ACCT 60CP ACCOUNTING MAJOR

A major in accounting from Bond University will give you entry into a respected and enduring global profession and substantial options when choosing a career. Forget about being labelled as a "number cruncher", an accountant plays an influential role in the achievement of an entity's entire range of objectives – not just the financial ones. Accountants are needed in government, NGOs, charities, universities, businesses of all structures and sizes, and more. The range and content of our subjects in our accounting major will give you the knowledge and skills from which you can set your sights on a role as a financial accountant, management accountant, auditor, tax specialist, business consultant, business analyst, treasurer, finance manager, or if none of these appeal to you, a very savvy business owner or entrepreneur. With a wide range of authentic assessment that reflect actual practice, this major will take you places.

TOUM 60CP TOURISM MANAGEMENT MAJOR

In recent decades tourism has experienced extraordinary growth and is now one of the largest and fastest-growing sectors in the world economy. According to the United Nations World Tourism Organisation, in 2016 tourism was responsible for approximately 10 percent of world gross domestic product and about 11 percent of employment and this is forecast to grow at 3.3 percent a year for the long-term. Tourism has become a critical source of export income in many countries and regions and, accordingly, it has assumed economic and political importance.

Private sector tourism organisations operating in the tourism space include hotel groups, cruise operators, airlines, major venues, and event management companies. Public sector organisations include regional tourism organisations, national, state and local government. These organisations employ specialists with skills in marketing, project and event management, accounting, finance, human resources, logistics, and data analytics. In a rapidly changing employment landscape tourism provides a long-term future where the human qualities of creativity, problem-solving and interpersonal communications are valued. The Tourism Management Major provides a good understanding of the industry and the employment opportunities providing a springboard into employment in this exciting sector.
