GENERAL INFORMATION

The Graduate Diploma in Business is a stepping stone to further advanced management studies and it offers a valuable introduction to postgraduate study to assist you towards enhancing your management career. The Graduate Diploma in Business provides a flexible and adaptive approach for students to undertake a set of introductory subjects that contribute to the basic skills required of a global leader. The classes combine basic theoretical knowledge in Business with practical insights delivered through case studies, guest lectures and work integrated learning. Team building is encouraged through group projects and communication skills are enhanced through class presentations. Upon completion, students may wish to pursue the Master of Business or an alternative program. It provides students with strong knowledge of modern business and management fundamentals. It prepares students to move into leadership and management roles.

PROGRAM INFORMATION

Required subjects Students must have completed at least four (4) required subjects from their program.

General Electives Students may have completed up to four (4) additional subjects from across the university to be eligible to graduate with the Graduate Diploma in Business. General elective – A subject that may be chosen from any subject on offer across the University provided requisites, enrolment restrictions and any other faculty requirements have been met.

Structure		6 Required Subjects	2 Approved Elective Subjects	
<p>Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge.</p>
