the program is intended for students from other fields and professions who wish to supplement their knowledge of law in a particular area.
POSTGRADUATE DEGREES

Legal Practice

<tr>
<td>Graduate Diploma in Legal Practice (online)*</td>
<td>6.5</td>
<td>Jan Sep</td>
<td>Online 2 semesters (8 months)</td>
<td>$10,720</td>
</tr>
</tbody>
</table>

PROGRAM DESCRIPTION
- The Graduate Diploma in Legal Practice (GDLP) is the link between your law degree and becoming a practising lawyer.
- Study online (full-time or part-time) or on-campus
- Includes up to 60 days of practical legal experience under the supervision of a practising lawyer.
- The GDLP has two components that students will need to complete:
  - Compulsory component including a 30 day law placement, transition to practice, learning intensive and compulsory subjects,
  - Elective component including the choice to complete an additional law placement.
- Visit bond.edu.au/gdlp for more detail.

ENTRY REQUIREMENTS
- Bachelor of Laws or Juris Doctor qualification from an Australian institution or equivalent.
*Online programs are not available to international students who intend to apply for a student visa.

CAREER OUTCOMES
- Successful completion of the GDLP program enables you to apply for admission to legal practice in Australia.
- For those seeking to specialise, this program will provide you with a pathway and two subject credits into the Master of Laws (LLM) and the Master of Laws in Enterprise Governance. Specialise further in areas such as commercial law, dispute resolution, family dispute resolution or international law.

Research (Master)

<table>

<tbody>
<tr>
<td>Master of Laws (by Research)</td>
<td>7.0</td>
<td>Jan May</td>
<td>6 semesters (2 years)</td>
<td>$38,410 per annum</td>
</tr>
</tbody>
</table>

PROGRAM DESCRIPTION
- The Master of Laws (Research) is a higher degree by research program awarded for completion of a thesis (up to 50,000 words).
- The thesis demonstrates the student’s ability to research, analyse and apply information and concepts to a body of legal knowledge or practice.
- The program provides an opportunity to develop academic research skills and to carry out independent research in a specialist area of law, supervised by outstanding academics with specialist knowledge.

ENTRY REQUIREMENTS
- A professional law qualification (Bachelor of Laws, Juris Doctor, or equivalent) with an average of at least 65%. Evidence of experience in research methodology and research skills may also be required.

CAREER OUTCOMES
- Successful completion of this program provides a pathway into a Doctor of Philosophy program (PhD) and an academic career.

Research (Doctor)

</thead>
<tbody>
<tr>
<td>Doctor of Legal Science</td>
<td>7.0</td>
<td>Jan May</td>
<td>12 semesters (4 years)</td>
<td>$38,410 per annum</td>
</tr>
</tbody>
</table>

PROGRAM DESCRIPTION
- This is a Higher Degree by Research program awarded for a combination of coursework and a thesis that is a significant and original contribution to the knowledge and understanding of an aspect of law.
- Students will complete up to six electives chosen from the subjects listed under the Master of Laws, as well as a written thesis of between 50,000 – 80,000 words, depending on the number of coursework subjects undertaken.
- An eligible student with an awarded LLM will be entitled to the award of the Doctor of Legal Science with the completion of fewer coursework subjects in lieu of a longer thesis, up to 80,000 words.

ENTRY REQUIREMENTS
- A Master of Laws degree, or
- A Bachelor of Laws or Juris Doctor degree with an Honours average of at least 75%.
- An applicant may be required to satisfy the Dean that they have the appropriate level of research skills to undertake the qualification, which includes writing a thesis of between 50,000 – 80,000 words.
- Admission is on the basis of an approved research proposal and availability of appropriate supervision.

CAREER OUTCOMES
- This doctorate qualification in law provides the candidate with the research skills for academic careers in the university sector or research roles in law or related fields.
In 2018, Bond’s Health Sciences and Medicine was rated 5 Stars for Education Experience by the Good Universities Guide.

The Faculty houses the Institute for Evidence-Based Healthcare, Clem Jones Research Centre for Regenerative Medicine, the Centre for Urology Research and the Clinical Education and Research Centre (a collaboration with Queensland Health).

