PROGRAM INFORMATION				
The Master of Finance course is a quantitatively rigorous program which integrates innovative subjects that highlight the Bond Business School's excellence in experiential and case-based teaching. The classes combine theoretical knowledge in Finance with practical insights delivered through case studies and guest lectures. Session building is encouraged through group projects and communication skills are enhanced through class presentations.				
SUBJECT INFORMATION				
ASSUMED KNOWLEDGE				
Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).				
OPPORTUNITIES				
Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).
