GENERAL INFORMATION					
<p>The Master of Finance course is a quantitatively rigorous program which integrates innovative subjects that highlight the Bond Business School's excellence in experiential and case-based teaching. The classes combine theoretical knowledge in Finance with practical insights delivered through case studies and guest lectures. Session building is encouraged through group projects and communication skills are enhanced through class presentations. The Bond MBA is a generalist management program. Designed to blend industry-relevant research with practical applications and challenges, the intended learning outcomes are centred on the three pillars of leadership, global business and entrepreneurship, developing graduates who can think critically and strategically in this context.</p>