RESEARCH INTENSIVE
The Faculty houses the Institute for Evidence-Based Healthcare, Clem Jones Research Centre for Regenerative Medicine, the Centre for Urology Research and the Clinical Education and Research Centre (a collaboration with Queensland Health).

BOND VIRTUAL HOSPITAL
Replicating a hospital ward, the Bond Virtual Hospital is the first of its kind and offers clinical teaching sessions with simulated patients, allowing students to learn vital skills in a real life setting.

5 STAR RATINGS
In 2018, Bond’s Health Sciences and Medicine was rated 5 Stars for Education Experience by the Good Universities Guide.

The recently completed Stage 2 expansion of the Health Sciences & Medicine building
INDUSTRY LINKS

Bond students have gained experience from organisations such as:

- World Surf League
- Australian Football League
- Australian Institute of Sport
- Australian Olympic Committee
- Australian Rugby Union
- Australian Sports Commission
- Australian University Games
- Baseball Queensland
- Gold Coast City Council
- Gold Coast Hospital
- International Rugby Board
- Momentum Sports
- Performance Centre
- Netball Queensland
- Pathology Queensland
- Queensland Academy of Sport
- Queensland Medical Laboratory (QML)
- Queensland Cardiology Group
- Sullivan Nicolaides Pathology
- Robina Hospital
- Gold Coast Hospital Health Service
- Wesley Private Hospital
- Pindara Hospital
- Gold Coast Private Hospital
- Gold Coast Primary Health Network (GCPHN)
- John Flynn Private Hospital
- Lismore Base Hospital
- Roma Hospital
- Breast Screen Queensland
- The Tweed Hospital

CLINICAL SKILLS ROOMS

Bond University has state-of-the-art clinical skills rooms with purpose-built clinical facilities that reflect what is currently being used in clinical practice. They provide practical experience for students studying medicine, nutrition and dietetics, and physiotherapy programs. The largest clinical skills room is designed to simulate a hospital setting where students learn by computerised simulation, through patient actors and human patient simulators.

TEACHING AND RESEARCH LABORATORIES

Bond University has 13 teaching laboratories, including the multimedia labs with 25 computers per room. The laboratory facilities are well equipped for studying diverse areas of science, including pharmacology, physiology, chemistry, microbiology, molecular biology and genetics. Teaching labs are open and available to students 24 hours per day, even outside of class hours. The Faculty of Health Sciences & Medicine also houses research units such as the Institute for Evidence-Based Healthcare, Clem Jones Research Centre for Regenerative Medicine, the Centre for Urology Research and the Clinical Education Research Centre - a collaboration with Queensland Health.

INTERNATIONAL CLINICAL PLACEMENTS

Bond University Medical, Physiotherapy, and Nutrition and Dietetics students get the opportunity to take overseas placements as part of their program in countries such as the Solomon Islands, Vietnam, Malaysia, Hong Kong, South Africa, India, USA, Sweden and New Zealand. The picture above is of our Solomon Islands medical experience.

BOND INSTITUTE OF HEALTH & SPORT

The Bond Institute of Health & Sport is located just 4km away from the main Bond University campus, and houses students studying in Occupational Therapy, Nutrition and Dietetics, Sport and Exercise Science, and Physiotherapy programs. The Institute boasts a high performance gym, health and sports science laboratories, pool and temperature contrast pools, altitude room, clinical skills rooms, and dedicated Occupational Therapy and Physiotherapy teaching spaces. Conference and meeting facilities, a multimedia study centre and on-site cafe are also in the building.
### Bachelor of Biomedical Science

</tr>
</tbody>
</table>

**PROGRAM DESCRIPTION**
- Gain knowledge and skills in health, fitness and athletic performance; and basic applied sciences like anatomy, physiology, biomechanics, exercise physiology, motor learning and control, exercise and sport psychology, and exercise prescription and planning.

**ENTRY REQUIREMENTS**
- Successful completion of Australian Year 12 or equivalent, with successful completion of the equivalent of Mathematics A and one of: Health and Physical Education, Biology, Chemistry or Physics.
- Pathways are available for students who do not meet the standard subject entry requirements.
- Students are exposed to real-world learning with a significant portion of the degree offering practical experience with organisations such as the Australian Institute of Sport and Australian Ruby Union.

