PROGRAM INFORMATION

The Graduate Diploma in Sport Management enables students and practitioners from various backgrounds to develop advanced knowledge and skills relevant to navigating managerial challenges in the international sport industry. This program is designed to enhance the career of established professionals, as well as assist individuals currently working in other sectors to develop some of the advanced knowledge and skills required to work in this unique sector. Graduates are also eligible to progress into the Master of Sport Management to further develop knowledge and skills relating to management in the diverse sport industry. Subjects completed in the Graduate Diploma program are credited to the Master program.

SUBJECT INFORMATION

ASSUMED KNOWLEDGE

Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.

OPPORTUNITIES

Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).
