2019 International Student Guide
A global campus for citizens of the world.

Living and studying in another country will be one of the most unforgettable experiences in your life.

You’ll meet new people, build a global professional network, embrace a different culture and maybe learn a new language. But it is a big decision to make – which is why Bond University is uniquely designed to support our international students through every stage of the overseas study experience.

With less than 5,000 students on campus and one of the lowest student: teacher ratios in Australia, you’ll immediately see the benefits of our personalised learning environment, where lecturers know their students by name and understand their individual needs.

Our international cohort represents up to 50% of our student body and come from more than 80 countries worldwide.

Collectively, they bring a unique global perspective to the learning experience, ensuring that our new students are welcomed as a member of Bond’s extended family.

We look forward to sharing ‘our’ Australia with you as we help you bring your ambition to life.

Professor Tim Brailsford
Vice Chancellor and President
Canadian Juris Doctor student, Anita Kissi is actively involved in the Bond University Student Ambassador Program, a large network of active volunteers who are rewarded for their contribution to the University community.
Why Bond?

Because we do things differently.

For the past 13 years, Bond has received the highest possible ranking for Student Experience in the independent Australian Students Satisfaction Survey.

In other words, the people who know best - our students - say that Bond is the greatest university in Australia.

1. **SMALL CLASS SIZES**
   
   Our students talk about our small class sizes, and the extra help they get from lecturers who know them by name.

2. **ACCELERATED DEGREES**

   They talk about our three-semester timetable, and the benefits of finishing their degree a year or more ahead of their peers at other universities.

3. **GREAT ACCESS**

   They talk about having access to amazing facilities, greater engagement with industry, meeting people from all over the world, and being part of a global alumni network. But most of all, they talk about the richly rewarding experience of being mentored and supported every step of the way and being presented with life-changing opportunities.

Australia’s First Private, Not-for-profit University

On 23 April, 1987, Bond University was given its University status by an Act of the State of Queensland’s Parliament.

Modelled on the traditions of the world’s best educational institutions to provide an educational experience of the highest international standards, the University continues to be recognised both in Australia and internationally as a leading not-for-profit university, where 100% of tuition fees are reinvested in ensuring our students have access to world-class facilities and learning resources, and learn under the guidance of expert academics.

Bond University is recognised as an accredited Australian university by the Tertiary Education Quality and Standards Agency (TEQSA). Bond’s courses for international students are registered with the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

Destination: Gold Coast

Bond University is located on the Gold Coast – Australia’s sixth biggest city. International students choose Bond University not only for our quality education, but for the warm climate and the unique mix of natural attractions and sightseeing opportunities right on our doorstep.

- Take a surfing lesson at Burleigh Heads Beach
- Hike up Mount Warning and catch the sunrise at the top
- Take a day trip to Byron Bay, Springbrook or Brisbane
- Eat like the locals at Miami Marketta, NightQuarter or The Collective Palm Beach
- Get up close and personal with some local furry friends at Currumbin Wildlife Sanctuary
- Shop till you drop at Pacific Fair, Harbour Town or Robina Town Centre
- Finish up a week of study by heading out to party at Surfers Paradise and Broadbeach
- Go to one of the Coast’s many music and arts festivals
- Get an adrenaline rush at one of the Gold Coast’s theme parks
- Attend a Gold Coast Titans rugby league or Gold Coast SUNS AFL home game

GRADUATE SOONER. ACHIEVE YOUR GOALS FASTER

Bond's teaching calendar is based on three semesters per year, rather than the usual two. Our programs start earlier in the year, with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree or an undergraduate and postgraduate degree in less time than it would take to complete a single degree at another university.

Our semester start dates are in January, May and September to give you more flexibility about when you start your degree.

MORE INTENSIVE, PERSONALISED CLASSES

There is a big difference between being one of 25 students in a class and a face in a crowd of up to 500.

Bond’s student: teacher ratio is one of the lowest in the country and our lecturers’ doors are always open. This means you’ll get more personalised, hands-on advice and support with your studies.

Studying at Bond
BOND’S UNIQUE CORE CURRICULUM FOR UNDERGRADUATE STUDENTS
At Bond University, we recognise that people have many careers throughout their lives where they require the soft skills to problem solve and apply their education to a variety of occupations. As a result, in every undergraduate degree (including our Higher Education Diplomas), we have embedded our three Bond Core subjects plus our professional development and community engagement program, Beyond Bond.

This Core Curriculum teaches skills that are highly valued in contemporary organisations and will be essential to your personal and professional life in any current or future profession, regardless of discipline.

Bond’s Core subjects are:
- Critical Thinking and Communication
- Leadership and Team Dynamics
- Ethical Thought and Action

bond.edu.au/core-curriculum

BEYOND BOND
Beyond Bond ensures every undergraduate student develops key employability and interpersonal skills through your choice of internships, volunteering, participation in global competitions and a broad range of extracurricular professional activities - all available from your first semester.

Administered by the Career Development Centre, this free program is personalised and tailored to your specific interests and career goals, presenting a life-learning experience like no other.

Beyond Bond is a core requirement of all Bond’s undergraduate degrees, forging the vital link between our students and key contacts in their chosen professions.

“I chose Bond because of their world-renowned reputation for quality education. The small class sizes and individual attention given by the academics has been the highlight of my time here. I also particularly like the accelerated programs so that I can complete my studies and get back to my career as fast as possible.”
The future will demand a totally new way of thinking: The old 9-to-5 employment model is already breaking down; technology has decentralised the workplace; small ideas have the potential to spark big businesses.

**ENTREPRENEURSHIP AND INNOVATION**

At Bond, we’ve engineered our programs to focus on developing adaptive, tech-savvy and future-focused graduates with a strong entrepreneurial streak.

You can major in Entrepreneurship and Innovation, create your own business enterprise, and bring entrepreneurial attitudes to whatever field you choose to study.

We’ll introduce you to industry leaders, CEOs, venture capitalists and start-up innovators.

And you’ll have the chance to develop, pitch and create your own concepts through internal and international initiatives like Bond Business Accelerator, Transformer, Gold Coast Demo Day, The World’s Challenge Challenge and Pitch@Palace.

**TRANSFORMER PROGRAM**

This free co-curricular program brings students together from all Faculties and disciplines to collaborate on a project of their own choosing or contribute to one of the many other ongoing projects. Whether you’re interested in social welfare, environmental issues, community health or developing new technologies, Transformer will show you how to apply entrepreneurial thinking to creative problem solving.

Working in teams of students who each bring different knowledge, perspectives and ideas, you’ll have access to industry experts, mentors, academic coaches, workshops and a cutting edge 24/7 co-working space.
You can’t learn everything you need to know about life from a textbook. That’s why a large part of your time at Bond involves putting theory into practice and building life experience.

LEARN FROM INDUSTRY LEADERS
Our academics don’t just teach. They consult to major companies, liaise with global governments, present at international conferences and work on ground-breaking research. You’ll learn from their real-life case studies and the industry leaders they bring to campus as guest lecturers and mentors.

EXPERIENCE THE REAL WORLD
At Bond University, we break down the barriers between the classroom and the real world, giving our students access to practical experience, current workplace knowledge and industry contacts through internships, clinical placements, study tours, projects, global competitions and more.
- Our Business students learn from entrepreneurs and start-ups in Silicon Valley;
- Our Law students argue mooting cases in Hong Kong, Beijing, Canada and Queensland’s own Supreme Court;
- Our Sports Science students work with elite athletes and professional teams from all over the world; and
- Our interns travel to amazing global cities such as Washington DC, Paris, London and New York.

GET READY FOR THE WORKFORCE
As a small university, our Career Development Centre works with every student to arrange relevant internships, employer placements, work experience and industry projects – not just towards the end of your degree, but from day one.

INTERNATIONAL EXCHANGE
Bond has international exchange agreements with more than 80 leading universities worldwide. Expand your global horizons and increase your employment prospects by studying, living and working in another country.

TOOLS OF THE TRADE
From our film and television studios to the Macquarie Trading Room, we have the very latest tools and technologies all here on one campus. And our small, personalised classes mean that everyone gets the chance to use them.
- More Bloomberg terminal access than any other university in Australia;
- One of the largest film and television production facilities in South-East Queensland;
- Paperless e-courtrooms;
- High altitude sport and exercise training rooms;
- Digital fabrication labs;
- Clinical skills rooms; and
- 3D printers, robots, simulators and more.

START YOUR CAREER NOW - WORK WHILE YOU STUDY
Your Australian Student Visa allows you to work up to 40 hours per fortnight. Bond’s Career Development Centre may be able to help you find part-time work in your chosen field or industry while you’re studying at university.

Learn by Doing
Life as a student at Bond is a richly rewarding experience leading to genuine friendships and professional connections.

Our campus is home to a truly diverse mix of students from all corners of the globe who will challenge and inspire you by opening your eyes to a world of new perspectives. They’re highly motivated to succeed, they’re actively engaged in campus life and they’ll ensure you never feel lost or alone.

**ORIENTATION**
Bond offers a dedicated orientation session for all new international students to help you find out more about studying and living in Australia and meet other new students from around the world before classes start. Our experienced staff and current students will be on hand to provide important information about studying at Bond, what to expect in your first semester; student associations to be involved in, as well as answer any of your questions. You can also join campus tours and a wide variety of social activities to get to know the campus and local area.

**CLUBS AND SOCIETIES**
Bond University is renowned for its friendly vibe and active social life, which centres on the huge variety of campus clubs, societies and student events.

They range from academic societies such as the Journalism Students’ Association and Law Students’ Association through to community welfare, sporting, professional, political and special interest groups.

Our international students can connect with friends from home at on-campus cultural organisations such as the Pacific Islanders Student Association, the Chinese Students’ Association, the Canadian Law Students’ Association and more; while religious clubs support our Christian, Jewish and Muslim students (a prayer room is located on campus).

**EVENTS ON CAMPUS**
There’s always something happening on campus, starting with our welcome ‘Jingerri’ barbeque held each semester by the Student Society for Indigenous Awareness. There is also Wednesday by the Water - a weekly free barbeque lunch on the banks of Lake Orr.

Other groups hold film nights, fundraisers and social get-togethers, and, in honour of our diverse global cohort, various clubs organise special celebrations to coincide with international and multicultural festivals, including the Super Bowl, Canada Day, Chinese New Year and our Global Food Festival.

**BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)**
Student activities are organised under the umbrella of BUSA which also serves as the student representative body on academic and administrative issues.

All students pay a Student Activities Membership (SAM) fee each semester which covers the cost of their membership to all University clubs and societies, and access to all facilities and classes at the Bond University Sports Centre.