**CAREER OUTCOMES**
- Working in a range of fields, including health promotion, laboratory assistance, medical equipment, or use the degree as a pathway into other health professions.
- Successful completion of this program can be used as a pathway into the Honours program, Doctor of Physiotherapy*, Master of Nutrition and Dietetic Practice* and the Master of Occupational Therapy.
- Visit bond.edu.au/medicine for information on using this degree as a pathway into Bond's Medical Program*.

*Subject prerequisites.

### Bachelor of Exercise and Sports Science

**CRICOS Course Code**: 080641D

<table>
<thead>
<tr>
<th>IELTS</th>
<th>Starting</th>
<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>

</tbody>
</table>

**PROGRAM DESCRIPTION**
- Gain knowledge and skills in health, fitness and athletic performance; and basic applied sciences like anatomy, physiology, biomechanics, exercise physiology, motor learning and control, exercise and sport psychology, and exercise prescription and planning.

**ENTRY REQUIREMENTS**
- Successful completion of Australian Year 12 or equivalent, with successful completion of the equivalent of Mathematics A and one of: Health and Physical Education, Biology, Chemistry or Physics.
- Pathways are available for students who do not meet the standard subject entry requirements.
- Students are exposed to real-world learning with a significant portion of the degree offering practical experience with organisations such as the Australian Institute of Sport and Australian Ruby Union.

**CAREER OUTCOMES**
- Exercise Scientist*
- Strength and conditioning coach**
- Athletic / sport program coordinator
- Corporate and community health and fitness consultant
- Successful completion of this degree allows graduates a pathway into Bond’s postgraduate Physiotherapy, Occupational Therapy and Nutrition degrees.

*Individuals to apply for their own accreditation upon successful completion of the program.
**To be accredited individuals must sit the Certified Strength and Conditioning Specialist (CSCS) exam upon successful completion of the program.
PROGRAM DESCRIPTION

• Explore a variety of health disciplines by gaining an understanding of basic and applied sciences.
• Flexible degree, allowing students to select a variety of subjects to best suit individual career and study goals.

HONOURS

• Honours is available after successful completion of this program with a GPA of 2.0 / 4.0 or higher.
• Candidates must have been awarded a Bachelor’s degree that is related to the proposed Honours research project within the previous three years.
• The Honours program is a one-year program of independent research and study culminating in the production of a research thesis and presentation of a research seminar.
• Students undertake a program of coursework and research in which they conceptualise, plan, organise, undertake and report on an independent research project, whilst being supervised by a member of the academic staff. (Projects in the numerous disciplines vary on an annual basis.)
• Provides a pathway to postgraduate study, typically Master of Science by Research (Health Sciences) or Doctor of Philosophy (Health Sciences & Medicine).
• Graduates may also seek employment as research assistants in various industries.

PATHWAYS

• The Diploma of Health Sciences provides a pathway to the Bachelor of Health Sciences for those who do not meet the entry requirement (refer to page 69).

CAREER OUTCOMES

• Health promotion
• Community health
• Health education
• Health officer
• Health administration
• Laboratory assistant
• Clinical trials or drug registration
• Intellectual property
• Scientific publishing
• Successful completion of this program can be used as a pathway into the Honours program, Doctor of Physiotherapy*, Master of Nutrition and Dietetic Practice* and the Master of Occupational Therapy.

*Subject prerequisites.

ENTRY REQUIREMENTS

• Direct entry into the Medical Program is currently not available to international students.
• International students can pathway into the second year of the Medical Program through the successful completion of Bond’s Bachelor of Biomedical Science (Pre-Health Professional major), Master of Occupational Therapy, Doctor of Physiotherapy or Master of Nutrition and Dietetic Practice meeting minimum required GPA.

*Fees per semester are based on an average calculation of 2020 fees and may differ depending on the subjects and majors you take in each semester.
For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation and travel, textbooks and living costs.
JENNIFER PFEIFLER
Master of Nutrition and Dietetic Practice Alumna
United States of America

“Throughout my studies, the Nutrition & Dietetics team supported my goals by linking me with contacts in other states and countries.

