## ACCOMMODATION

On-campus accommodations are guaranteed for all nominated exchange students. The Residential Center will do its best to place exchange students in the accommodations of their choice. Most exchange students are placed in shared rooms (singles are rarely available). Off-campus housing is an option, but Bentley does not provide assistance in finding off-campus housing; we recommend students live on campus to maximize engagement with local students. Bentley University is approximately 12 miles from the city of Boston. We provide regular free shuttle bus service (a 30-minute ride) to Harvard Square in Cambridge; the city of Boston lies just over the river from Cambridge and thus is easily accessible.
