Bond University Scholarships
“Education is the most powerful weapon which you can use to change the world”
Nelson Mandela
Vice-Chancellor’s Message

Choosing the right university is one of the most important decisions that you will make at this point in your life. It is an investment in your future – not just financially, but also personally. And, like any investment, your choice must be based on the potential returns: Which university will give you more than a degree? Which university will open the door to a truly extraordinary career? Which university will help you to not only realise your ambitions, but surpass them?

Bond University believes that the knowledge and skills you learn in the classroom are simply a starting point on your education pathway.

There has never been a more exciting time to be at Bond University as we continue to develop in order to create a truly enhanced university experience. Our teachers are internationally renowned and work with you in small personalised classes. We offer accelerated degrees so you can graduate a year ahead of your peers. Our students come from all over the nation and the world which allows you to build a global network of contacts that will last you well past your time at university. We will provide you with a distinct set of leadership skills that will enable you to stand out from your competitors once you graduate.

At Bond University, we know you have the potential to make a real difference – because we have seen so many of our students do just that. Living and working all over the globe, our graduates are leading major corporations, helping disadvantaged communities in developing countries, researching medical breakthroughs and engineering cutting-edge technologies.

The Bond University Scholarship Program is a testament to Bond University’s commitment to quality and outstanding students who excel in all areas of academics, sports, arts and community involvement. We pride ourselves on the truly diverse range of scholarship opportunities we provide for students achieving in all areas of life. Our scholarship students achieve at the highest level in business, politics, cultural pursuits and the community. If this sounds like you, then I urge you apply for one of Bond University’s diverse scholarships.

If your goal is to be the best you can be, to have your choice of the top jobs and to forge a successful and satisfying career at the highest level, Bond University can help you develop all the tools you need to bring your ambition to life.

I look forward to being a part of this important stage in your life.

Kind regards,

Professor Tim Brailsford
Vice-Chancellor and President

Bond University’s Scholarship Program encompasses a range of awards available to Australian and international students. Our scholarship program aims to reward the best and brightest students from across the globe with full-fee and part-fee tuition remission scholarships and monetary grants.

Through our extensive Scholarship Program, Bond University aims to identify the leaders of the future and help them realise their full potential by providing access to an exceptional educational experience.

Proudly supported by key industry partners and global philanthropists, our scholarships are available to Australian and international students who have excelled academically, in community endeavours, in sport and in leadership roles.

Awards range from full and part-fee tuition scholarships through to monetary grants and are offered at both the undergraduate and postgraduate level.

This guide provides details on the scholarships available, including selection criteria, application processes and useful tips. More information can be found on our website at bond.edu.au/scholarships.

Please note that scholarship and bursary conditions and availability may be subject to change.

WHAT DOES IT MEAN TO BE A BOND SCHOLAR?
Our Scholarship awards encompass much more than tuition fee remission and financial support. As a Bond Scholar, you will benefit from a wealth of unique opportunities designed to further your academic, career and personal growth.

Depending on the Scholarship classification, this may include one-on-one mentoring with Bond’s influential business partners and exclusive introductions to the political, community and corporate leaders who regularly visit our campus. For our sports Scholars, it may mean being mentored by elite athletes and world champions in your chosen field.

Bond Scholars are also welcomed into our Student Ambassador Program where they are able to take a leading role in university events and volunteer for a diverse range of activities. Above all, our Scholars are encouraged to achieve at the highest level and extend their educational experience to incorporate international student exchanges with some of the world’s foremost universities, high level internships with Fortune 500 corporations and participation in global competitions.

As a result, Bond Scholars are distinguished by their willingness to go above and beyond what is expected and by their passion to contribute both on campus and to the wider community.

“Coming to Bond was a great decision. Bond offers an incredibly wide range of avenues through which a person can become involved in campus life. Whether it be student committees, sporting clubs, competitions, careers initiatives or social events, Bond seems to have something for everyone. When I graduate I hope to obtain a judge’s associateship in Sydney.

Collegiate Scholarship Recipient 2012
Bachelor of Laws, Bachelor of Business (Management)

Deciding to join the Bond University community is one of the best decisions I have ever made. From day one you are welcomed into the Bond family with open arms. I have been given the opportunity to be involved in and give back to the community through many different endeavours whilst at Bond. Being involved in sporting, social, cultural and academic facets of the university have enabled me to develop my leadership and management skills. Bond offers so many extra-curricular activities which really add to the student experience.