**SPORT AND FITNESS**
Bond offers a variety of opportunities to get involved in sports. See page 16 for more information about our sports centre, sports facilities, sports clubs and more.
FOOD
Between our small classes and active social life, you’ll know almost everyone on campus by the end of your first semester. And you’ll find plenty of places to catch up with your new friends for coffee, lunch or a night out without having to leave the campus:
  - Lakeside Bar and Restaurant – A collective dining experience with food from every corner of the globe
  - Bond Express – Our on-campus convenience store, also serving snacks and beverages
  - Papyrus Café – For hot and cold drinks, light meals and snacks
  - Don’s Tavern – Our fully licensed bar and social hub of the University
  - University Club – Gourmet a la carte fine dining overlooking Lake Orr
  - Coffee Cart at Palm Court – For a quick caffeine or sugar fix
  - Kinetic Café – At the Bond Institute of Health & Sport

Just outside the campus, you will find even more options for eating and socialising at Varsity Lakes Market Square, which has coffee shops, restaurants, a pub and a supermarket.

RELIGION
Australia is a multicultural society where you are free to practise your religion. Most of the world’s religions are represented on the Gold Coast, and you will find many places of worship near the campus. As a Bond student, you will be supported in your faith through a number of religious clubs and societies, as well as a multifaith prayer room. All food outlets on campus serve halal and vegetarian food options.

ASHLEIGH CONDON
Master of Sport Management
United States of America

“Bond provides a lifestyle that is very professional and focuses not just on academics but also becoming your best self. I feel part of a close-knit community and there are many ways to connect with faculty, staff and other students. Being in classes with people from all over the globe is a rare opportunity that has made for an interesting learning environment. I have also had the opportunity to be a member of the Bond Pride Alliance and have participated in the Basketball team and Northern Uni Games. It is nice leaving here knowing that I will have friends to visit in other countries.”
Sport is in our DNA

Sport and education are entwined at Bond University. We have a proud sporting tradition and we provide opportunities for students to participate at a social, competitive or professional level.

**BOND UNIVERSITY SPORTS CENTRE**
The University’s multi-million dollar Sports Centre incorporates a state-of-the-art gymnasium, TRX Suspension Training Studio, boxing circuit training room, Olympic-sized swimming pool and a regular timetable of group exercise classes.

The campus also features extensive outdoor sporting facilities for cricket, tennis, rugby and Aussie Rules, as well as indoor basketball, netball, futsal, badminton, volleyball and squash courts.

**SPORT CLUBS**
Joining a sporting club is a great way to meet new friends and Bond has more than 20 to choose from.

They compete socially and seriously under the Bond Bull Sharks banner with the opportunity to compete in the Australian University Games, the Northern University Games and the Australian University Championships.

For information on Bond’s Sport clubs and programs visit sport.bond.edu.au.

**HIGH PERFORMANCE SPORTS**
There are a number of key performance sports in which Bond offers world-class coaching and facilities. These sports include swimming, rugby union including women’s Rugby 7’s, Aussie Rules and netball. With each of these sports, we have established high level partnerships and strategies to ensure we compete at the highest level both domestically and internationally.

**BOND ELITE SPORT PROGRAM**
Bond University is a member of the Australian Sport Commission’s Elite Athlete Friendly University (EAFU) Program, which provides flexible study loads and requirements for athletes at the very top of their sport. Athletes competing at a state, national or international level in their chosen sport are invited to apply to the Bond Elite Sport Program.

For details on Bond’s Elite Sport Program please visit sport.bond.edu.au/programs/elite-sport-program

**SPORTS RESEARCH**
The Bond Institute of Health & Sport is a world-class teaching and training centre which regularly hosts international athletes and professional teams.

Specialist training and preparation facilities include the strength and conditioning gymnasium, lap pool and temperature contrast pools, the oxygen-reduced altitude training room and the sports science laboratories.

The Institute is also used extensively by students studying exercise and sports science, physiotherapy, occupational therapy, nutrition and dietetics.
Spectators watch Bond's rugby union team play from the Fabian Fay Clubhouse.
Accommodation

Bond is located in a landscaped residential neighbourhood with a wide range of on-campus and off-campus accommodation available for our students within easy walking distance of all University study and recreational facilities.

ON-CAMPUS
On-campus housing offers your choice of air-conditioned single or shared rooms. In addition to the one-on-one academic and personal support available from the live-in team of Senior Resident Fellows, Resident Student Fellows and Tutor Fellows, resident students enjoy a great social life as they mix with classmates at mealtimes and in study sessions, and there's always someone around to talk to in the shared common areas.

Please note that General English and English for Academic Purposes students are not permitted to reside in on-campus accommodation.

MEAL PLANS
For students living on campus, it is compulsory to have a dining plan. These flexible prepaid plans can be used to purchase meals on campus at Lakeside Bar and Restaurant, Papyrus Café, Don's Tavern, Coffee Cart, Bond Xpress and the University Club.

APPLYING FOR ON-CAMPUS ACCOMMODATION
Our on-campus rooms are in high demand, so we recommend you complete your application as soon as the accommodation booking period opens. To view rooms online and complete your application, visit bond.edu.au/accommodation

HOMESTAY
Homestay accommodation offers students a fully supported living experience with a local host family. Bond University's homestay program is professionally managed by the Australian Homestay Network - homestaynetwork.org

OFF-CAMPUS
There is a wide range of rental accommodation surrounding the University if you would like to live off campus. Options include houses or apartments on a single or shared basis with weekly rent varying, depending on size, location and the number of bedrooms. You will also need to budget for a security deposit (bond), food, electricity, telephone, internet and cleaning.

Nearby off-campus accommodation options:
h2oapartments.com.au
liveinbrooklyn.com.au
thechancellor.com.au
centralparkapartments.com.au

SHARE ACCOMMODATION
Students regularly advertise for flatmates in a variety of units, townhouses and larger homes located in suburbs adjacent to the campus (Varsity Lakes, Robina) and further afield – see flatmates.com.au/bond

COUPLE AND FAMILY ACCOMMODATION
There is a variety of rental accommodation available across the Gold Coast, ranging from beachside apartments to suburban family homes near schools, business precincts and retail centres.

### Living on the Gold Coast

#### Getting Around the Gold Coast

- **By train** - A rail service operates from Robina or Varsity Lakes station close to Bond University, to the Brisbane CBD and Brisbane Airports.

- **By bus** - Regular bus services operate from in front of the University to the main shopping, residential and tourist areas on the Gold Coast.

- **Walking distance from campus** - there are shops, a small supermarket, cafes, restaurants and facilities just outside the campus at Varsity Lakes.

#### Getting to Bond University

- **From Gold Coast Airport** - 30 minute drive
- **From Brisbane Airport** - 1 hour drive

Airport transfers from either the Gold Coast or Brisbane can be booked via bond.starrezhousing.com/StarRezPortal

#### Weekly Living Costs*

The Australian Government’s Department of Home Affairs requires students to have access to a minimum of $20,290 per year to fund their living expenses.

#### Other Costs

When considering the costs associated with your studies, keep in mind that Bond’s accelerated schedule means you’ll finish your degree sooner and be out in the workforce up to a year earlier than if you went to another university. This time saving also represents a substantial reduction in accommodation and living costs, plus a full year of extra earnings.

Other costs you will need to budget for include:
- Tuition fees
- Visa application fees
- Overseas Student Health Cover (OSHC)
- Student Activities Membership (SAM) Fee
- Flights
- Cost of living
- Other personal and study-related expenses

*Prices are approximate and can vary depending on budget and lifestyle.*
This is an investment in your future – one of the biggest and most impactful you will ever make – and, as with any investment, it’s important to understand the distinction between ‘cost’ and ‘value’. Employers constantly tell us that a student’s degree is just one element that they consider. The applicants who can really add value to their business are those who offer the total package – life experience, international exchange, industry experience, extracurricular participation, global perspective, leadership qualities and community engagement.

Bond can offer all this by investing 100 per cent of your tuition fees into providing a five-star educational experience, state-of-the-art facilities and a truly personalised student framework.

When considering the costs associated with your studies, keep in mind that Bond’s accelerated schedule means you’ll finish your degree sooner and be out in the workforce up to a year earlier than if you went to another university. This time saving also represents a substantial reduction in accommodation and living costs, plus a full year of extra earnings.

Choosing the right university will make all the difference between an ordinary and an extraordinary life.
BOND UNIVERSITY SCHOLARSHIPS AND BURSARIES
Bond offers a number of part tuition scholarships and bursaries to international students for undergraduate, postgraduate and research degrees. Applicants will need to demonstrate outstanding academic ability, strong leadership skills and community engagement.

For selection criteria, conditions and application closing dates, visit bond.edu.au/scholarships

STUDENT OPPORTUNITY FUND
The Student Opportunity Fund provides grants of up to AUD$2,000 to help finance unique and outstanding ‘beyond the classroom’ educational experiences for our current students, including academic, leadership and other extracurricular activities.

For more information on eligibility and application closing dates, visit bond.edu.au/student-opportunity-fund

HELP FROM HOME
Many countries offer their citizens scholarships, grants or some form of student loans for overseas study. For the most up-to-date advice, go to your country’s government website.

Postgraduate and research funding may also be available through your home university, your employer or professional organisations in your country or region.

CANADA
Canada Student Loans Program
In Canada, the federal and provincial governments jointly administer student financial assistance through the Canada Student Loans Program which includes Federal student loans (called Canada Student Loans) and Provincial student loans. Bond University is a recognised institution in the Canada Student Loans Program. The Canada Student Loans Program provides interest free loans whilst students are enrolled at least half time.

Bank Loans or Lines of Credit
Major Canadian banks offer limited student credit lines. This option normally only covers a portion of the cost associated with attending university abroad. Some of Canada’s major banks have designed a line of credit tailored to students. These lines of credit are negotiated on a case-by-case basis.

• Bank of Montreal
• CIBC
• RBC Royal Bank
• Scotiabank
• TD Canada Trust

USA
Bond University participates in the William D. Ford Direct Loan Program, which offers Stafford (Subsidized and Unsubsidized) and PLUS loans to U.S. Citizens. Loans can only be used for bachelor’s, master’s and doctorate programs. The maximum loan amount that you are eligible to borrow is determined by a process called Financial Needs Analysis (FNA). Firstly, your Cost of Attendance (COA) is determined based on the cost factors below. This is an estimate of your expected educational costs for the period in which you enrol (maximum period one year). Your Estimated Financial Assistance (EFA), e.g. sponsorships or scholarships, is deducted from the COA to establish the amount that you can borrow. In the case of dependent undergraduate students, the Expected Family Contribution (EFC), reported on the top right corner of your SAR, as well as your EFA, is deducted from your COA to determine your financial need and eligibility for a Subsidized loan.

Available loans include:
• Subsidized Stafford Loans
• Unsubsidized Stafford Loans
• Parent PLUS Loans for Undergraduate Dependent Students
• PLUS Loans for Graduate Students
• US Department of Veterans Affairs Education Benefit Program*

For a full list of options for financing your studies visit bond.edu.au/future-students/bond-international/bond-your-country.

*More information about education benefits offered by VA is available at benefits.va.gov/gibill/education_programs.asp.
Our team of experienced specialists are available on campus at any time to help you with everything from subject enrolment, tutoring and study support through to personal security and counselling.

ACADEMIC SUPPORT
Our academics and Faculty support staff know their students by name. Their open-door policy makes it easy to ask for help at any time.