After I graduated, the team further supported me in making connections to secure a job and talked me through any concerns I had regarding the advancement of my career.”
**ENTRY REQUIREMENTS**

- Bachelor of Exercise and Sports Science degree from Bond University, or
- The Doctor of Physiotherapy program has been accredited as an entry-level

**PROGRAM DESCRIPTION**

- Designed to produce highly competitive graduates with comprehensive clinical
- Taught in world-class facilities at the Bond Institute of Health and Sport.
- Choose between the Clinically-focused Research Pathway or the Business-focused Research Pathway.
- Culminates in an individual research project that may be eligible for publication.
- Prepares you for entry into Higher Degree Research, and careers in research
- Business-focused Research Pathway: Enables you to undertake business electives to prepare you for management roles, and better prepare you to

**CAREER OUTCOMES**

- Paediatrics
- Mental health services
- Independent living centres and rehabilitation facilities
- Community health centres
- Aged care
- Mental health services
- Paediatrics

Australia’s first OT Master’s to offer the opportunity to complete a clinical research project or undertake business electives in preparation for a career in private practice.

**PROFESSIONAL RECOGNITION**

- Successful performance at a selection interview.
- One semester of exercise prescription
- One semester of physiology of exercise
- One semester of research design / statistics
- Two semesters of human anatomy
- Two semesters of human physiology
- One semester of biomechanics
- One semester of research design / statistics
- One semester of physiology of exercise
- One semester of exercise prescription
- Successful performance at a selection interview.

**ENTRY REQUIREMENTS**

- Evidence of the following tertiary subject prerequisites:
- Bachelor of Exercise and Sports Science degree from Bond University, or equivalent degree from a recognised institution with a cumulative GPA 2.0 / 4.0 or 5.0 / 7.0 or better.

**POSTGRADUATE DEGREES**

### Master of Occupational Therapy

<td>$21,720</td>
</tr>
</tbody>
</table>

PROGRAM DESCRIPTION
- An innovative, multidisciplinary program run in conjunction with the Institute for Evidence-Based Healthcare, Bond Business School and the Bond University Transformer.
- Allows students to explore the content led by global leaders in higher education, research and innovation.
- Emphasis on inter-disciplinary and inter-industry learning and collaboration.
- Create a shift in current models and systems of care, with the use of new technologies, new business models and a disruptive value network to bring about systematic reform.
- Designed for health professionals from all medical, nursing and allied health disciplines, as well as health administrators, academics and others interested in health systems and healthcare.
- Flexible study mode with intensive face to face workshops conducted concurrently with other subjects.

ENTRY REQUIREMENTS
- A Bachelor degree in Health or a related program with a minimum GPA of 1 / 4 (equivalent to 4.0 / 7.0), or
- A Bachelor degree in a non-health related area with a minimum GPA of 1 / 4 (equivalent to 4.0 / 7.0) plus 3 years’ relevant work experience.

CAREER OUTCOMES
- Diagnose a health system problem, apply design thinking and research evidence to an innovation project.
- Use systems planning and knowledge translation to bring about positive and innovative change for quality improvement in health care.
- Evaluate how disruptive technologies could impact on future models of healthcare and health professional roles.
- Describe the social, ethical, legal and financial impacts of change for sustainable health care.
- Synthesise, disseminate, exchange and apply ethically-sound, evidence based health information to health professionals and the community to improve health, health service delivery and the health care system.

Research (Health Sciences)

<table>

<td>$38,410 per annum</td>
</tr>
</tbody>
</table>

PROGRAM DESCRIPTION
- Undertake supervised research studies in one or more of the Faculty of Health Science & Medicine's research areas and groups.
- This is an internationally recognised research degree, and can be used as a pathway to PhD studies.

ENTRY REQUIREMENTS
- An undergraduate degree with honours in a relevant discipline, with evidence of the ability to conduct supervised research; or
- A qualification or combination of qualifications deemed to be equivalent by the Faculty Research Committee.

