Optional Law Specialisation	Students are encouraged to undertake an optional Specialisation. This will substitute forty credit points (40CP) of Law elective subjects.		
General Elective 30	Students must choose thirty credit points (30CP) of undergraduate subjects from across the University.		

Program structure and sequence plan

Available J M S	Program Overview	CrICOS 093908G	Version 3
The Bachelor of Business/Bachelor of Laws is a combined undergraduate degree comprising 440 credit points completed over 11 semesters (approximately 3 years and 9 months full-time). Students complete 30 credit points of Core Curriculum subjects, 240 credit points of required subjects, a 10 credit point Statistics Option, a 60 credit point Business Major, 70 credit points of Law Electives, and 30 credit points of General Electives, with opportunities to undertake optional law majors or specialisations. The degree prepares graduates for careers across the legal profession, business management, corporate governance, consulting, entrepreneurship, financial services, and commercial advisory roles.			
Assumed Knowledge			
Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge. Please check for all requirements on your subject outline prior to enrolment.			
Opportunities			
Students may have the opportunity to participate in an international study tour experience or internship as a general elective. Those interested should consult an Enrolment Officer in Student Assist for guidance and to check eligibility requirements (e.g., GPA, language proficiency, prerequisites).			
Additional Notes			
Bachelor of Laws Major Students may choose to complete an optional Law Major in Climate Law (60cp) or Legal Innovation and Technology (60cp). To be eligible for a Major, students must complete six elective subjects (60cp) from either the Climate Major subject options or the Legal Innovation and Technology subject options. Please see details of the Major options on the Bachelor of Laws/Subjects webpage. Bachelor of Laws Specialisation Students may choose to complete an optional Law Specialisation (40CP). Students must complete a minimum of four Law Electives within one of the specialisation areas (see below). Eligible students will receive a Specialisation Certificate. Please see details of the Specialisation options on the Bachelor of Laws/Subjects webpage. The available Law Specialisation (40cp) options are: • Canadian Law and Practice • Climate Law • Contemporary Legal Issues • Corporate and Commercial Law • International and Comparative Law • Legal Innovation and Technology • Legal Practice Bachelor of Laws (Hons) Bachelor of Laws degrees are awarded with Honours according to the student's cumulative percentage average of Law subjects and the grade awarded for successful completion of LAWS13-569 Legal Research Project (as an elective) for students commencing a Bachelor of Laws program in or after 2015. For students who commenced their Bachelor of Law program prior to 2015 and for further information on the Bachelor of Law (Hons), please see the Law Honours / Distinction information webpage.