ACADEMIC AND ENGLISH LANGUAGE SUPPORT
The Student Learning Support team offers personalised help, with free one-on-one consultation sessions that students can book up to once per week for help with assignments, and workshops in academic writing, time management, oral presentations, exam preparation and much more. Please note that this service is provided to General English and English for Academic Purposes students already from their teachers.

IT / TECH SUPPORT
The IT Service Desk knows everything about our technology and computer systems, from Wi-Fi and mobile access through to audio-visual and conferencing equipment.

MENTORING
Our alumni and industry connections are ready, willing and available to provide personal guidance and valuable career advice.

CAREER PREPARATION
Connect with the Career Development Centre from day one to access free workshops and one-on-one careers guidance. Their qualified Employment Services Specialists will also facilitate your industry internships and placements.

24 / 7 SECURITY
Your safety is our number-one priority, and our Security team are available on campus 24 / 7. You can drop by their office or give them a call if you ever need assistance.

BOND UNIVERSITY STUDENT ASSOCIATION (BUSA)
BUSA gives students a voice on campus by providing advocacy and support. It is also a vital information hub, connecting you to social networks, clubs, associations and co-curricular activities. For more information, visit busa.com.au

HEALTH AND WELLBEING
Our on-campus Medical Clinic is staffed full-time by a doctor and a nurse. We also offer free confidential counselling from our qualified psychologist and specialised support for students with a disability.

CULTURAL DIVERSITY
Bond University provides a caring, inclusive and respectful environment with support, social networks and clubs for students of different races, religions and cultural backgrounds, including LGBTIQ and First Nations students.

RESPECT. NOW. ALWAYS
Bond University and the Bond University Student Association (BUSA) are jointly committed to a healthy culture of respect and responsibility that provides for a safe and supportive campus for everyone.

DEDICATED INTERNATIONAL STUDENT SUPPORT
Bond has a strong contingent of international students, coming from over 80 countries. Our specialist International Student Team can help you manage any issues relating to Student Visas, Overseas Student Health Cover (OSHC), English language tutoring and personal counselling.
Whether you want to change the world, change your community or change your life, the journey to your future starts on campus at the Career Development Centre (CDC).

From your first weeks at University, our team of qualified Employment Services Specialists can help you develop your career goals or guide you through the career change process. They offer a range of workshops, seminars and networking functions, and will work with you one-on-one to identify career opportunities, write applications and resumes, make connections with key employers and recruitment agencies, and prepare for interviews.

You’ll find job listings in 24 countries worldwide on the online careers and employment portal, which can put you in contact with graduate recruitment representatives in your field. They also host Bond’s annual Job and Internship Fair.

The CDC also serves as the vital link between students and our industry partners to manage internships and placements that offer practical experience and potential career contacts with leading Australian and international employers.

Ongoing career support is available to all Bond students even after they graduate, providing you with life-long advice and guidance, as well as access to the online careers portal.

For more information about the CDC please visit bond.edu.au/cdc.

Global Alumni Network

As a Bond graduate, you will become a member of a worldwide alumni network, providing you with contacts, support and friendship wherever you may go.

On campus, you’ll benefit from the global perspectives and experience they bring to the classrooms, discussions and group assignments. You’ll also form lifelong friendships and empowering relationships with people from all over the world.

These connections are maintained and developed long after you graduate through Bond’s active Alumni Association.

With more than 25,000 graduates now living and working in over 130 countries, you’ll find Bond Alumni Committees active in every corner of the globe; willing to offer help, friendship and professional connections.

Our Alumni also play an active role in life on campus:
- Offering our students exclusive work experience opportunities, internships and clinical placements;
- Sharing their wealth of life and career experience as regular guest speakers and lecturers;
- Partnering with individual students through our Alumni Mentor Program; and
- Contributing to the University’s Ambition Fund.
Bond University provides options for all levels of tertiary study - from English language and academic preparation programs through to full bachelor, master and doctorate degrees.

**UNDERGRADUATE PROGRAMS**
- Bachelor: 6 - 8 semesters (2 - 3 years)
- Bachelor with Honours: Additional 2 - 3 semesters (1 year) of coursework, seminars and supervised research

**ACADEMIC PATHWAYS**
- Bond University College (see page 26)
- Foundation: 2 semesters (8 months)
- Higher Education Diplomas: 2 semesters (8 months)

**POSTGRADUATE COURSEWORK PROGRAMS**
- Master: 2 - 6 semesters (8 - 24 months)
- Master (Professional): 4 semesters plus 20 week internship (92 weeks)
- Graduate Certificate: 1 semester (4 months)
- Graduate Diploma: 2 semesters (8 months)

**ENGLISH LANGUAGE COURSES**
- Bond University College
  - English for Academic Purposes
  - General English

**HIGHER DEGREES BY RESEARCH (HDR)**
- Doctor of Philosophy (PhD): Maximum 12 semesters (4 years)
- Master of Philosophy (MPhil): Maximum 6 semesters (2 years)

**STUDY ABROAD PROGRAM**
Bond's Study Abroad Program gives you the opportunity to come to Bond for one or two semesters and study a wide range of subjects from our undergraduate and postgraduate degrees.

Our three semester structure gives you the flexibility to start in January, May or September, making it easy to fit a Study Abroad semester into your existing study schedule or in your summer break.

And, depending on the subjects you choose at Bond, your home university may credit your Study Abroad subjects towards your degree so you’ll still finish in the same timeframe.

Visit [bond.edu.au/study-abroad](http://bond.edu.au/study-abroad) to see our Study Abroad and Exchange Guide for more information.

Explore the stunning Gold Coast hinterland.
UNDERGRADUATE PROGRAMS
Bachelor Degree
Admission to a bachelor degree is usually based on high school academic results and English language criteria. See page 67 for country-specific entry requirements.

Pathway Options
If you don’t meet the academic entry requirements for your chosen bachelor degree, you could study the Bond University College Foundation Program or a Higher Education Diploma at Bond University College as a pathway first. See page 26 for further details.

POSTGRADUATE PROGRAMS
Admission to postgraduate coursework degrees generally requires a bachelor degree from a recognised university, however in some cases, extensive career experience in a relevant industry may meet the entry criteria.

HIGHER DEGREES BY RESEARCH (HDR)
Admission to HDR programs generally requires a bachelor degree with Class I or Class II Honours, a postgraduate qualification incorporating a significant research component, or a record of significant research experience deemed to be of a comparable standard to a bachelor degree with Class I or Class II Honours. See page 65 for further details.

ENGLISH LANGUAGE ENTRY REQUIREMENTS
Bond University has specific English language entry requirements for each of our programs. See page 66 for further details.

CREDIT TRANSFER
You may be able to transfer subject credits into your chosen Bond degree for previous tertiary studies in a relevant or related field. You can apply for a credit transfer using the Bond University application form by including certified copies of transcripts from your previous studies, detailed course outlines and subject descriptions. For more information, visit bond.edu.au/credit.

GRADUATE SOONER WITH OUR THREE SEMESTER SYSTEM
Bond's teaching calendar is based on three semesters per year, rather than the usual two. Our programs start earlier in the year, with shorter breaks between each semester so you can graduate much sooner. You could also complete a combined degree or an undergraduate and postgraduate degree in less time than it would take to complete a single degree at another university.

Our semester start dates are in January, May and September to give you more flexibility about when you start your degree.

STUDY SCHEDULE
International students must commit to a full-time study load as a requirement of their Australian Student Visa. A full-time study load is the equivalent of four subjects per semester or 40 credit points.
The Bond University College Foundation Program has been specifically designed for international students as a pathway into first year undergraduate study. You will learn the core skills necessary for academic success, delivered by experienced and supportive teachers in small, personalised classes. Successfully passing the Foundation Program will allow entry into most undergraduate programs, however, entry into the Bachelor of Laws requires a GPA of 70% or higher.

Subjects for the Foundation Program include:
- Academic Skills
- Introduction to Entrepreneurship and Innovation
- Foundation Mathematics 1
- Introduction to Multimedia
- World History and Politics
- Foundation English 1
- Foundation English 2
- Plus one of either Society and Culture, Introduction to Economics, Foundation Mathematics 2 or Elementary Maths

Our diploma level studies provide a pathway for students who do not meet the academic or English language requirements for direct entry into their chosen bachelor degree, or who would prefer to start their university journey in a more supported environment. Successful completion of your diploma qualifies you for entry into a Bond bachelor degree, with varying credit.

- Diploma of Business (CRICOS 078663E)
- Diploma of Communication (CRICOS 078664D)
- Diploma of Criminology (CRICOS 078658B)
- Diploma of Health Sciences (CRICOS 093260K)
- Diploma of International Hotel and Tourism Management (CRICOS 088313M)
- Diploma of Legal Studies (CRICOS 080298C)
- Diploma of Sport Management (CRICOS 078901G)

If you don’t meet the entry requirements for your chosen degree, Bond University offers a range of pathway programs to help you achieve the academic and English language requirements you need. Our pathway programs are delivered on campus by Bond University College where you will benefit from extra hours of face-to-face teaching in a small class, mentoring environment.

Bond University College is located in the heart of the Bond University campus. You will have access to all of the University resources and facilities and will be welcomed as a fully fledged member of the University community from the day you arrive.

*The average Bond University undergraduate degree is two years but may be longer in some areas of study.
Diploma of Business
Bachelor of Laws

"Studying a Diploma of Business at Bond University College helped me get into the swing of study by building a strong routine and healthy work habits, as well as providing mentoring and support.

I have developed a better understanding of balance in all facets of my life, including better personal financial management, setting career goals, self-development, leadership and personal health, as well as giving back to the community in the form of a volunteer organisation.

Without the knowledge that I acquired at Bond, I feel I would have never been able to achieve what I have in such a short time frame."

ZACHARIAH BURRIDGE
Undergraduate Study Options

There’s a lot to consider when deciding what you will study. Knowing where your degree will take you after you graduate is very important. Use this index to explore your study options based on your career interests.

**BUSINESS AND COMMERCE**

For careers relating to accounting, actuarial science, big data, digital business, economics, entrepreneurship, finance, hotel and tourism management, international business, management, sport management and marketing.

- Diploma of Business 34
- Diploma of International Hotel and Tourism Management 35
- Diploma of Sport Management 35
- Bachelor of Actuarial Science 34
- Bachelor of Business 34
- Bachelor of Business (3 Year Program) 34
- Bachelor of Commerce 34
- Bachelor of Commerce (3 Year Program) 34
- Bachelor of International Hotel and Tourism Management 35
- Bachelor of Sport Management 35

**COMMUNICATION AND CREATIVE MEDIA**

For careers relating to advertising, film and television, computer game development, communication and media, journalism, marketing and public relations.

- Diploma of Communication 44
- Bachelor of Arts 44
- Bachelor of Communication 44
- Bachelor of Communication (Business) 44
- Bachelor of Creative Arts 45
- Bachelor of Film and Television 45
- Bachelor of Film and Television (3 Year Program) 45
- Bachelor of Interactive Media and Design 46
- Bachelor of Journalism 46

**HEALTH SCIENCES AND MEDICINE**

For careers relating to exercise and sports science, health sciences, biomedical science and medicine.

