

Year 12 Extension Program 2023

Your opportunity to receive an early offer and be awarded a Year 12 Extension Program Scholarship valued at 50% or 25% of tuition fees to study a single program at Bond University in 2024[^].

Are you in Year 12 and want to get a head start when it comes to getting into university?

The Bond Business School Year 12 Extension Program is a two day workshop where students gain an insight into university life to assist the transition from high school to university. Our world class academics will facilitate the opportunity for students to experience an enrichment of the senior school syllabus through real world applications and the use of 21st century skills.

When is it?

Maths Stream

Thursday, 13 April and Friday, 14 April, 2023

Business Stream

Wednesday, 26 April and Thursday, 27 April, 2023

Friday, 5 May and Saturday, 6 May, 2023

Monday, 8 May and Tuesday, 9 May, 2023

Why do it?

- Eligible graduates from the Year 12 Extension Program will receive an early offer into their chosen degree subject to meeting the academic entry requirements^.
- Opportunity to receive one of six Year 12 Extension Program Scholarships valued at 50% and 25% of tuition fees or a \$5,000 bursary.
- Be better prepared for your Year 12 exams. This program has been designed in collaboration with current high school teachers to ensure it supports the Queensland Curriculum.
- Get a feel for university life and meet Bond academics and students.
- Access to the Bond FinTech Hub for a Bloomberg session.
- Limited places per day allowing great access to our academics and facilities.

What can students expect?

Pre-arrival

- Q&A online meeting hosted by Extension Program Coordinator approximately two weeks before event

Day One

- Tour and experience the Bond campus and facilities
- Meet fellow participants, Bond academics and current students
- Complete a Bloomberg data session
- Complete an advanced MS Excel session (Business Stream) or R programming session (Maths Stream)
- Enjoy a session in the Transformer innovation space
- Morning tea and lunch

Day Two

- Group project work with fellow students supported by Bond academic staff
- Start and complete written and oral assessment pieces
- Be part of the group presentation to fellow students and academics
- Morning tea and lunch

The program will run from approximately 8:30am - 3:00pm each day. The exact schedule will be communicated closer to the event.

Parent Session

Day 1 of the program, parents are invited to join us on campus for lunch and a campus tour. This will give parents the opportunity to meet our academics, ask any questions and see the facilities first-hand.

Anthoni Wiese

Bachelor of Commerce

"The Year 12 Extension Program really helped me get a taste of what university was going to be like. I enjoyed being on campus at Bond University, meeting and working with students from across Australia and I learnt valuable skills which I still use in my degree at Bond now. I recommend this two-day program to any student who is considering studying business or commerce."

Getting to Bond

South-East Queensland and Northern NSW

Students are welcome to make their own way to attend each day, with free parking provided on campus. Bond Business School will also provide buses from Brisbane and Toowoomba.*

Regional Areas

Bond Business School is pleased to arrange travel for students in regional areas to complete the Year 12 Extension Program.**

A parent / guardian is required to attend with their student or alternatively consent given for travel with another parent must be given.

Bond University will arrange and cover flights and ground transfers for regional students. Parents will pay for their flight and arrange accommodation for themselves and student. Please contact the event coordinator for further information.

Who can apply?

Partner schools can nominate up to eight students based on the following:

- Completing Year 12 in 2023
- Nominated and supported by a teacher or career advisor and parent
- Able to participate in the program over two days
- An interest in studying at Bond University
- Achieved at least a B in an English and / or a Maths subject (General not Applied subjects) in Year 11

Business Stream:

Achieve at least a B in either Accounting, Economics or Business or other General Subject (or Diploma in Business).

Maths Stream:

Achieve at least a B in Specialist Maths and / or Maths Methods.

How can students receive an early offer?

Once you have successfully completed the two day program, you can apply direct to study at Bond University at bond.edu.au/apply. With the support of your school and parents, eligible students will receive an early offer to study at Bond University, subject to meeting entry requirements.

Scholarships and Bursaries

- Six scholarships will be awarded: Three 50% for first place in each Extension Program offering and three 25% for second place.
- A \$5,000 bursary will be given to schools where four or more students participate in the program. The school can award this to one student at their discretion.
- An additional \$5,000 bursary will be awarded to any student that receives a High Distinction in the program.
- Bursaries will be credited towards 2024 tuition fees.

Financing your degree

As a not-for-profit organisation, 100% of your Bond University tuition fees are re-invested in creating an elite five-star educational experience. There are a number of options available to help you finance your educational investment, including the Government loan program FEE-HELP - bond.edu.au/fee-help

Applying for the Extension Program

- Talk to your teacher or career advisor and parents to get their support
- Scan the QR code or go to bond.edu.au/extensionprogram to register. You will need to confirm that you have permission to attend when registering
- Register by Friday 24 March, 2023
