

## MASTER OF BUSINESS ADMINISTRATION (MBA)

# Fast track your MBA with 50% credit!

**Bond Business School welcomes members of CPA Australia to our Master of Business Administration with up to 50% credit into the program. As a member of CPA Australia, you may be eligible to claim credits for half of an MBA program through the Bond Business School. Earn a prestigious postgraduate qualification and take your new skills back to industry in half the time it normally takes to complete an MBA.**

The Bond Business School is ranked among the top 2% of business schools in the world, and has earned an international reputation as a leading business education and research centre. We hold dual EQUIS and AACSB accreditation and balance our professional accreditations with incredible on-campus facilities, our Bond Business School mentoring program, career assistance from the Career Development Centre, and many more features unique to Bond University.

The Master of Business Administration has been redesigned to provide you with a wide range of functional knowledge, business transformation expertise, and greater flexibility to manage the demands of postgraduate studies alongside life and work commitments. A typical student can complete their MBA in Australia over four semesters of study, however, this opportunity will permit CPAs to complete their MBA in an even shorter time frame.

Developed using the pillars of innovation, data analytics and business transformation, and with a focus on evidence-based decision making, Bond's MBA program develops global leaders who think critically, creatively and strategically, ready to meet the ever-changing challenges presented in industry.

## Program structure

The MBA program comprises 16 subjects (120 credit points) as follows:

Required subjects (8 x 5cps):

- Individuals, Teams and Leadership\*
- Interpersonal Dynamics
- Effective Decision Making
- Motivation and Organisation
- Managerial Economics\*
- Marketing for Managers
- Accounting for Managers\*
- Financial Decision Making\*

Required subjects (4 x 10 cps):

- Data Analytics for Decision Making
- Strategic Insight\*
- MBA Capstone
- Project Innovation and Change

Plus four free-choice postgraduate electives from within the Bond Business School or another discipline.^

\*CPA Australia members receive credit towards their course upon completion of the CPA Program.

^CPA Australia members receive 30cps towards their electives.

## The next step

Organise a personalised tour with your dedicated Postgraduate Relationship Manager on campus or virtually to learn more about studying at Bond, and to explore how a postgraduate degree can support your professional goals. This curated experience considers your unique circumstances, giving you an unmatched opportunity to have all your questions about postgraduate study answered.