- Diploma of Health Sciences 56
- Bachelor of Biomedical Science 56
- Bachelor of Exercise and Sports Science 56
- Bachelor of Health Sciences (Honours available) 56
- Medical Program^ 56

**LAW, CRIMINOLOGY AND CRIMINAL JUSTICE**

For careers relating to law, dispute resolution, business law, criminology, corporate and commercial law, and forensics.

- Diploma of Criminology 46
- Diploma of Legal Studies 62
- Bachelor of Business Law 62
- Bachelor of Jurisprudence 62

Bond Business School

**Global Rankings for Bond**
Bond Business School has accreditations from EQUIS and AACSB. This places Bond in the top 2% (EQUIS) and 5% (AACSB) of business programs in the world.

**First for Students**
Bond’s MBA was rated #1 for student satisfaction according to Boss Rankings published by the Financial Review.

**Classroom Meets Boardroom**
Bond breaks down barriers between the classroom and the boardroom by collaborating with local and international organisations.

**Graduate Outcomes**
The number one job title held by Bond Business School Alumni is Director, closely followed by Managing Director, Manager, Owner and CEO*.

*Bond University Alumni database, 2017.
CENTRE FOR ACTUARIAL AND FINANCIAL BIG DATA ANALYSIS
Working in the global arena, this world-recognised centre is a major drawcard for higher degree, academic and commercial research, giving our students access to internationally renowned scholars, authors and experts in the burgeoning field of big data.

TRANSFORMER SPACE
This free co-curricular program brings students together from all Faculties and disciplines to collaborate on a project of their own or contribute to one of the many other ongoing projects taking it from initial idea to execution. Whether you’re interested in social welfare, environmental issues, community health or developing new technologies, Transformer will show you how to apply entrepreneurial thinking to creative problem solving. Working in teams of students who each bring different knowledge, perspectives and ideas, you’ll have access to industry experts, mentors, academic coaches, workshops and a cutting edge 24 / 7 co-working space.

MACQUARIE TRADING ROOMS
In our two industry-standard trading rooms, you’ll have 24 / 7 access to live financial market data via 40 Bloomberg terminals. You’ll be executing deals, managing portfolios and trading securities in real time based on current market conditions.

COMMERCIALISATION CENTRE
Home of the Bond Business Accelerator, Pop Up Entrepreneur Series, Gold Coast Demo Day and the Silicon Valley Study Tours, this dynamic and energetic space is designed to encourage collaboration, networking and inspiration.

INDUSTRY LINKS
The Bond Business School has established relationships with many local and international organisations, including:

- Accor
- ANZ
- ASX
- Austrade
- Bartercard
- Deloitte
- Disney
- EY
- Goldman Sachs
- Hilton
- InterContinental
- JBWere
- KPMG
- Macquarie Group
- Marriott
- Mercer
- PwC
- Quantum
- RACQ
- Suncorp Group
- Virgin
- Wyndham
Bachelor of Actuarial Science

PROGRAM DESCRIPTION
- Study economics, statistics, finance and data analytics for the management of risk and business decision making.
- Make use of our 40 Bloomberg terminals and get hands-on using live data.
- Bond is the only Australian university to provide the opportunity to combine the Actuarial degree with Big Data training.
- Honours is available after successful completion of this program with a GPA of 2.0 / 4.0 or higher.
- Professional recognition by the Actuaries Institute.
- This program meets Part 1 accreditation with the Actuaries Institute.
- English language support classes are provided by Bond Business School.

RECOMMENDED STUDY PATHWAY
- Bachelor of Actuarial Science > Master of Finance (2 years, 8 months)

MAJORS
- Big Data
- Finance

**ISAAC WORTH**

Bachelor of Sport Management
United States of America

“The appeal of Bond having accelerated degrees, small class sizes, great location and highly reputable staff made it an easy choice to pick studying here. Being an American, Bond sets itself apart from my friends’ universities back home as Bond jumps right into classes that go towards your degree.”
## Postgraduate Degrees

### Master of Accounting

The Master of Accounting program gives those with undergraduate credentials in fields other than accounting an opportunity to gain a professional accounting qualification. In addition, you will develop self-analysis and reflective learning skills and apply theoretical solutions for practical workplace problems. You will also have the opportunity to gain a Bloomberg certification during your degree and unlock your potential for more job opportunities in the global market.

**PROGRAM DESCRIPTION**
- Gain the knowledge and skills needed to work in the accounting profession.
- Designed for recent graduates and professionals in fields other than accounting, however accounting graduates may be eligible to enter the program with advanced standing.

**ENTRY REQUIREMENTS**
- An undergraduate degree in any discipline other than accounting; or
- A non-degree professional accounting qualification with at least five years’ work experience.
- Applicants with prior Accounting qualifications may be eligible for advanced standing.

**PROFESSIONAL OUTCOMES**
- Graduates are eligible for employment in major accounting practices (public accounting or chartered accountants), corporations, the public sector and not-for-profit organisations.

**Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester.**

- **Duration**: 4 semesters (1 year, 4 months)
- **Starting**: Jan May Sep
- **CRICOS**: 06315A
- **Fee**: $60,360 ($15,090 per semester)

---

### Master of Accounting (Professional)

**PROGRAM DESCRIPTION**
- This program follows the same structure as the Master of Accounting with an additional 20-week Work Integrated Learning component.

**ENTRY REQUIREMENTS**
- An undergraduate degree in any discipline other than accounting; or
- A non-degree professional accounting qualification with at least five years’ work experience.
- Applicants with prior Accounting qualifications may be eligible for advanced standing.

**Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester.**

- **Duration**: 5 semesters (92 weeks)
- **Starting**: Jan May Sep
- **CRICOS**: 06352U
- **Fee**: $65,390 ($13,078 per semester)

---

### Master of Actuarial Practice

**PROGRAM DESCRIPTION**
- This degree allows students with an undergraduate degree in a non-related field an opportunity to complete Part 1 and Part 2 with the Actuaries Institute.
- Study economics, statistics, finance and data analytics for the management of risk and business decision making.
- Contains a 20-week thesis component in the final semester.
- You will have the opportunity to undertake a four subject specialisation, plus one elective; or complete five electives.

**SPECIALISATION**
- The recommended specialisation is Big Data, but also available are:
  - Digital Business
  - Finance
  - International Business
  - Marketing
  - Tourism and Hotel Management

SPECIALISATIONS
- You will complete one specialisation from the following list:
  - Big Data
  - Digital Business
  - Finance
  - International Business
  - Marketing
  - Tourism and Hotel Management

Take advantage of the School’s formal mentor program where you will be supported by academic staff, senior students and alumni. Unparalleled access to Bond Business School’s two financial trading rooms and 40 Bloomberg data-sourcing terminals.

DR BADEN U’REN
Assistant Professor of Entreprenuership

Baden draws upon his industry and startup knowledge to deliver a practical and relevant educational experience to his students. He previously worked at NAB and QIC Private Equity and is a cofounder of two innovative businesses: one in ag-tech and the other in veterinary services.

TEACHING SUBJECTS
- Creating and Growing a Business
- Entrepreneurship and Innovation
- Business Model Generation

TEACHING AWARDS
- Australian Award for University Teaching (2008, 2016)
- Vice Chancellor’s Award for Outstanding Contribution to Student Learning (2016)
- Faculty Award for External Engagement (2014)

BEST THING ABOUT BOND
The day that Richard Branson arrived in his helicopter; we hosted him in an informal Q&A session with a packed theatre of wide-eyed Bondies, and he left with one of our entrepreneurship students bound for a music festival.

*Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester. For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.
# Postgraduate Degrees

## Master of Business (Professional)

**PROGRAM DESCRIPTION**
- This program follows the same structure as the Master of Business with an additional 20-week Work Integrated Learning component.

**ENTRY REQUIREMENTS**
- Completion of an Australian Qualifications Framework Level 7 Bachelor degree.

**Program Description**

- A heavily hands-on and project-based degree.
- Balances creative practice theory with practical production experience.
- Focused on the key creative areas of directing, producing, screenwriting, cinematography, editing, sound and production design.
- You will gain skills in traditional and emerging production technologies, develop cinema aesthetics, critical faculties, and receive insight into the commercial and industrial aspects of international film and television industry.

**Program Structure**

- University Core Subjects (3)
  - Three Bond Core subjects plus one compulsory not-for-credit component. Please refer to page 17.
- Foundation Subjects (15)
  - Cinematography and Lighting
  - Directing
  - Documentary Production
  - Film and Television Editing
  - Film Style and Genre
  - Film and Television Audio Production
  - Image and Photography
  - Producing 1: International Film Industry
  - Producing 2: Project Development
  - Screenwriting 1
  - Screenwriting 2
  - Screen Production 1
  - Screen Production 2
  - Screen Production 3
  - Television 1: Studio Production

**Elective Subjects (6)**

- Students must choose three (3) subjects from the following list:
  - Music Video and TVC Production
  - Sex, Society and the Movies
  - Cinematography and Lighting
  - Television 2: Sport and Live Production
  - Directing 2: Camera and Coverage

**University Core Subjects (3)**

- Image and Photography
- Film and Television Audio Production
- Film Style and Genre
- Film and Television Editing
- Directing
- Producing 2: Project Development
- Screenwriting
- Screen Production 1
- Screen Production 2
- Screen Production 3
- Television 1: Studio Production

**Bachelor of Global Studies (Sustainability)**

- **Integrates economic, social and environmental perspectives of sustainability to business, government and community.**
- **The program takes a multidisciplinary approach to addressing complex challenges of global sustainability.**
- **Upon completion, you will have the cognitive skills to identify, analyse and synthesise knowledge relating to different causes and possible solutions of global sustainability challenges.**
## Bachelor of Interactive Media and Design

**PROGRAM DESCRIPTION**
- Gain the essential skills needed for the next generation of jobs to thrive in our forthcoming futuristic environment.
- This degree is founded on the growing market power of the creative industries, which are based on design, web and procedural communications.
- Upon completion of this program, you could be a web designer, graphic designer, software engineer, animator, game designer, virtual reality developer, mobile app creator and many more career opportunities in the growing multimedia and digital space. This degree aims to prepare you for jobs that may not even exist yet.

**PROGRAM STRUCTURE**
- University Core Subjects (3)
- Three Bond Core subjects plus one compulsory not-for-credit component. Please refer to page 11.
- Foundation Subjects (6)
- Design Communications
- Responsive Web Design
- Sketching With Code
- 3D Modeling and Visualisation
- Digital Media and Society
- Interactive Experience
- Major (2)
- Two specialist majors chosen from the following list.

**IELTS score** 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)

For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

### Bachelor of International Relations

**PROGRAM DESCRIPTION**
- Enhance your international perspective and understanding of world politics and policies, as well as world development and international issues.
- You will have the opportunity to take part in active learning exercises throughout your degree, such as for-credit internships in Australia and overseas, as well as Model UN programs around the world.