^The Medical Program is comprised of two sequential degrees - the Bachelor of Medical Studies (BMedSt) and the Doctor of Medicine (MD). Direct entry into the Bond Medical Program is currently not available to international students.
## Master of Philosophy

<table>
<thead>
<tr>
<th>IELTS</th>

<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>7.0</td>
<td>Jan, May</td>
<td>6 semesters</td>
<td>$38,410 per annum</td>
</tr>
</tbody>
</table>

### PROGRAM DESCRIPTION
- Undertake an extended and focused study in a specific area of research interest, or development of creative works. Study culminates in a 30,000-40,000-word piece of work, or equivalent for a creative arts project.
- In particular circumstances, this program can be used as a pathway to PhD studies, pending appropriate approvals.

### ENTRY REQUIREMENTS
- Australian Qualifications Framework Level 7 Bachelor degree or equivalent in the same discipline.

## Doctor of Philosophy

<table>
<thead>
<tr>
<th>IELTS</th>
<th>Starting</th>
<th>Duration</th>
<th>Fee*</th>
</tr>
</thead>
<tbody>
<tr>
<td>7.0</td>
<td>Jan, May</td>
<td>4 years</td>
<td>$38,410 per annum</td>
</tr>
</tbody>
</table>

### PROGRAM DESCRIPTION
- Depending on the field of specialisation, the PhD culminates in an 80,000-word thesis of significant, original research.
- The PhD is an internationally recognised degree usually used as a pathway to an academic or research career.

### ENTRY REQUIREMENTS
- A four-year (8 semester) honours degree - First Class or 2A; or
- A research master’s degree; or
- A qualification or combination of qualifications deemed to be equivalent to the above by the Higher Degrees by Research Committee.

---

**Professor Russ Chess-Williams, Professor of Pharmacology supervises a research student in Bond’s Centre for Urology Research (CUR).**

---

*Fees per semester are based on an average calculation of 2020 fees and may differ depending on the subjects and majors you take in each semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.*
PATHWAYS TO BOND UNIVERSITY

If you do not meet the entry requirements for your chosen degree, Bond University offers a range of admission pathways to help you achieve the academic and English language requirements you need.

Our pathway programs are delivered on campus by Bond University College where you will benefit from extra hours of face-to-face teaching in a small class mentored environment.

Bond University College is located in the heart of the Bond University campus. You will have access to all of the University resources and facilities, and will be welcomed as a fully fledged member of the University community from the day you arrive.

English Pathways

GENERAL ENGLISH (GE)
CRICOS Course Code 065668G
Duration: 10 weeks per level
Starting: Every 10 weeks (See bond.edu.au/general-english for preferred starting dates. Option to start in week 6 available).

This program helps students achieve their English language proficiency goals in everyday communication through a wide range of contemporary topics and video materials. General English programs are available at six levels graded from beginner to advanced with each level lasting 10 weeks. Students that are unable to commence at the beginning of a 10-week cycle may commence halfway through at the 6-week point.

ENGLISH FOR ACADEMIC PURPOSES (EAP)
CRICOS Course Code 066082C
Duration: 14 weeks (1 semester) per level
Starting: January, May, September
Entry requirement: IELTS 5.0 or equivalent

Improve your academic English and study skills to meet the criteria for direct entry to selected programs. EAP is a full-time program incorporating three levels, with each level taking one semester (14 weeks) to complete. The College’s three-semesters-per-year schedule allows you to complete all three levels in one year. EAP can be combined with General English for students whose levels are below IELTS 5.0 before arrival and intend to continue their studies in an undergraduate or postgraduate degree.

ENGLISH PATHWAYS TO FURTHER STUDY

EAP Level 3 Distinction grade
Equivalent to IELTS 7.0
Students who attain a grade of Distinction or higher in EAP 3 will be eligible for entry into University programs that have an entry requirement of IELTS 7.0 and no band less than 6.5. Due to specific accreditation requirements, the Medical Program*, Doctor of Physiotherapy, Master of Psychology (Clinical) and Master of Occupational Therapy require a formal English test.

EAP Level 3 Pass grade
Equivalent to IELTS 6.5
Students will be eligible for entry into programs that have an IELTS entry requirement of 6.5 with no band less than 6.0.

EAP Level 2 Credit grade
Equivalent to IELTS 6.0 with no band less than 6.0
Students will be eligible for entry into the Bachelor of Actuarial Science, Master of Finance or Master of Actuarial Science.

