

Ivey Business School

Exchange Program

Location

With a population of 384,000, London has all the amenities and diversity of a big city while still preserving a small-town feel. Known as the “Forest City” for its many parks and green areas, London has an extensive trail system through the city along the Thames River.

London is also close to some of the world’s best freshwater beaches on Lake Huron and Lake Erie. Travel to Toronto, Detroit and many other destinations is easy. London is accessible by air, train and bus, with the London International Airport offering international travel. Western is also well connected to the city’s public transit system.

About Ivey

Welcome to the Ivey Business School at Western University, Canada's leading provider of real-world, case-based business education.

Drawing on extensive research and business experience, Ivey faculty provide the best classroom experience, equipping students, through Case-Method Learning, with the skills and capabilities they need to tackle today's leadership challenges.

Case Method

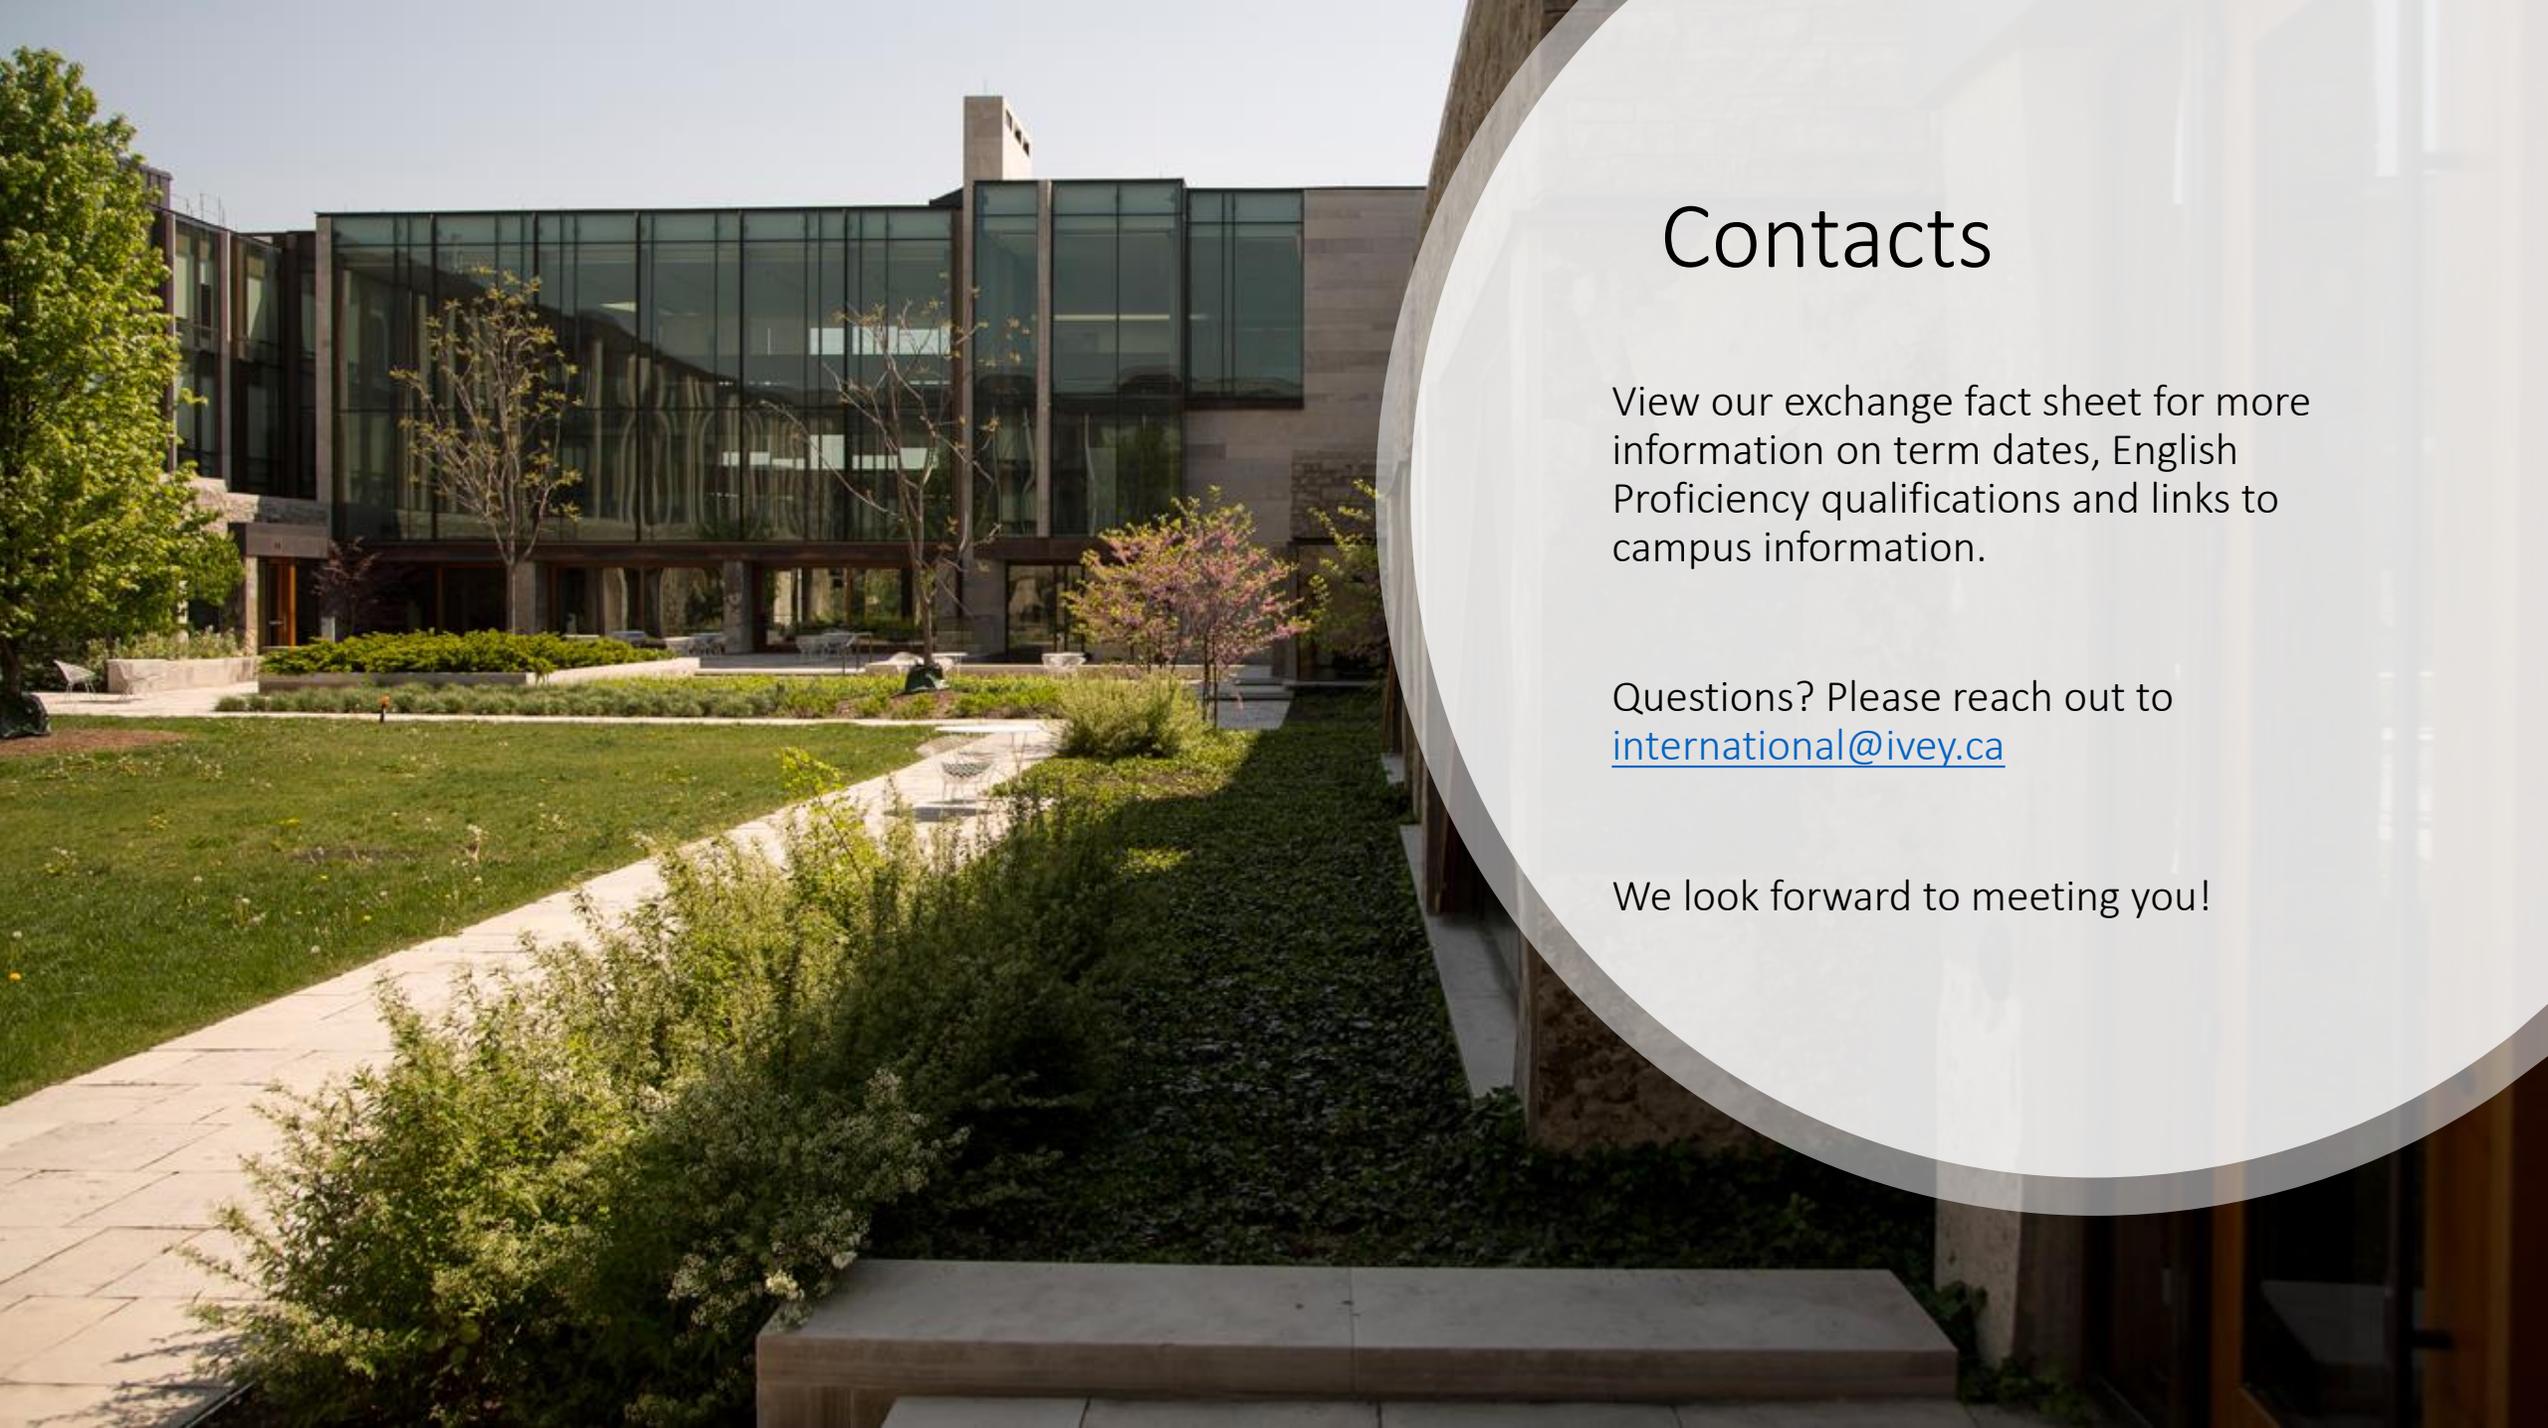

We value learning by doing, learning by working with actual business challenges faced by real managers. During the Program, you will study cases that challenge your ability to analyze information, make decisions, and defend those decisions when others around you may disagree. Case classes are more engaging than traditional lecture methods. Unlike the traditional lecture method, which involves one-way delivery of accepted truths and ideas from a professor to a student, Ivey's approach involves equal contribution from all members.

Campus Facilities

A mix of traditional ivy-covered buildings and modern architecture, Western offers a beautiful environment in which to study. Western's community campus includes ten residences, eight libraries, laboratories, classrooms, student space, eateries and cafeterias, and space for performing and visual arts.

Many services, including a book store, grocery store, movie theatre, computer store, wellness centre and more, are centrally located in the University Community Centre. The impressive Western Student Recreation Centre features a fitness centre with more than 200 pieces of weight and cardio equipment, a 50 m pool, squash/racquetball courts, six gymnasiums, group fitness classes and drop-in activities.

Contacts
