Acknowledgement Of Country

In the spirit of reconciliation, Bond University acknowledges the Traditional Owners and Custodians of the land on which the University now stands. The Kombumerri people have walked and cared for this land and wildlife for thousands of years, and their descendants maintain spiritual connection and traditions. We thank them for sharing their cultures, spiritualities and ways of living with the land and wildlife in this place we all now call home. We pay respect to Elders past, present and emerging.
