GENERAL INFORMATION						
PROGRAM INFORMATION						
The Honours program is a one-year program of independent research and study culminating in the production of a research thesis and presentation of a research seminar. Students undertake a program of coursework and research in which they conceptualise, plan, organise, undertake and report on an independent research project, whilst being supervised by a member of the academic staff. Projects in the numerous disciplines vary on an annual basis.

<p>Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.</p>
