## GENERAL INFORMATION

*BCAS01-020 Academic Skills - This subject will provide students with the basic academic and study skills required to undertake tertiary study. It is designed as an intensive subject which must be undertaken in the first semester of a Bond University College Diploma Program. It will show students how to manage their time and make a weekly study planner, and introduce them to academic skills such as critical reading, essay writing, referencing protocols, note taking and information literacy and research.*

## PROGRAM INFORMATION

## SUBJECT INFORMATION

BCAS01-020 Academic Skills must be taken in the first semester.

|--|------------|--|--------------------------|
| Version  | 3          | <b>Exercise and Sports Science</b>         |                          |
| Total Subjects   |            | Total Credit Points                        | 80                       |
|  |            |  | Cricos Code              |
| <b>Structure</b>   |            |  |                          |
| <p><b>Assumed knowledge is the minimum level of knowledge of a subject area that students are assumed to have acquired through previous study. It is the responsibility of students to ensure they meet the assumed knowledge expectations of a specified subject. Students who do not possess this prior knowledge are strongly recommended against enrolling and do so at their own risk. No concessions will be made for students' lack of prior knowledge.</b></p> |            |  |                          |
| Available  | Code       | Title                                      | Assumed Knowledge        |
| <b>You must complete the following required subjects:</b>  |            |  |                          |
| J/M  | BCAS01-020 | Academic Skills                            |                          |
| J  | BCDP02-066 | Foundations of Exercise and Sport Science  |                          |