EAP Level 2 Pass grade
Equivalent to IELTS 6.0
Students will be eligible for entry into Bond University Higher Education Diplomas.

EAP Level 1 Pass grade
Equivalent to IELTS 5.5
Students will be eligible for entry into Bond University College Foundation Program.

General English
(GE Level 1 - 6)
Equivalent to IELTS 1.0 - 5.0

*The Medical Program is comprised of two sequential degrees - the Bachelor of Medical Studies (BMedSt) and the Doctor of Medicine (MD). Direct entry into the Bond Medical Program is currently not available to international students.
The Bond University College Foundation Program has been specifically designed for international students as a pathway into first year undergraduate study. You will learn the core skills necessary for academic success, delivered by experienced and supportive teachers in small, personalised classes. Successfully passing the Foundation Program will allow entry into most undergraduate programs, however, entry into the Bachelor of Laws requires a GPA of 70% or higher. There is no direct pathway to the Bachelor of Actuarial Science from this program. Students may complete the Foundation Program and then pathway through a Diploma of Business or the Bachelor of Commerce.

Subjects for the Foundation Program include:
- Academic Skills
- Introduction to Entrepreneurship and Innovation
- Foundation Mathematics 1
- Introduction to Multimedia and IT
- World History and Politics
- Foundation English 1
- Foundation English 2

Plus one of the following:
- Society and Culture
- Introduction to Economics
- Foundation Mathematics 2^  

Use the index below to explore your pathway to your chosen degree.

Pathways to Bond University

Higher Education Diplomas

Duration: 8 months (2 semesters)
Starting: January, May, September

Our diploma level studies provide a pathway for students who do not meet the academic or English language requirements for direct entry into their chosen bachelor degree, or who would prefer to start their university journey in a more supported environment. Successful completion of your diploma qualifies you for entry into a Bond bachelor degree, with varying credit.

- Diploma of Built Environment (CRICOS 098537A)
- Diploma of Business (CRICOS 078663E)
- Diploma of Communication (CRICOS 078664D)
- Diploma of Criminology (CRICOS 078658B)
- Diploma of Health Sciences (CRICOS 093260K)
- Diploma of International Hotel and Tourism Management (CRICOS 088313M)
- Diploma of Legal Studies (CRICOS 080298C)
- Diploma of Sport Management (CRICOS 098083D)

*Foundation Mathematics 2 is a prerequisite for the Bachelor of Biomedical Science and the Bachelor of Exercise and Sports Science.

Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.*
ENGLISH LANGUAGE REQUIREMENTS

All Bond degrees have specific English language entry requirements, which students can meet in a variety of ways.

If an applicant provides evidence that fits under more than one category, then the most recent evidence will be used for admission.

For updated information, please visit bond.edu.au/english-requirements.

APPROVED ENGLISH LANGUAGE TEST
The university accepts the following English language tests for entry into our programs:

• IELTS
• TOEFL iBT
• Cambridge English Advanced (CAE)
• Pearson Test of English Academic (PTE)

Please note that approved English language test results must have been achieved not more than 24 months before the applicant commences their degree. Specific English language test results for programs can be found on the following page.

SUCCESSFULLY COMPLETED EDUCATION IN ENGLISH
Applicants who are able to present evidence of successfully completed secondary education (equivalent to Australian Senior Certificate of Education) or greater that was taught and assessed in English in one of the countries listed below where English is the first language are not required to submit an English language test with their application:

• Australia
• Canada
• England
• New Zealand
• Northern Ireland
• Republic of Ireland
• Scotland
• Singapore
• South Africa
• United States of America
• Wales

STUDENTS FROM INTERNATIONAL SECONDARY SCHOOLS WHERE THE FULL MEDIUM OF INSTRUCTION IS ENGLISH
Applicants to undergraduate programs from overseas international secondary schools where the full medium of instruction is English (such as members listed at cois.org) will be required to submit a letter from the Principal certifying the medium of instruction unless evidence to that effect is located on the transcripts.

Please note: In the interests of ensuring students’ academic competency, students admitted under any of the above, who are having academic difficulties due to English language, may be asked to undertake an English language test at the discretion of the faculty of enrolment.

