GENERAL INFORMATION					
<p>The Graduate Diploma in Business Administration is a generalist management program which can be undertaken as a standalone qualification or a pathway to the Master of Business Administration. Designed to blend industry-relevant research with practical applications and challenges, the intended learning outcomes are centred on the three pillars of leadership, global business and entrepreneurship, developing graduates who can think critically and strategically in this context. The program is designed to provide graduates with the core underlying technical skills that inform effective decision making, framed around the development of the interpersonal, cross-cultural and communication skills that are required to lead in the implementation of these decisions.</p>
