## GENERAL INFORMATION

The Master of Sport Management (Professional) explores the professional challenges and opportunities for managers in the international sports industry.

This program is designed to enhance the career opportunities of established professionals, as well as assist individuals aspiring to forge a career in this unique sector. It explores the many aspects of sports management from a grassroots level through to elite professional sports organisations and events.

## PROGRAM INFORMATION

Following a review of the Master of Sport Management (Professional) a new administrative version of the program has been created effective from May 2020. Under the new structure, we have replaced several subjects to ensure the program meets industry and students demands. While there are no major changes, some subjects have been removed or replaced. Please note

ENFB71-600 will be replaced by ENFB71-104 from May semester.

## SUBJECT INFORMATION

Students can choose 1 General Elective Subject (10CP). General elective – A subject that may be chosen from any subject on offer across the University provided requisites, enrolment restrictions and any other faculty requirements have been met. \*Please note that the Professional Portfolio or Professional Development subject is a 20-week, 45-credit point subject and is taken in the last semester of the program once all other coursework subjects have been completed. The Career Development Centre will provide assistance in choosing the relevant professional subject prior to your last semester.