**PROFESSIONAL OUTCOMES**
- Defence
- Diplomacy
- Foreign affairs

**MAJORS**
- Global Governance and Politics
- International Diplomacy
- International Relations

### Bachelor of International Relations (3 Year Program)

**PROGRAM DESCRIPTION**
- For international students who wish to study via a two semester model where you will study in January and September semesters.

**Bachelor of Journalism**

**PROGRAM DESCRIPTION**
- Students are trained in news writing, broadcast reporting, photography, media rounds and industries, digital publication and design, media ethics and law.
- Students will have the opportunity to report for local, national and international media outlets throughout their degree and can undertake internships in Australia or internationally in places like New York, Washington DC and London.

**MAJORS**
- You will be able to choose one major from the list below:
  - Advertising
  - Australian Studies
  - Business Context and Environment
  - Communication or Corporate Communication
  - Creative Writing
  - Criminology
  - Environmental Science and Management
  - Film and Television
  - International Relations
  - Legal, Government and Crime Studies
  - Media and Social Media
  - Multimedia
  - Public Relations
  - Sport Industry
  - Sustainable Environments and Planning

**COMBINED DEGREE OPTIONS**
- Bachelor of Journalism / Bachelor of Laws (CRICOS 09991B)

### Bachelor of Property

**PROGRAM DESCRIPTION**
- Covers a comprehensive range of subjects within the property development and management industry, including construction practices, feasibility studies, finance, investment and valuation, property markets, sustainable development and urban development.
- Classes are delivered in Bond’s Sustainable Development Building.
- Provides an opportunity to specialise in Property Valuation.

### Diploma of Criminology

**PROGRAM DESCRIPTION**
- This diploma will familiarise you with the criminal justice system and give you the ability to draw on knowledge and perspectives from a range of disciplines such as law, sociology, psychology and history.
- This program can be used as a pathway for entry into several Bond programs, with successful completion guaranteeing entry into the Bachelor of Laws, Bachelor of Psychological Science or Bachelor of Social Science with 8 subjects of credit.

---

*Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester.*

*For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.*

**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)**

**IELTS score 6.5 (Writing 6.0, Reading 6.0, Listening 6.0, Speaking 6.0).

Bond's Built Environment programs are taught by industry professionals, providing first-hand knowledge of the importance of sustainable development in modern day society.
# Master of Architecture

This degree is designed to develop you to be fearless in your design ability, as well as gain the confidence to change the world and the habitats of the future through your creative design skills, imaginative vision, strategic thinking and technical proficiency.

**PROGRAM DESCRIPTION**
- You will experience research initiatives and studio workshops led by distinguished visiting professionals and internationally recognised professionals.
- Some of the Abedian School of Architecture associations include the Architectural Association School of Architects (UK), The Bartlett School of Architecture, University College (UK), the Pratt Institute (USA) and Virginia Tech (USA).
- Access seven new design studios, computing and fabrication laboratories, a digital robotics laboratory, traditional workshops, reading and resource rooms, an atelier as well as impressive exhibition and event space.

**ENTRY REQUIREMENTS**
- A combination of qualifications deemed to be equivalent to an undergraduate degree program approved by the Australia New Zealand Architecture Program Accreditation Procedure (ANZAPAP) with a credit average (GPA 2.0 / 4.0 or 5.0 / 7.0) and high quality portfolio of design work.

**PROFESSIONAL OUTCOMES**
- Upon graduation, you will have the requisite work experience to gain eligibility towards the professional status of Architect in Australia and overseas.
- You will be able to work in architecture firms, government, construction, development, infrastructure and planning industries in Australia and overseas.

## Taught in the Abedian School of Architecture, where you'll have 24/7 access.

## Opportunities to see a range of professional and academic guest speakers through the Abedian School of Architecture Lecture Series.

For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs. **IELTS score 6.5 (Reading 6.5, Writing 6.5, Listening 6.0, Speaking 6.0)
“Coming from a large university for my undergraduate degree, it was quite a drastic change to a smaller university. I was nervous that there wouldn’t be the same opportunities available, but I was wrong. The smaller classes made it easier to build relationships with the teachers and classmates, and the opportunities seem limitless here.

The best part of my degree at Bond has been the practical experience. While focusing heavily on the theoretical knowledge surrounding our communications courses, we have also had many opportunities to gain real-world experiences. In the Public Relations Masterclass and the Advertising Masterclass, we had the opportunities to work with real clients to create pitches in a realistic and competitive manner.”

TAYLOR KEHOE
Master of Communication (Professional)
United States of America
## Graduate Certificate in Criminology

**PROGRAM DESCRIPTION**
- Provides you with an understanding of a broad range of criminological theories and practical applications.
- Will prepare you to undertake professional or skilled work, or as a pathway to more advanced areas of study.
- Prepares you to understand, evaluate and conduct research at a high level, understand knowledge acquisition and critical thinking, and will be exposed to theoretical concepts within criminology as well as performing evaluations of criminal behaviours through case studies.

**ENTRY REQUIREMENTS**
- An Australian Qualifications Framework Level 7 Bachelor degree at an approved institution.

**PROGRAM DESCRIPTION**
- Provides an understanding of a broad range of issues involving criminal theories, contemporary information on crime prevention, the theory and practice of punishment, criminal offenders, the police, courts and correctional institutions, including current crime and deviance issues.
- You will be provided with knowledge, research skills and techniques required for the analysis of criminological issues and an understanding of how to critically evaluate published research.

**ENTRY REQUIREMENTS**
- An Australian Qualifications Framework Level 7 Bachelor degree in a field cognate to the proposed degree.

($12,915 per semester)

*Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester.
For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.

**IELTS score 6.5** (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)
A booming economy demands more project managers. As the number of projects increase, employers seek graduates with skills in communication, leadership, team management, negotiation, and risk management. Graduates must be able to apply these skills to an agile and flexible industry.

The Master of Project Management (Professional) equips graduates with knowledge in an array of areas, including sustainable practices, strategy, and market performance.

**PROGRAM DESCRIPTION**
- Follows the same structure as the Master of Project Management with an additional 20-week Professional Portfolio component.
- Professional Portfolio is a 45 credit point subject available to Master’s (Professional) students in the Faculty of Society & Design. This subject is strongly experientially oriented and encourages you to develop your professional skills in a real world environment.

**ENTRY REQUIREMENTS**
- Completion of an Australian Qualifications Framework Level 7 Bachelor degree at an approved institution.
- In addition, this program requires successful completion of: English, and Mathematics at the level of Mathematics A or equivalent; and One (1) of Physical Education or Biology or Chemistry or Physics or Science 21 or equivalent.

**PROFESSIONAL OUTCOMES**
- This degree will provide you with the ability to progress into a wide range of careers related to:
  - Architecture
  - Construction
  - Facilities management
  - IT
  - Property
  - Skills applicable to civil engineering sector
  - Skills applicable to mining sector

Graduates of this degree are internationally recognised by the Royal Institution of Chartered Surveyors (RICS) and the Project Management Institute (PMI). They are also nationally accredited by the Australian Institute of Project Management.

### Master of Psychology (Clinical)

**PROGRAM DESCRIPTION**
- Provides advanced education in the professional practice of psychology.
- Training is based on a scientist-practitioner model and is designed to prepare you with the knowledge and applied skills required by a registered practising psychologist in the area of clinical psychology.
- The program integrates coursework, research and practical placement experience.
- You will complete a series of placement experiences under the supervision of highly qualified and experienced supervisors, and apply best practice models to a professional standard.
- Upon graduation, you will be eligible to apply for full registration as a Psychologist, full membership of the APS, and associate membership of the APS College of Clinical Psychologists.

**ENTRY REQUIREMENTS**
- Students who have obtained their qualifications outside Australia must have their qualifications assessed prior to applying for this program and prior to applying for registration with the Psychology Board of Australia. The Australian Psychological Society (APS) provides this assessment service for the Board and the assessment assists the Board in determining if the student’s qualifications are equivalent to an ‘approved qualification’. However, it is important to note the final decision on equivalence rests with the Board. For more information on equivalency assessments please visit the Australian Psychological Society’s website.

**PROGRAM DESCRIPTION**
- Provides an opportunity to study in the areas of Environmental Management and / or Urban Design and Planning. Both areas are increasing urbanisation and significant environmental challenges.
- Gain the professional skills required for work in a variety of natural and built environment fields involving creating sustainable environments.

**ENTRY REQUIREMENTS**
- An Australian Qualifications Framework Level 7 Bachelor degree at an approved institution.

### Graduate Diploma of Psychological Science

**PROGRAM DESCRIPTION**
- You will undertake advanced training in a range of methodological (research methods, psychometrics, statistics) and applied areas, and develop competence in conducting research.
- On completion of this course, you may apply for provisional registration as a psychologist providing you enrol in further postgraduate studies or undertake two years’ supervised training.

**ENTRY REQUIREMENTS**
- Completion of an accredited three-year sequence of study in psychology in Australia, or equivalent.
- Assessed on academic merit and must have achieved a minimum GPA of 2.0 / 4.0 on the Bond University four-point scale for all second and third level psychology subjects in their undergraduate studies.

### Graduate Certificate of Sustainable Environments and Planning

**PROGRAM DESCRIPTION**
- Provides an opportunity to study in the areas of Environmental Management and / or Urban Design and Planning. Both areas are increasing urbanisation and significant environmental challenges.
- Gain the professional skills required for work in a variety of natural and built environment fields involving creating sustainable environments.

In 2018, Bond’s Health Sciences and Medicine was rated 5 Stars for Education Experience by the Good Universities Guide.

Replicating a hospital ward, the Bond Virtual Hospital is the first of its kind and offers clinical teaching sessions with simulated patients, allowing students to learn vital skills in a real-life setting.

The Faculty houses the Clem Jones Research Centre for Regenerative Medicine, the Centre for Urology Research and the Clinical Education and Research Centre (a collaboration with Queensland Health).
INDUSTRY LINKS

Bond students have gained experience from organisations such as:

- World Surf League
- Australian Football League
- Australian Institute of Sport
- Australian Olympic Committee
- Australian Rugby Union
- Australian Sports Commission
- Australian University Games
- Baseball Queensland
- Gold Coast City Council
- Gold Coast Hospital
- International Rugby Board
- Momentum Sports Performance Centre
- Netball Queensland
- Pathology Queensland
- Queensland Academy of Sport
- Queensland Medical Laboratory (QML)
- Queensland Cardiology Group
- Sullivan Nicolaides Pathology
- Robina Hospital
- Gold Coast Hospital Health Service
- Wesley Private Hospital
- Pindara Hospital
- Gold Coast Private Hospital
- Gold Coast Primary Health Network (GCPHN)
- John Flynn Private Hospital
- Lismore Base Hospital
- Roma Hospital
- Breast Screen Queensland
- The Tweed Hospital
## Bachelor of Biomedical Science

- Develop your knowledge in molecular, cellular, anatomical and physiological processes of the human body.
- Extensive laboratory training is provided from your first semester.

