Bond University degrees

With an accelerated teaching calendar of three semesters per year — starting January, May and September — you can complete your degree faster and start your career sooner at Bond, completing an undergraduate degree in as little as two years, or a master's degree in as little as one year and four months. Or, you can choose to pursue a unique Professional master's degree that includes an embedded 20 weeks of professional experience.

BACHELOR'S DEGREE

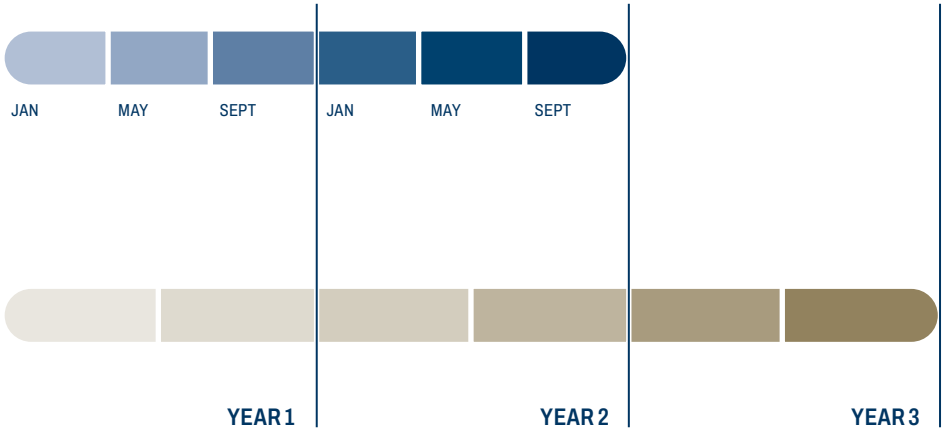

Minimum study time at Bond compared with other universities.

BOND UNIVERSITY MODEL: GRADUATE IN 2 YEARS*

Semesters: 6
Semester duration: 13 - 14 weeks
