

# BOND AGENT PARTNER GTE/GS CHECKLIST

Applicants for Student and Student Guardian visas must show they are coming to Australia temporarily for study as a Genuine Student (GS) and are assessed against the Australian immigration authority's Genuine Temporary Entrant (GTE) criteria.

Bond University reserves the right to refuse admission if the University is not satisfied that the applicant meets the GTE/GS criteria and/or does not have the capacity to study and live in Australia for the duration of the program even if the offer has been accepted by the applicant. The University may also impose additional requirements on applicants who will require Australian student visas to commence study. Applicants who do not meet these requirements at the time of application or acceptance will be refused admission.

**This form is to be completed by Bond University partners and submitted with the applicant's program application along with any required supporting documentation.**

## APPLICANT GTE/GS ASSESSMENT

Responses may require the submission of additional documentation with the program application.

# This symbol against a response means that Admissions will likely make the offer (subject to meeting program entry requirements) conditional on providing a Statement of Purpose to Bond University for approval. In rare circumstances, a full GTE assessment may be required.

### About the applicant

1. The applicant's name, date of birth, address and photo on his/her current government issued photo identity documents match all supporting documents including academic transcripts, completion letters, qualifications, etc.

Yes  No

2. All documentation, such as academic, English language and other documents provided with the application has been checked and verified to the best of your ability.

Bond recommends partners certify originals that they have sighted themselves due to the high incidence of fraud with certified copies. Bond will accept from trusted partners scanned colour copies of original documents sighted by the partner for application purposes.