**ENTRY REQUIREMENTS**
- Successful completion of Australian Year 12, Bond University College (UOC) Foundation or Preparation Program or equivalent (OP 12 / ATAR 75) with successful completion of English and Mathematics at the level of Mathematics A or equivalent, and one of Health and Physical Education or Biology or Chemistry or Physics or Science 21, or equivalent.
- Students without the equivalent subjects will be required to successfully complete bridging subjects in those disciplines. Pathways are available for applicants who do not meet the standard subject entry requirements.
- Students must undertake and pass Elementary Maths.

**PROFESSIONAL OUTCOMES**
- Graduates of this degree may seek employment in a range of careers including exercise scientist, strength and conditioning coach, athletic / sport program coordinator, corporate and community health and fitness consultant, cardiac technologist or sleep technician.
- Successful completion of this program can also provide a pathway to the Doctor of Physiotherapy, Master of Nutrition and Dietetic Practice and Master of Occupational Therapy.
- You can also undertake higher degree qualifications by research in areas such as Strength and Conditioning through research based honours studies, leading to a PhD.

**PROGRAM STRUCTURE**
- Three Bond Core subjects plus one compulsory not-for-credit component. Please refer to page 11.
- Foundation subjects (6)
  - Chemistry for Living Systems
  - Exercise Health and Disease
  - Health Research Methods
  - Human Control Systems
  - Human Organ Systems 1
  - Principles of Human Structure and Function
- Introductory specialist subjects (8)
  - Functional Anatomy
  - Medical Biochemistry 1
  - Medical Biochemistry 2
  - Motor Control and Learning

## Bachelor of Exercise and Sports Science

Do you have a passion for science and sport? Why not combine the two with our Bachelor of Exercise and Sports Science. Immerse yourself in health, fitness and sport performance while building a base of knowledge and understanding in human movement. Students studying the program are exposed to real-world learning with a significant proportion of the degree offering practical experience with organisations such as the Australian Institute of Sport and Australian Rugby Union.

**PROGRAM DESCRIPTION**
- Gain knowledge and skills in health, fitness and athletic performance; and basic applied sciences like anatomy, physiology, biomechanics, exercise physiology, motor learning and control, exercise and sport psychology, and exercise prescription and planning.
- Successful completion of this degree allows graduates a pathway into Bond’s postgraduate Physiotherapy, Occupational Therapy and Nutrition degrees.

**ENTRY REQUIREMENTS**
- Successful completion of Australian Year 12, Bond University College (UOC) Foundation or Preparation Program or equivalent (OP 12 / ATAR 75) with successful completion of English and Mathematics at the level of Mathematics A or equivalent, and one of Health and Physical Education or Biology or Chemistry or Physics or Science 21, or equivalent.
- Students without the equivalent subjects will be required to successfully complete bridging subjects in those disciplines. Pathways are available for applicants who do not meet the standard subject entry requirements.
- Students must undertake and pass Elementary Maths.

**PROFESSIONAL OUTCOMES**
- Graduates of this degree may seek employment in a range of careers including exercise scientist, strength and conditioning coach, athletic / sport program coordinator, corporate and community health and fitness consultant, cardiac technologist or sleep technician.
- Successful completion of this program can also provide a pathway to the Doctor of Physiotherapy, Master of Nutrition and Dietetic Practice and Master of Occupational Therapy.
- You can also undertake higher degree qualifications by research in areas such as Strength and Conditioning through research based honours studies, leading to a PhD.

## Diploma of Health Sciences

- Gain an understanding of basic and applied sciences; and anatomical, molecular and physiological processes of human and health function.
- This program can be used as a pathway to several Bond programs, with successful completion guaranteeing entry into the Bond Bachelor of Health Sciences with 8 subjects of credit.

**ENTRY REQUIREMENTS**
- A minimum Australian Year 12 qualification (OP 9 or above)
- Non-examined subjects (3)

**PROGRAM STRUCTURE**
- Introductory subjects (8)
  - Introductory Anatomy
  - Introductory Physiology
  - Introductory Community Health Science
- Introductory specialist subjects (8)
  - Introductory Pathology
  - Introductory Radiography
  - Introductory Laboratory Technology
  - Introductory Communication
- Introductory special programs (6)
  - Introductory Physiotherapy
  - Introductory Biomedical Science

**Duration**
- 2 semesters (8 months)

**Starting**
- Jan

**CRICOS**
- 092360K

**Fees**
- $29,440
- ($14720 per semester)

---

## Bachelor of Health Sciences

- Explore a variety of health disciplines by gaining an understanding of basic and applied sciences.
- Flexible degree, allowing students to select a variety of subjects to best suit individual career and study goals.
- Honours is available after successful completion of this program with a GPA of 2.0 / 4.0 or higher.

**ENTRY REQUIREMENTS**
- A minimum Australian Year 12 qualification (OP 9 or above)
- Non-examined subjects (3)

**PROGRAM STRUCTURE**
- Introductory subjects (8)

## Medical Program*

### PROGRAM DESCRIPTION
- Made up of two sequential degrees: The Bachelor of Medical Studies (BMedSt) and Doctor of Medicine (MD) - all students selected for entry into the Medical Program must complete both degrees to be eligible for registration as a medical practitioner in any state or territory in Australia or New Zealand.
- You will benefit from a variety of teaching and learning systems, including case-based small group tutorials, problem-based learning, practical classes, clinical skills and laboratory training, self-directed learning, web-based and e-learning, interactive seminars and lectures.
- Direct entry into the Medical Program is currently not available to international students.
- International students can pathway into the second year of the Medical Program through the successful completion of Bond’s Bachelor of Biomedical Science or Bond’s Bachelor of Health Sciences.
- Bond Bachelor of Health Sciences with 8 subjects of credit.
- Bond Bachelor of Biomedical Science (Pre-Health Professional major), Master of Occupational Therapy, Doctor of Physiotherapy or Master of Nutrition and Dietetic Practice meeting minimum required GPA.
- Please visit bond.edu.au/intl/program/medical-program/medical-program-entry-requirements for detailed entry requirements.

**ENTRY REQUIREMENTS**

- Please visit bond.edu.au/intl/program/medical-program/medical-program-entry-requirements for detailed entry requirements.
“Hands down the best experience of my degree was placement with the Australian Under 20’s Rugby Union team. The internship started at Bond with the Oceania Tournament, followed by a stint in Canberra at the Australian Institute of Sport and finally finishing at the World Championships in Tbilisi, Georgia. This internship gave me the opportunity to get hands on experience and travel for two months. I worked as an assistant strength and conditioning coach while also undertaking physiotherapy responsibilities and assisted with anything the coaches or management needed help with.”
Postgraduate Degrees

Graduate Certificate in Nutrition

PROGRAM DESCRIPTION
• This program builds on undergraduate studies in the health and related sciences to develop specialist knowledge, skills and attitudes relating to human nutrition and health.
• Successful completion of this program can lead to studies in Bond’s Master of Nutrition and Dietetic Practice to become qualified as a dietitian.

Graduate Diploma in Nutrition

PROGRAM DESCRIPTION
• This program builds on undergraduate studies in the health and related sciences to develop specialist knowledge, skills and attitudes relating to human nutrition and health.
• Builds on the Graduate Certificate in Nutrition by including subjects in Clinical Dietetics, Food Service Dietetics, Nutrition and Chronic Disease Management, and Public Health Nutrition Practice.

Master of Nutrition and Dietetic Practice

PROGRAM DESCRIPTION
• Strong emphasis is placed on developing evidence-based practitioners that have intensive preparation in evidence-based dietetic practice, nutrition research and international engagement.
• You will have the opportunity to participate in an international placement as part of the program.

PROFESSIONAL OUTCOMES
• Clinical dietetics
• Private practice
• Food service management
• Public health nutrition
• Corporate health and wellness programs
• Sports nutrition
• The food industry
• Nutrition in child care centres, schools and aged care facilities
• Research

ENTRY REQUIREMENTS
• An undergraduate degree in health science or other related degree with at least two biochemistry subjects at second year level where first year chemistry is a prerequisite of these subjects, and two physiology subjects also at second year level.
• Eligible undergraduate programs from Bond University include:
  - Bachelor of Biomedical Science (CRICOS 063085B)
  - Bachelor of Exercise and Sports Science (CRICOS 080640D)
  - Bachelor of Health Sciences (CRICOS 063068C)

PROGRAM STRUCTURE
Please note that program structures will vary for each student, dependent on when their individual placements occur. The below is an example program structure.

You must complete all of the following subjects:
Semester 1
• Nutrition and Food Science
• Nutrition Assessment and Diagnosis
• Nutrition Communication and Behaviour
• Nutrition Issues and Priorities

Semester 2
• Clinical Dietetics A
• Food Service Dietetics
• Nutrition and Chronic Disease Management
• Public Health Nutrition Practice

Semester 3
• Clinical Dietetics B
• Evidence-Based Practice for Health Professionals

Master of Occupational Therapy

Occupational therapy (OT) is a dynamic and diverse profession, enabling people and communities to overcome barriers imposed by illness, injury, disability, psychological impairment, developmental delay or the aging and dying process.

Bond University’s Master of Occupational Therapy is the first in Australia to offer you the opportunity to complete a clinical research project or undertake business electives.

OTs are in high demand in hospitals, mental health, aged care, disability and rehabilitation environments. The demand for OTs will rise significantly with the introduction of the National Disability Scheme in Australia (NDIS).

PROGRAM DESCRIPTION
• Designed to produce highly competitive graduates with comprehensive clinical skills, and solid business acumen and research experience.
• Choose between the Clinically-focused Research Pathway or the Business-focused Research Pathway.

PROFESSIONAL OUTCOMES
• Aged care
• Community health centres
• Independent living centres and rehabilitation facilities
• Mental health services
• Paediatrics
• Private practice
• Public and private hospitals
• Research
• Schools and tertiary education
• Workplace health

ENTRY REQUIREMENTS
• A degree in health sciences or other related degree with a minimum GPA of 1.0 / 4.0 (equivalent 4.0 / 7.0) and the equivalent of at least one semester of anatomy, one semester of physiology, and two semesters of psychology or sociology or behavioural science.
• Applications should include accompanying documentation, including academic transcript and subject outlines.
• Applicants who do not meet the prerequisite subject requirements may need to complete bridging subjects prior to entry.

PROGRAM STRUCTURE
• Foundations of Occupational Therapy
• Health Conditions and Multidisciplinary Management
• Neuroscience for Health Professionals
• Enabling Environments: A Systems Approach
• Engage: In Occupation
• Enable: Occupational Performance
• Occupational Therapy Roles and Responsibilities
• Evidence Based Practice for Health Professionals
• Occupational Therapy: Work
• Occupational Therapy:Learn, Play, Connect
• Occupational Therapy: Independence and Participation
• The New Global Occupational Therapist
• Promoting the Occupational Health and Well-being of Communities
• The Occupational Therapy Professional: Practice, Standards and Quality
• Health Research Design and Planning
• Professional Practice in Occupational Therapy I
• Professional Practice in Occupational Therapy II (30CPS)
• Professional Practice in Occupational Therapy III (30CPS)
• Behaviour in Organisations

Students choosing to study the Research Stream will complete:
• Health Professional Research Internship A
• Health Professional Research Internship B

Students choosing to study the Business Stream will complete:
• Business Elective Subject
• Capstone Research Project
Master of Science by Research (Health Sciences)

PROGRAM DESCRIPTION
- Undertake supervised research studies in one or more of the Faculty of Health Science & Medicine's research areas and groups.
- This is an internationally recognised research degree, and can be used as a pathway to PhD studies.

