"The Vynka Hohnen Scholarship has allowed me the opportunity to study at Bond, something that is very important to me as I have always wanted to study law at a university with significant academic rigour and a great international reputation. Bond offered me assistance in adapting to university life, giving me support with tutoring and access to the Bond Elite Sport Program, as well as offering a great residential community for those who choose to live on campus.

The Vynka Hohnen Scholarship has allowed me to experience the wonders of Bond first hand, and I encourage all Western Australian students to apply for the scholarship."
