GENERAL INFORMATION

The Bond MBA is a generalist management program. Designed to blend industry-relevant research with practical applications and challenges, the intended learning outcomes are centred on the three pillars of leadership, global business and entrepreneurship, developing graduates who can think critically and strategically in this context. The program is designed to provide graduates with the core underlying technical skills that inform effective decision making, framed around the development of the interpersonal, cross cultural and communication skills that are required to lead in the implementation of these decisions.

PROGRAM INFORMATION

Students will attend team sessions in the first semester. This is a 13 week program containing eight 5 cp Subjects

SUBJECT INFORMATION

Students can choose 5 General Electives or 1 Specialisation & 1 General Elective

General elective – A subject that may be chosen from any subject on offer across the University provided requisites, enrolment restrictions and any other faculty requirements have been met.

Students are encouraged to undertake an optional specialisation (40CP). This will replace four (4) of their general electives. All minors in the Bond Business School are available to this program.

Program structure and sequence plans

Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolement.