ENTRY REQUIREMENTS
- An undergraduate degree with honours in a relevant discipline, with evidence of the ability to conduct supervised research; or
- A qualification or combination of qualifications deemed to be equivalent by the Faculty Research Committee.

Doctor of Physiotherapy

ENTRY REQUIREMENTS
- A Bachelor of Exercise and Sports Science degree from Bond University, or equivalent degree from a recognised institution with a cumulative GPA 2.0 / 4.0 or 5.0 / 7.0 or better.
- Evidence of the following tertiary subject prerequisites:
  - Two semesters of human anatomy
  - Two semesters of human physiology
  - One semester of biomechanics
  - One semester of research design / statistics
  - One semester of physiology of exercise
  - One semester of exercise prescription
  - Successful performance at a selection interview.

PROGRAM STRUCTURE
- Semester 1: Principles of Physiotherapy
- Semester 2: Musculoskeletal Physiotherapy I, Cardiorespiratory Physiotherapy, Musculoskeletal Physiotherapy Clinical Practice I, Cardiorespiratory Physiotherapy Clinical Practice I
- Semester 3: Musculoskeletal Physiotherapy II, Neurological Physiotherapy, Musculoskeletal Physiotherapy Clinical Practice II, Neurological Physiotherapy Clinical Practice
- Semester 4: Physiotherapy Leadership, Management and Advocacy, Physiotherapy for Chronic Disease and Disability, Maximising Human Potential
- Semester 5: Chronic Disease and Disability Clinical Practice, Diversity and Life Stage Clinical Practice, Evidence-based Practice Research (Part A)
- Semester 6: Evidence-based Practice Research (Part B), Clinical Internship (Elective) or Innovative and Global Practice in Physiotherapy, (Elective) The Well Rounded Physiotherapist

Are you ready to take your career in physiotherapy to the next level? The highly regarded Doctor of Physiotherapy at Bond will provide you with over 1,200 hours of clinical placement to broaden your knowledge and skill level, ready for the next step in your career.

PROGRAM DESCRIPTION
- Prepares entry-level physiotherapists for their roles and responsibilities as first contact practitioners.
- Integrates clinical, pathological and related sciences with the physiotherapy knowledge, skills and professional behaviours and attitudes required to examine, diagnose and treat physiotherapy clients.

PROFESSIONAL OUTCOMES
- Orthopaedics
- Cardiorespiratory practice
- Out-patient musculoskeletal practice
- Hospital practice
- Private practice
- Neurological and ortho-geriatric rehabilitation
- Chronic disease and disability
- Paediatrics
- Women's and men's health
- Sports practice
- Community physiotherapy

Up to 50% of the program is undertaken in a clinical context. Upon graduation, you will be eligible for registration as a physiotherapist in Australia and in some countries internationally. Taught in world-class facilities at the Bond Institute of Health and Sport.

*Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester.
For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.
**IELTS score 6.5 (Writing 6.5, Reading 6.0, Listening 6.0, Speaking 6.0)
National and international legal experts in a variety of fields contribute to the delivery of programs at the cutting edge of contemporary legal scholarship and practice.

WORLD-CLASS ACADEMICS

Bond’s innovative Integrated Skills and Professionalism Program ensures graduates have professional capabilities including legal ethics, professionalism research, reasoning, writing and drafting.

DISPUTE RESOLUTION CENTRE

The Faculty of Law’s Dispute Resolution Centre (DRC) is recognised as a leader in mediation excellence. The Centre brings together some of the country’s leading dispute resolution specialists whose training, teaching and research expertise places Bond at the forefront of current industry theory and practice.

LEGAL SKILLS PROGRAM
BOND LAW CLINICS
Bond students can gain practical work experience through the following clinics at Bond:
- Commercial Law Clinic (on campus)
- Community Law Clinic
- Criminal Law Clinic
- Human Rights Clinic
- Immigration Law Clinic (on campus)
- Start Up Law Clinic

MOOT COURTS
Bond's new showcase e-courtroom replicates the latest technology used in the courts of Australia. The courtroom is fully equipped with electronic evidence management systems, video conferencing facilities, wireless networking and video streaming. An additional medium-sized court and two smaller moot courts are available for practice, preparation and presentations, and are also equipped with the latest courtroom and teaching technologies to support students throughout their studies.

MOOT COMPETITIONS
From as early as your first semester of study, you will have the opportunity to become involved in a wide variety of skills competitions including client advocacy. Students are supported financially by the Faculty to participate in competitions. Some of the competitions that Bond participates in include the Jessup, Vis East, ICC, and Kirby Contracts mooting competitions. Faculty-run competitions you can become involved in include:
- Pro Justia Moot Competition
- Brian Orr Mooting Competition
- Wilson Moot Competition (Canada)
- CLSA Hockey Arbitration
- Witness Examination Competition
- Negotiation Competition
- Client Interview Competition
- Shark Tank with Kirby

*Competitions list may vary each year.

INDUSTRY RELATIONSHIPS
Bond University has dedicated staff who provide individual support to our students to find internships and later employment. We maintain industry relationships with leading organisations. These include:
- Ashurt
- Clayton Utz
- Cronin Litigation Lawyers
- Law Right
- Wyndham Vacation Resorts, Asia Pacific Pty Ltd
Bachelor of Business Law
- This degree provides an opportunity to combine legal subjects of particular interest with study in related disciplines such as international business and management.
- You will gain an understanding of common law frameworks and international comparative law.
- Gain practical skills in negotiating, problem solving and oral communication in simulated professional environments.
- Please note that this degree does not qualify you for admission as a legal practitioner. If you wish to practise law, you must complete a Bachelor of Laws or Juris Doctor.

Bachelor of Jurisprudence
- This degree provides an opportunity to combine legal subjects of particular interest with study in related disciplines such as international relations, criminology, languages and communication.
- Learn practical skills in oral communication, negotiation and problem solving in a simulated professional environment.
- You will have access to state-of-the-art facilities including moot courts, skills and negotiation rooms.
- Please note that this degree does not qualify you for admission as a legal practitioner. If you wish to practise law, you must complete a Bachelor of Laws or Juris Doctor.

Diploma of Legal Studies
- This diploma provides students with a basic grounding in Australia’s legal system, the principles of business law and contemporary legal issues confronting Australian society.
- This program can be used as a pathway for entry into several Bond programs, with successful completion permitting entry into the Bachelor of Laws with 8 subjects of credit.

Bachelor of Laws
The Bachelor of Laws (LLB) delivers a rigorous law curriculum that focuses on the academic development of students, providing an exceptional high quality learning experience characterised by a professional and practical emphasis. You will learn essential skills in a simulated legal environment with state-of-the-art facilities. You will have the opportunity to gain experience in our Bond Law Clinics, which work with the profession and community on a pro-bono basis, to provide legal services to those who cannot afford it.

PROGRAM DESCRIPTION
- The LLB is designed to equip you for a career in the legal profession, corporate sector or government sector, both within Australia and overseas.
- Bond's unique Integrated Skills and Professionalism Program is embedded in the LLB and focuses on core legal skills essential to the practice of law, such as legal writing and drafting; oral communication and advocacy; legal ethics and professionalism; legal research and reasoning; and dispute resolution and collaboration.
- The program combines small class sizes, excellent teaching and the Integrated Skills and Professionalism Program to provide an exciting and challenging learning environment that prepares you practically for a legal career.
- You will have the opportunity to gain practical experience in either a voluntary capacity or through a law clinic placement, giving you an advantage when entering legal practice.

PROFESSIONAL OUTCOMES
- The LLB prepares you to pursue careers in the public and private sectors, in positions such as solicitor, barrister, government lawyer, in-house counsel, or judge’s associate.
- The Bachelor of Laws is an approved degree for the purposes of admission as a legal practitioner in all Australian jurisdictions, in conjunction with further study (Graduate Diploma in Legal Practice, please see page 63) or a traineeship.
- This degree may be used to apply for admission internationally.
- You are recommended to seek advice from the relevant admitting body in your state/territory in Australia or your home country to confirm requirements and/or additional study.

COMBINED PROGRAMS
- Bachelor of Actuarial Science / Bachelor of Laws (CRICOS 093910C)
- Bachelor of Arts / Bachelor of Laws (CRICOS 093913A)
- Bachelor of Biomedical Science / Bachelor of Laws (CRICOS 093911B)
- Bachelor of Business / Bachelor of Laws (CRICOS 093909G)
- Bachelor of Communication / Bachelor of Laws (CRICOS 093915J)
- Bachelor of Communication (Business) / Bachelor of Laws (CRICOS 093914K)
- Bachelor of International Relations / Bachelor of Laws (CRICOS 093916G)
- Bachelor of Journalism / Bachelor of Laws (CRICOS 093918F)
- Bachelor of Psychological Science / Bachelor of Laws (CRICOS 093928M)

ENTRY REQUIREMENTS
- Successful completion of Australian Year 12 or equivalent (OP 8 / ATAR 8375) or a Bond University College Program. For international student requirements, visit bond.edu.au/international-students-entry-requirements. If you have already completed an undergraduate degree in a discipline other than law, you would normally apply for our postgraduate professional qualification, the Juris Doctor.

PROGRAM STRUCTURE
- University Core Subjects (3)
  - Three Bond Core subjects plus one compulsory not-for-credit component. Please refer to page 11.
- Compulsory Law Subjects (17)
  - The 17 compulsory subjects cover all the ‘Priestley Eleven’ areas required to practise law in Australia.
  - Legal Foundations A
  - Legal Foundations B
  - Foundations of Private Law
  - Foundations of Public and Criminal Law
  - Contract Law A
  - Tort Law
  - Criminal Law
  - Property Law A
  - Constitutional Law
  - Contract Law B
  - Property Law B
  - Corporate Law
  - Equity
  - Administrative Law
  - Evidence
  - Civil Disputes Resolution
  - Legal Profession

- Law Electives (7)
  - Students must choose undergraduate law electives from the Faculty of Law’s offerings. Please visit bond.edu.au/law/degrees for more details.
- Students may choose to complete an optional Law Specialisation in one of the following areas:
  - Canadian Law and Practice
  - Contemporary Legal Issues
  - Corporate and Commercial Law
  - International and Comparative Law
  - Legal Practice
  - Media and Technology Law

To be eligible for a Law Specialisation, students must complete a minimum of four (4) of their law electives (40 credit points) within one of the above areas. Eligible students will receive a Specialisation Certificate at the completion of their program.

HONOURS PROGRAM
Outstanding graduates may qualify to receive their degree with Honours. Candidates for the Honours degree must fulfil the requirements for a pass degree, complete the elective subject Legal Research Project and achieve an Honours standard of proficiency as defined by the Faculty of Law.

An outstanding Mooting Program and other opportunities to gain practical experience while studying.