BOND UNIVERSITY COLLEGE’S ENGLISH FOR ACADEMIC PURPOSES
An applicant may use Bond University College’s English for Academic Purposes (EAP) to meet English language entry requirements for foundation, diploma and undergraduate and postgraduate degrees. For further information on the different EAP levels and pathways into the University, please see page 66.

Entry to Bond University College’s EAP program is via one of the following methods*:

• International English Language Testing System - Academic
• (IELTS Academic)
• Pearson Test of English - Academic (PTE Academic)
• Test of English as a Foreign Language - Internet Based Test
• (TOEFL - iBT)
• Cambridge English: Advanced
• Test scores for the following tests can be used as a guide and all students will be required to be tested on arrival using a placement test. The placement test will determine the actual level of the English tuition required.
• EIKEN - English test
• College English Test (CET)
• Test of English as a Foreign Language - Institutional Testing Program (TOEFL - ITP), Institutional and Public tests
• Test of English for International Communication - Listening and Reading Test (TOEIC - Listening and Reading Test)

Please note that English language test results must be no older than 24 months when the applicant commences their program.

• EAP 1 - IELTS Academic overall 5.0 (no subscore less than 4.5) or equivalent
• EAP 2 - IELTS Academic overall 5.5 (no subscore less than 5.0) or equivalent
• EAP 3 - IELTS Academic overall 6.0 (no subscore less than 5.5) or equivalent

These entry requirements are correct at time of printing and are subject to change.

For more information on English Language Requirements please visit, bond.edu.au/english-requirements.

English for Academic Purposes (EAP) is an intensive English language program specifically designed to assist international students wishing to enter Bond University.

</table>
HOW TO APPLY TO BOND

1. SELECT YOUR PROGRAM
Deciding on a program is a personal choice. It’s about choosing the right program for you - your interests, your future.

Find more information about programs offered at Bond by visiting: bond.edu.au/search-program.

2. APPLICATION PROCESS
Applying to study at Bond is easy! Applications for most Bond programs can be lodged at any time directly to the University - or through an agents in your country. There is no application fee.

For more information on how to apply, visit: bond.edu.au/apply.

3. REQUIRED DOCUMENTS
Make sure that you complete all required fields in your application form including uploading required documentation.

This documentation may include:
- Academic Transcripts
- Academic references
- Passport
- Resume / CV
- Any other documents required for specific programs
- English language proficiency test
- Graduation diplomas

4. APPLICATION SUBMISSION
You can submit your application directly or via an agent. You or your agent will receive an email from Bond University to confirm your application was successfully submitted.

5. APPLICATION PROCESS TIME
The application review process will normally take two weeks provided all supporting documentation has been provided.

6. RECEIVE YOUR LETTER OF OFFER
If your application is successful, you or your agent will receive an email from us offering you to officially become a Bond student.

This email includes:
- A formal Letter of Offer from Bond University
- A Response to Offer form
- Information about fee payment options and accommodation

You may also want to consider applying for scholarships. Visit bond.edu.au/scholarships.

7. ACCEPT YOUR OFFER
You are two steps away from confirming your place at Bond. To accept your offer all you need to do is complete and return your Response to Offer form to admissions@bond.edu.au and pay the required fees as listed on your offer. If you applied via an agent, please get in touch with them to find out how you can accept and pay.

Once enrolment opens, you can create your IT account and choose your subjects.

8. ORIENTATION
Your first introduction to university life! Orientation is the perfect time to make new friends and find your way around campus. The Orientation experience features an exciting program of social activities where you can relax and meet people, and there are lots of information hotspots to help you get ready for university life.
EXPLORE BOND UNIVERSITY FROM ANYWHERE IN THE WORLD

Take a 360-degree tour of Bond University. Immerse yourself in our campus and state-of-the-art facilities with the Bond Now app.

Download the app or view on your desktop.

bond.edu.au/desktopvr
The information published in this document is correct at the time of printing (November 2019). However, all programs are subject to review by the Academic Senate of the University and the University reserves the right to change its program offerings and subjects without notice. The information published in this document is intended as a guide. All fees published in this guide are correct as of July, 2019 and are subject to change. Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.
