GENERAL INFORMATION						
<p>The program provides students with a foundation in a variety of business practices and the basic skills required of a global leader. The classes combine basic theoretical knowledge in Business with practical insights delivered through case studies, guest lectures and work integrated learning. Session building is encouraged through group projects and communication skills are enhanced through class presentations. Upon completion, students may wish to pursue the Master of Business or an alternative program. It provides students with strong knowledge of modern business and management fundamentals. It prepares students to move into leadership and management roles.</p>

<p>Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.</p>
