

PROFESSOR AND HEAD OF PROGRAM – PHYSIOTHERAPY
FACULTY OF HEALTH SCIENCES AND MEDICINE

SELECTION CRITERIA

1. A doctoral qualification.
2. Physiotherapy registration (or eligibility) in Australia.
3. Excellent interpersonal, communication and collaboration skills, including an ability to interact effectively with colleagues, students and stakeholders.
4. Evidence of sustained experience in educational leadership, especially the management and development of academic staff, along with leadership experience in curriculum, resource, program and subject design including technology-enabled approaches to subject delivery in a physiotherapy program.
5. Experience with University budgeting, financial management and resource coordination.
6. A commitment to excellence and innovation in teaching and learning as evidenced by a well-articulated philosophy of teaching and peer recognition of teaching in the form of, for example, teaching awards and citations.
7. A sustained publication record along with evidence of successful research grants and HDR supervisions.
8. Significant and sustained contributions to marketing, recruitment, alumni relations or other service activities within the Faculty and University, including leadership roles on committees, in research centres or in working groups.
9. The ability to develop and maintain meaningful strategic partnerships within the Faculty, University and beyond with key stakeholders in the healthcare field.