The Bachelor of Laws is capped at 180 students per year, ensuring a personalised learning experience for all students.
Postgraduate Degrees

Graduate Diploma in Legal Practice

Become work ready with the Faculty of Law’s accredited Graduate Diploma in Legal Practice (GDLP). Taught by industry professionals, you’ll learn essential skills and receive all the practical training needed to become a practising lawyer.

The GDLP program provides flexibility to study as students can choose to study either full-time (on-campus) or online with the option of full-time or part-time study. International student visa holders must study on campus on a full-time basis.

| The Graduate Diploma in Legal Practice is the link between your law degree and becoming a practising lawyer. Includes 75 days of practical experience under the supervision of a practising lawyer. This program is made up of three components. | Bachelor of Laws or Juris Doctor qualification from an Australian institution or equivalent. | Successful completion of the GDLP program enables you to apply for admission to legal practice in Australia (except South Australia or Northern Territory). 

For those seeking to specialise, this program will provide you with a pathway and two subject credits into the Master of Laws (LLM). Specialise further in areas such as commercial law, dispute resolution, family dispute resolution or international law. |

Visit bond.edu.au/plt for more detail. | It is recommended that you seek advice from the relevant admitting body in your relevant admitting body in your state / territory in Australia or your home country, to confirm requirements and / or additional study. |

Visit bond.edu.au/plt for more detail. |

ENTRY REQUIREMENTS

- Bachelor of Laws or Juris Doctor qualification from an Australian institution or equivalent.
- It is recommended that you seek advice from the relevant admitting body in your home country to confirm requirements and / or additional study.

ANITA KISSI

Juris Doctor
Canada

“I am fortunate to follow my dreams in a positive environment that is filled with students of all backgrounds. With a smaller community and class sizes, Bond fosters a personalised learning environment where anyone can thrive. When choosing to study at Bond, I sought feedback from other Canadian students who studied law overseas and their experience at Bond University was far better than others. The Juris Doctor program is an accelerated course that I will complete in two years as opposed to three years in Canada. The program also offers Canadian law courses which I thought was perfect. I believe I am getting a multi-dimensional academic training and experience that will help me adapt to any legal environment.”

*Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester.

For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.
Postgraduate Degrees

Doctor of Legal Science (Research)

PROGRAM DESCRIPTION
• This is a Higher Degree by Research program awarded for a combination of coursework and a thesis that is a significant contribution to the knowledge and understanding of an aspect of law.
• Students will complete up to six electives chosen from the subjects listed under the Master of Laws, as well as a written thesis of between 50,000 – 80,000 words, depending on the number of coursework subjects undertaken.

ENTRY REQUIREMENTS
• A Master of Laws degree; or
• A Bachelor of Laws or Juris Doctor degree with an Honours average of at least 75%.
• An applicant may be required to satisfy the Dean that they have the appropriate level of research skills to undertake the qualification, which includes writing a thesis of between 50,000 – 80,000 words.
• Admission is on the basis of an approved research proposal and availability of appropriate supervision.

Juris Doctor

The Juris Doctor cements your understanding of international legal issues, preparing you for the globalised legal profession. The Bond Juris Doctor is acknowledged as a legal qualification which prepares you to become a legal professional in the corporate, government, community or not-for-profit sector.

PROGRAM DESCRIPTION
• The Juris Doctor is a professional legal qualification which prepares you to become a legal professional in the corporate, government, community or not-for-profit sectors, both in Australia and overseas.
• You will have the opportunity to gain practical experience in our Bond Law Clinics, which work with the profession and community on a pro-bono basis.

ENTRY REQUIREMENTS
• Completion of an Australian Qualifications Framework Level 7 Bachelor degree from a recognised tertiary institution.
• It is recommended that you seek advice from the relevant admitting body in your state / territory or home country to confirm requirements and / or additional study.

PROFESSIONAL OUTCOMES
• The Juris Doctor may be used to apply for admission internationally.
• Prepares graduates for roles in the globalised legal profession. The Bond Juris Doctor is acknowledged as a legal qualification which prepares you to become a legal professional in the corporate, government, community or not-for-profit sector.

Master of Laws (also available online)

PROGRAM DESCRIPTION
• The Master of Laws (LLM) provides maximum flexibility and choice with a wide range of specialist areas.
• For international students, the LLM provides a wide range of international law, comparative law, IP law, trade law and dispute resolution subjects to broaden and internationalise an undergraduate law qualification.

ENTRY REQUIREMENTS
• A professional law qualification (Bachelor of Laws, Juris Doctor, or equivalent).

Master of Laws (by Research)

PROGRAM DESCRIPTION
• For students from a legal degree background who wish to enhance their knowledge in specialist areas of law.
• A higher degree by research program awarded for completion of a 50,000 word thesis.

ENTRY REQUIREMENTS
• A professional law qualification (Bachelor of Laws, Juris Doctor, or equivalent).
• Bachelor of Laws or Juris Doctor with an average of at least 65%.

Master of Legal Administration

PROGRAM DESCRIPTION
• The Master of Legal Administration offers students from a non-law background the opportunity to attain postgraduate qualifications in law.
• Students can choose a generalist degree or elect to specialise in a particular area of law, combined with up to four subjects from other disciplines.
• Please note that this degree does not qualify you for admission as a legal practitioner.

ENTRY REQUIREMENTS
• An undergraduate program in any discipline at an approved Australian institution or equivalent.

SPECIALISATIONS
• Canadian Law and Practice
• Corporate and Commercial Law and Practice
• Dispute Resolution
• International Business and Finance Law

*Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester.
For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.
Higher Degree Research

Doctor of Philosophy (PhD)

PROGRAM DESCRIPTION
- Depending on the field of specialisation, the PhD culminates in an 80,000-word thesis of significant, original research.
- The PhD is an internationally recognised degree usually used as a pathway to an academic or research career.

ENTRY REQUIREMENTS
- A four-year (8 semester) honours degree - First Class or 2A; or
- A research master's degree; or
- A qualification or combination of qualifications deemed to be equivalent to the above by the Higher Degrees by Research Committee.

- International Relations and Humanities
- Law
- Medicine
- Social Sciences
- Psychology and Counselling
- Sport

Maximum 4 years
Starting Jan May Sep
IELTS 7.0 (6.5)
CRICOS 063150J
Fee* $37,110 per annum

Master of Philosophy

PROGRAM DESCRIPTION
- Undertake an extended and focused study in a specific area of research interest, or development of creative works. Study culminates in a 30,000 - 40,000-word piece of work, or equivalent for a creative arts project.
- In particular circumstances, this program can be used as a pathway to PhD studies, pending appropriate approvals.

ENTRY REQUIREMENTS
- Australian Qualifications Framework Level 7 Bachelor degree in the same discipline.

RESEARCH AREAS
- Architecture and Built Environment
- Business and Commerce
- Communication and Creative Media
- International Relations and Humanities
- Social Sciences
- Psychology and Counselling

Maximum 2 years
Starting Jan May Sep
IELTS 7.0 (6.5)
CRICOS 072092F
Fee* $37,110 per annum

*Fees per semester are based on an average calculation and may differ depending on the subjects and majors you take in a particular semester.
For more information on current fees, visit bond.edu.au/fees. Fees are not inclusive of additional costs such as Student Activities Membership, accommodation, textbooks and living costs.
*Price may vary depending on elective choice.

Professor Russ Chess-Williams, Professor of Pharmacology supervises a research student in Bond’s Centre for Urology Research (CUR).
All Bond degrees have specific English language entry requirements, which students can meet in a variety of ways. If an applicant provides evidence that fits under more than one category, then the most recent evidence will be used for admission. For updated information, please visit bond.edu.au/english-requirements.

APPROVED ENGLISH LANGUAGE TEST
The university accepts the following English language tests for entry into our programs:

- IELTS
- TOEFL iBT
- Cambridge English Advanced (CAE)
- Pearson Test of English Academic (PTE)

Please note that approved English language test results must have been achieved not more than 24 months before the applicant commences their degree. Specific English language test results for programs can be found on the following page.

SUCCESSFULLY COMPLETED EDUCATION IN ENGLISH
Applicants who are able to present evidence of successfully completed secondary education (equivalent to Australian Senior Certificate of Education) or greater that was taught and assessed in English in one of the countries listed below where English is the first language are not required to submit an English language test with their application:

- Australia
- Canada
- England
- New Zealand
- Northern Ireland
- Republic of Ireland
- Scotland
- Singapore
- South Africa
- United States of America
- Wales

STUDENTS FROM INTERNATIONAL SECONDARY SCHOOLS WHERE THE FULL MEDIUM OF INSTRUCTION IS ENGLISH
Applicants to undergraduate programs from overseas international secondary schools where the full medium of instruction is English (such as members listed at cois.org) will be required to submit a letter from the Principal certifying the medium of instruction unless evidence to that effect is located on the transcripts.

Please note: In the interests of ensuring students’ academic competency, students admitted under any of the above, who are having academic difficulties due to English language, may be asked to undertake an English language test at the discretion of the faculty of enrolment.

BOND UNIVERSITY COLLEGE’S ENGLISH FOR ACADEMIC PURPOSES
An applicant may use Bond University College’s English for Academic Purposes (EAP) to meet English language entry requirements for foundation, diploma and undergraduate and postgraduate degrees. For further information on the different EAP levels and pathways into the University.

These entry requirements are correct at time of printing and are subject to change.

For more information on English Language Requirements please visit, bond.edu.au/english-requirements.

This page is an extract from bond.edu.au/ielts-requirements. This page should be checked regularly for updates. Information is correct as of June 2018 and is subject to change.

1. PICK YOUR PROGRAM.

Deciding on a degree or program is a personal choice. It’s about choosing the right program for you - your interests, your future.

Find more information about programs offered at Bond by visiting bond.edu.au/search-program.

2. APPLICATION PROCESS.

Applying to Bond to study is easy! Applications for most Bond programs can be lodged at any time directly to the University or through a representative in your country. There is no application fee.

For more information on how to apply, visit bond.edu.au/apply.

3. REQUIRED DOCUMENTS.

Make sure that you complete all required fields in your application form including uploading required documentation.

This documentation may include:
- Academic Transcripts
- Academic References
- Passport
- Resume / CV
- Graduation Diplomas
- Any other documents required for specific programs

For more information go to bond.edu.au/application-tips.

4. APPLICATION SUBMISSION.

You can submit your application directly or via an agent. You or your agent will receive an email from Bond University to confirm your application was successfully submitted. The application review process will take approximately two weeks provided all supporting documentation has been provided. For more information, visit bond.edu.au/international.

5. RECEIVE AND ACCEPT YOUR LETTER OF OFFER.

If your application is successful, you will receive an email from us offering you to officially become a Bond student. This email includes:

- A formal Letter of Offer from Bond University
- A Response to Offer form
- Information about fee payment options and accommodation

To accept your offer, all you need to do is complete and return your Response to Offer form to admissions@bond.edu.au and pay the required fees as listed on your offer, including receipt of Overseas Health Cover (OSHC). If you applied via an agent, please get in touch with them to find out how you can accept and pay.
