## Find your Faculty.

Your faculty is like your extended family at Bond and includes students from a number of programs and disciplines. Learn which faculty you're a part of and make sure you tune into the faculty welcome sessions during Orientation.

If you're studying a combined degree, you could be part of two faculties! Or if you're a study abroad and exchange student, pick the Faculty that best represents your studies.

Check our quick reference guide and take note of the **colour coding** for your Faculty-specific events in the Orientation schedule.

## Tools to help you.

### Find your way around.

MazeMap is Bond's virtual map, where you can find your way around Bond's main campus and Institute of Health and Sport by simply searching for a location, then selecting 'directions'. The app will use your current location to guide you to where you need to go. Click here to connect to [MazeMap](#) now!

### Our campus locations.

#### Main Campus

The majority of Bond's programs are based here, including our on-campus student accommodation. Address: 14 University Drive, Robina

#### Bond Institute of Health & Sport (BIHS)

Home base for students in Physiotherapy, Occupational Therapy, Nutrition & Dietetics and Sports and Exercise Science programs. Address: 2 Promethean Way, Robina

### How room numbers work.

Bond's rooms are labelled in the order of building number, then level, then room number. For example, 06\_02\_01 indicates Building 6, Level 2, Room 1.

### Understanding the semester code [242].

At Bond, we refer to each semester with a three-digit number. The upcoming May 2024 semester is 242. To work out the semester number, take the last two digits of the year (e.g. 2024 - '24') and the number of the semester (we're in semester 2, so use '2').

### Parking on campus.

Parking is free for all students at Bond with a valid digital parking permit. Register your details now via the Student Portal or [Bond Website](#).

# Bond Start Hub.

## Come find us at the Bond Start Hub.

Whether you have a question, need assistance finding your way or just want to meet a friendly face, we are here to help!

You can also collect your semester wall planner.

If you are currently under 18, you are required to check-in at the Hub and collect your additional information.

## Meet BUSA.

The Bond University Student Association - also known as BUSA - is your team of student representatives. The association facilitates a number of services and activities dedicated to ensuring your experience at Bond is everything you want it to be.

BUSA also coordinates more than 100 student clubs and societies, and hosts many social events during the semester. Stay in the loop with all the fun stuff on [Facebook](#) and [Instagram](#).

### Club Sign on Day

What is the best way to meet new people? Join a club! Head down to the 242 Club Sign on Day on Wednesday 22 May from 12pm-2pm! Learn more about our clubs [here](#).

## BUSA's Top Tips.

### Plan your semester

Practise your time management! Know when your assessments are due and plan ahead when you know you have busy periods. Don't forget to collect your wall planner!

### Study early, revise regularly

Ensure to effectively manage your time to finish your notes early, so you can revise your study materials frequently and commit them to your long-term memory!

### Give yourself frequent breaks

If you think you need a break, take one! Don't forget to treat yourself and interrupt your studies with active moments to rejuvenate your brain (exercise is great for this!)

### Hang out with your friends

Although it might feel like you have no time, socialising is important for maintaining your mental health. Make sure to rely on those close to you for support when needed, they will know first-hand the stress that your studies can bring!

### Seek feedback from those who know best; your teachers and tutors

Don't ever feel afraid to ask for help from teachers and experts in your subjects. It's their job to help students

### Make sure you sleep!

Your body needs rest in order to recover and perform, so don't forget to treat your body and give it the rejuvenation it needs.

# Support Services.

## Academic Skills Centre

Academic Skills Centre is here to help you develop your academic skills and reach your potential. It's a free personal service for Bond students where we work with you one on one to help you with your individual needs.

## Accessibility and Inclusion

Accessibility & Inclusion provides students with support to ensure an accessible and inclusive campus for all. Students who require additional support due to a medical condition or disability may be eligible for support.

[Click here](#) to learn how to make a booking.

## **BondCare**

BondCare is the Student Safety & Wellbeing Reporting/Referral System. This is a place where you can seek support for yourself or a fellow Bondie.

To access BondCare, simply visit [bond.edu.au/BondCare](http://bond.edu.au/BondCare).

## **Bond University Crisis Line**

The Bond University Crisis Line provides immediate, free, support to our students.

Call: 1300 359 504

Text: 0485 829 136

## Campus Security

Safety and Security is here to support students, staff and the Bond community 24/7. If you ever find yourself in an uncertain situation, feel unsafe or are a victim of sexual harm, Security can be reached by phone at any hour.

Save this number in your phone: 07 5595 1234

At Bond, one thing drives everything we do: you - our students! We're here to lend a hand with anything you need, from Indigenous, international, disability and LGBTIQ+ support through to academic services and career development assistance.

## Career Development Centre

The CDC's qualified team provides a full suite of career guidance services. Right from day one, we can help you define your career path, write applications and resumes, prepare for interviews and make contact with key employers.

We can even help you find part-time employment and holiday jobs.

## International Student Support

To ensure, as an international student, your time at Bond is as enjoyable as possible, we have various support services available to you. [Click on the link above to read more!](#)

## Library Services

Library Services offers a variety of study spaces, learning resources and research support services including one on one appointments with your Faculty Librarian.

## LGBTIQ+

If you identify as part of the LGBTIQ+ community, you will join an inclusive and supportive community and have access to a number of support services.

## **Medical Clinic**

The Medical Clinic is a facility for currently enrolled students and staff members of Bond University. The Medical Clinic is located within Wellbeing Services - Level 1, Student Court, Building 9.

Call 07 5595 4043 for appointments.

## Nyombil Indigenous Centre

The Nyombil Centre is a place of learning and change with a dedicated team who will help you transition into university life and into the workforce.

## Under 18's Support

We ensure all our students under 18 years have a dedicated support staff appointed as their key point of contact. This staff member will provide proactive, regular check-ins in relation to health, well-being, and studies. Students are encouraged to raise any concerns openly with their support staff. Read the full [Welfare Arrangements for Students Under the Age of 18 Procedure](#).

All under 18's students are required to visit the Bond Start Hub during Orientation.

## Other Important Info.

We know there is a lot of information to take in during Orientation. So here's some final takeaway messages to help start your journey at Bond.

### Student Portal.

This is the main place to keep up to date throughout the semester. From there you can access all your applications including your student email, calendar, iLearn and eStudent. We will always correspond to you via your student email so please make sure you login regularly. Visit [portal.bond.edu.au](https://portal.bond.edu.au) for access.

### Student Rights & Responsibilities.

The [Bond University Student Charter](#) sets out the expectations which you may have during your education at Bond and, in turn, outlines what we can expect from you. It is important that you familiarize yourself with the Student Charter which was developed in consultation with the Bond University Student Association.

### Your student ID card.

Keep your card safe and with you at all times. It will provide:

- Access to the Main and Law Libraries, plus the Business Commons
- 24/7 swipe access into the Multimedia Learning Centre (MLC) and the Bat Labs 24/7.
- Access to any external door that leads to a teaching space [Monday to Friday between 7am - 7pm]
- Specialised access required for degree program facilities.
- Has your dining plan on it for students living in Residence
- Library borrowing
- Printing and photocopying access
- Sports Centre Membership

**Do you need  
immediate  
support?**
