Program structure and sequence plans

PROGRAM INFORMATION

The Master of Sport Management / Master of Project Management has been designed to equip students with the expertise in the planning, implementation and management of sporting projects and programs. The combination degree explores the professional challenges for managers in the complex international sporting landscape from a grassroots level to elite professional sports organisations and events. The addition of project management skills enables graduates to access more strategic positions in their organisation and to be responsible for overseeing new initiatives involving the management of scope, time, cost and risk. The program is designed to enhance the career of established professionals, as well as assist individuals aspiring to develop a career in this unique sector.

SUBJECT INFORMATION

ASSUMED KNOWLEDGE

Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.

OPPORTUNITIES

Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).
